20 White Paper Motion - Post Office Closures

It was moved by Councillor A Carter seconded by Councillor Lobley and

RESOLVED UNANIMOUSLY – That this Council notes with alarming concern that over 2,500 Urban Post Offices have closed under the Government's network reinvention programme. This Council believes that the situation will be made worse when the Government withdraws the Post Office card account, POCA, in 4 years time. This Council believes that the Post Office network provides vital services to local communities in both urban and rural areas and that these are now under serious threat because of the Government's withdrawal of services from local Post Offices. This Council calls on the Government to reverse its announcement and to lend support for the Post Office card account in 2010. We also call on the Government to immediately halt its activities which are clearly designed to undermine this account in advance of the withdrawal date. This Council further calls on all Leeds MPs to oppose the Governments current proposals, and support our local Post Offices.

(Councillor Schofield, having declared a personal and prejudicial interest under minute 13 above, left the meeting during the debate on this item)
