CONFIDENTIAL AND EXEMPT ITEMS

The reason for confidentiality or exemption is stated on the agenda and on each of the reports in terms of Access to Information Procedure Rules 9.2 or 10.4(1) to (7). The number or numbers stated in the agenda and reports correspond to the reasons for exemption / confidentiality below:

9.0 Confidential information – requirement to exclude public access

9.1 The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed. Likewise, public access to reports, background papers, and minutes will also be excluded.

9.2 Confidential information means

- (a) information given to the Council by a Government Department on terms which forbid its public disclosure or
- (b) information the disclosure of which to the public is prohibited by or under another Act or by Court Order. Generally personal information which identifies an individual, must not be disclosed under the data protection and human rights rules.

10.0 Exempt information – discretion to exclude public access

10.1 The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed provided:

- (a) the meeting resolves so to exclude the public, and that resolution identifies the proceedings or part of the proceedings to which it applies, and
- (b) that resolution states by reference to the descriptions in Schedule 12A to the Local Government Act 1972 (paragraph 10.4 below) the description of the exempt information giving rise to the exclusion of the public.
- (c) that resolution states, by reference to reasons given in a relevant report or otherwise, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

10.2 In these circumstances, public access to reports, background papers and minutes will also be excluded.

10.3 Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

10.4 Exempt information means information falling within the following categories (subject to any condition):

Describe the steps you intend to take to promote the four licensing objectives:

- a) General – all four licensing objectives (b, c, d, e)** (please read guidance note 10)

Please see our information below how we will be working towards the licensing objectives.

- b) The prevention of crime and disorder**

In order to prevent crime and disorder from 11PM we are planning on running the kitchen as a dark kitchen which will be only for delivery onl however we will have the following process in place:

Staff will be given training on crime prevention measures;

The shift managers in charge is the full capable to effective and responsible management of the premises;

CCTV system is installed and is clearly visible and the recorded imaged are saved for 30 days and these will be shared with the police and etc which will clearly show the date and time. Our CCTV system records 24. The CCTV captures the full person and we also have a mic camera which can record audio should we need it.

We will display appropriate signage alerting customers to the use of CCTV and will be displayed in a conspicuous position at the premises.

The CCTV camera will be accessible via phone and staff will be trained on how to access this

Staff will be trained on how to deescalate any incidents and should any customer be refused service then they will be asked to leave and police will be called,

We also have a emergency trigger alarm which is connected to verisure should there ever be a situation where this alarm needs to be triggered verisure can monitor the situation and listen in live via audio camera and alert the police.

c) Public safety

In order to ensure public safety and staff building our premises has CCTV camera and is installed with the Verisure Alarm System. The presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime

We have the following Cameras installed:

Two Cameras at the front of the shop
One Camera at the back
Two Camera in the customer eat in area and till
Kitchen Camera covering all areas of the kitchen.

We are also connected to the Verisure alarm system should there ever be a SOS situation the staff can press the Verisure SOS button which will automatically alert them and they can monitor the situation and call the police or activate our smoke fog alarm.

We will be following the strict Government guidelines when it comes to covid restrictions throughout this pandemic to ensure our staff and public are safe at all times.

Fire alarms and equipment will be checked regular and maintained.

Fire exits will be kept clear at all times and a trained first aider will be on site at all times during operational hours.

d) The prevention of public nuisance

In order to prevent public nuisance we will implement the following:

Noise Control:

- No music will be played within the premises after 23:00
- We will operate on collection only and customers will receive a text when their order is ready for collection so they can come collect and leave swiftly.

- We will be using delivery partners such as UberEats, JustEats and etc and these drivers will only enter the premises once we have confirmed order is ready to collect.
- We will most likely be switch some of appliance to electric after 23:00 so we only need the access to 1 canopy for fryer and pizza oven.
- We will ensure our canopies and other equipment is cleaned daily and maintained to ensure the equipment runs smoothly and does not many any noise.

