Morning James

Many thanks for your email with the proposed amendments.

I have reviewed the email and it is our position that the measures proposed in our original email are necessary to mitigate the risks to public safety, prevent further crime and disorder and reduce public nuisance. The amendments proposed are not agreeable to West Yorkshire Police and in our view would lead to an increased risk of crime, disorder and nuisance. Ultimately as I keep repeating, this will be for the licensing committee decision on what measures/outcomes to take with input from all parties at the hearing including us.

By all means I am happy to meet and/or chat about this on the phone. I have availability to meet in person tomorrow afternoon, I am also free today to discuss by phone. Appreciate timescales are tight with the hearing on Wednesday.

Kind regards

PC [REDACTED] Neil Haywood
Licensing Officer – Leeds East & Outer South
