Hate Crime	8	5	4
Hate incident	7	3	2

Neighbourhood Priorities

Ward Area Beeston and Holbeck

Covering the areas of Beeston, Cottingley and Holbeck

Lead Area Sergeant: PS 5966 Wilson

Lead Area Problem Solving Officer: PC 4461 Sutton

To act on community intelligence to tackle and disrupt the illegal supply of drugs in the Beeston and Holbeck area. We will be increasing high visibility patrols in the area and using a number of different tactics to disrupt the drugs supply including executing warrants where we have intelligence. You can help us by reporting any information or concerns you have directly to us or by using Crimestoppers on 0800 555 111 or crimestoppers-uk.org

To continue to work in partnership to tackle the problems caused by on-street sex working in the Holbeck area of Leeds. Dedicated officers will conduct intelligence led, high visibility patrols in the Holbeck area and will respond to community concerns raised through the dedicated phone number.

Ongoing Updates from NPT Priorities above

Weekly tasking meetings have been held with partners to create bespoke action plans for individuals involved in sex working. Enforcement action has been taken against individuals committing offences in the area.

Ward Area – Hunslet and Riverside

Covering the areas of Hunslet

Lead Area Sergeant: PS 4811 Spencer

Lead Area Problem Solving Officer: PC 5638 Jefferies

To reduce persistent begging in the Dewsbury Road area – through proactive high-visibility patrols and partnership working, we shall work to engage with those involved in persistent begging in the area, encouraging those individuals to access support services and taking action against those who continue to persistently beg.

To act on community intelligence to tackle and disrupt the illegal supply of drugs and the linked anti-social behaviour which affects those living in the community. We will conduct high visibility patrols in the area and use a number of different tactics to disrupt the drugs supply, including executing warrants where we have intelligence. You can help us by reporting any information or concerns you have directly to us or by using Crimestoppers on 0800 555 111 or www.crimestoppers-uk.org

Updates from previous priorities

As a result of increased patrols, crime prevention advice being given to residents and businesses in the Fox Way Industrial area we have seen a decrease in theft offences in this particular area however we will continue to monitor this and still provide high visibility patrols to deter offenders.

Drug supply – Officers have utilised a variety of policing tactics, including warrants and stop search to disrupt drug supply in the area. We have also worked with partner agencies resulting in closure orders being obtained in relation to problem addresses linked with drugs and drug related anti-social behaviour.

Ward Area – Middleton and Belle Isle

Covering the areas of Belle Isle and Middleton

Lead Area Sergeant:

Lead Area Problem Solving Officers: PC 5176 Wainwright

To target Anti-Social Vehicle use, speeding and inconsiderate driving of off road biker, scooters, quads and electric bikes in and around Sharp Lane / Middleton parks and Belle isle road near to the Aberfield’s. We will be increasing patrols in the areas on conjunction with the off road motorcycle teams.

To disrupt and engage with nuisance youths at Acre road, Sisson’s, Middleton park avenue area and the surrounding streets in particular the disruption and criminal damages to the buses. If you have any information in relation to this issue please ring 101 or Crime Stoppers on 0800 555 111 or crimestoppers-uk.org

To disrupt and engage with nuisance youths in the Middleton park circus around the shops.

Monthly community meeting on the 1st Monday of each month, 1800hrs at the Middleton elderly aid in conjunction with the Middleton community group.

To target the anti-social behaviour around the shops and Bitmo on Belle isle road

Updates on continuing priorities:

Anti-social vehicle use– We have maintained a Police presence in the area and work is ongoing to trace the location the bikes are stored.