Odour Control:

In order to control odour we will put the following process in place which we do on a daily basis anyway:

- We will be using sealed waste bins with close fitting lids.
- We have arrangement that waste is collected on a regular basis by a reputable/licensed waste carrier once a week.
- At the start of shift we will be using our using a regular cleaning programme for all storage areas and waste bins to be brushed down and cleaned and checked end of the shift.
- Drainage system will be checked daily and ensure they are working and no blockage

CONTROL OF LITTER, WASTE AND STREET FOULING

- As a duty of care we will ensure the front of our premsis is checked and cleaned daily before the end of the shift. A member of staff will clear the area outside out shop with a litter picker and put any waste into the bins.
- We also have a contact with a waste company who will collect our waste on a weekly basis.
- We will encourage customers to not eat outside the shop and if they could respect the neighbours and go and eat else where

LIGHT POLLUTION CONTROL

- In order to control lighting we are currently operating on low energy bulbs which are a warm white colour so they will not cause any nuisances to any passers-by looking into the shop or disturb any of the neighbours.
- Out outdoor signage will not cause any annoyance, distraction and discomfort and may cause driving problems by glaring into drivers' eyes or competing with signs and other traffic signals.

e) The protection of children from harm

In order to safe guard any child who looks under the age of 18 will not be allowed into site after 23:00 if they are unaccompanied and police will be contacted to safeguard that child if the child shows signs of risk of harm or danger.

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- iii. any page containing the holder's signature;
- iv. any page containing the date of expiry; and
- v. any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to->

work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a chare code from the service should submit copy documents as set out above.

Dear Sir/Madam

Licensing Act 2003

Name and Address of Premises: 162 Chapeltown Road, Chapeltown, Leeds, LS7 4EE,

We refer to your licensing application for the above premises. We believe that your application does not give enough information about how you intend to meet an important objective of the licence, which is to prevent public nuisance. We therefore confirm that we are submitting a formal objection to your application.

www.leeds.gov.uk

general enquiries 0113 222
4444

We base our objection on the following matters:

- The potential for noise disturbance from customers, delivery drivers and vehicles arriving and leaving, noise from car doors slamming and music from car radios which would continue into hours where it may adversely affect sleep and other loss of the use and enjoyment of a property. There is also potential for noise disturbance from the extract ventilation system and general activities of the business transmitting through the structure to the residents in the flats above.
- That the hours of operation applied for would set a precedent for other hot food takeaways. If the precedent was set and other businesses granted such hours then there would be a significant added impact of noise disturbance into the early hours of the morning to the surrounding residential premises.

Having read the matters we describe below if you feel we should consider anything else please do not hesitate to contact us.

Description of the surrounding area

The application premises are located on a parade of shops with flats above in a mixed use area with a proportion of residential premises. There are several other hot food takeaways located on the same parade and also nearby but none have a premises licence to operate past 11pm.

The applicant has applied for late night refreshment from 23:00 hours to 01:00 hours 7 days a week and has suggested that it may operate as a dark kitchen only after 23:00 hours for delivery drivers. There is also a considerable number of additional dates when they would wish to trade even later e.g. until 03:00 hours for carnival weekend and until 02:00 hours for the month of Ramadan.

Conclusions reached

The potential for noise disturbance is the same whether it is from customers or delivery drivers arriving and leaving to collect/order food. Therefore, even if the premises were closed to the public after 11pm there could still be noise disturbance. As such the residents may be subject to increased noise from vehicles visiting the business, raised voices, car stereos, car doors banging, noise from carrying out their activities including the use of equipment and extract ventilation into the early hours which will likely result in sleep disturbance every night.

In addition the premises do not have planning permission for the increase in hours of use.

We recommend that the Sub-Committee refuse the application.

Yours faithfully

Representations from Responsible Authorities

5.2 Representations have been received from Environmental Health and West Yorkshire Police in their capacity as responsible authorities.

5.3 Any representation may be negotiated prior to the hearing. In this instance agreements have been reached with both West Yorkshire Police and Environmental Health, resulting in the operating schedule being amended.

5.4 A copy of the representation and agreement from West Yorkshire Police may be found at Appendix C.

Other representations

5.6 The application has attracted representation from members of the public (described as 'other persons' in the legislation).

5.7 The licensing authority is in receipt of sixteen individual letters of objection, all of which primarily oppose the application on the grounds of public nuisance.

5.8 Four representations have been received from members of the public who have expressed concern that they may be at risk of retribution should their details be made public. As such their personal details have been redacted and they will remain anonymous. For this reason, despite their strength of feeling they will not be attending the hearing and would like their representations to be considered fully in their absence.

5.9 In order to protect personal data, redacted copies of the representations are attached at Appendix E. Original copies will be supplied to Members of the Licensing Sub Committee in advance of the hearing.

6 Licensing hours

6.1 Members are directed to paragraphs 6.6 to 6.13 of the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.

- 6.2 In brief the Policy states at 6.12 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so.
- 6.3 The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not adversely impact on the licensing objectives.
- 6.4 A list of premises in the local area and their licensed hours and activities is provided at Appendix F.

7 Equality and diversity implications

- 7.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the licensing subcommittee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

8 Options available to Members

- 8.1 The licensing subcommittee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:
- Grant the application as requested.
 - Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
 - Exclude any licensable activities to which the application relates.
 - Refuse to specify the said person as the designated premises supervisor.
 - Reject the whole or part of the application.
- 8.2 Members of the licensing subcommittee are asked to note that they may not reject the whole or part of the application merely because they consider it desirable to do so. It must be appropriate in order to promote the licensing objectives.

EXTENSION OF LICENSING HOURS TO 01:00 ON NEW YEARS DAY

Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The primary activity undertaken on the premises are based around recreational sport. We currently support junior and senior teams in cricket, football and rugby league, affiliated to the national sporting bodies of these sports. The Club operate bar facilities, currently under a Club Premises Licence, to support the day to day running costs of the facility. However the nature of our current Licence, restricts our ability to provide hospitality to visiting teams and supporters along with members of the public attending these and other events without application for a TEN.

b) The prevention of crime and disorder

Zero tolerance drugs and substance abuse policy. Notices are posted to this effect around the Clubhouse. Zero tolerance policy is enacted in line with current legislation and our sporting body partners policies. Active CCTV covering both internal and external areas, recordings maintained for a minimum of 30 days. The Club is an active participant in Rothwell PubWatch.

c) Public safety

Open plastic containers will be provided for consumption away from the Clubhouse to reduce the risk of injury to competitors, officials, spectators and the general public. Waste bins are provided around the whole site for collection of waste and a cleaning regime around the playing areas and Clubhouse is in place. We operate a remotely monitored fire alarm system. Fully serviced fire extinguishers are located in the building as noted on the attached building plan.

d) The prevention of public nuisance

Noise - External - Amplified and Unamplified music. Currently our only regular event is OultonFest , held early September when a 23:00 cut off is set.
Noise - Internal - Amplified and Unamplified music. Any events will have a 23:00 cut off set.
Late Night Dispersal of Patrons - As at present, every effort will continue to be made to minimise the noise of patrons leaving the premises. Reminder notices will be displayed.

e) The protection of children from harm

Affiliation to ECB, FA and RFL - governing body safeguarding policies fully inacted with required checks ie DBS. Strict 18+ challenge policy in place.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

POLICE – LETTER OF REPRESENTATION – ‘QUALIFIED’ OBJECTION:

Thank you for submitting your application for a premises licence at the above address, which we received on 23rd December 2021, via Leeds City Council as an electronic application.

West Yorkshire Police are of the opinion that your application contains insufficient information about how you intend to meet the licensing objectives.

We therefore confirm that we are submitting a formal representation against your application on the grounds of:-

1. the prevention of crime & disorder
2. the prevention of public nuisance, and
3. the protection of children from harm.

However, West Yorkshire Police are also of the opinion that the said objectives could be met should you be prepared to incorporate certain identified measures within your operating schedule, in **addition** to what you may have offered in your application.

Please find enclosed a document which at **Part 1** contains the suggested measures which this authority considers are proportionate and appropriate to the nature of your application.

NOT PROTECTIVELY MARKED

Should you be in agreement with the suggested measures then please signify this by completing and signing **Part 2** of the enclosed form and return the complete document to this office as soon as possible

Upon receipt of your consent at **Part 2**, it will be taken that you signify your wishes for the licensing authority to amend your operating schedule to incorporate the proposed measures.

Alternatively should you disagree with the proposed measures, then please complete **Part 3** and again return the complete document to this office as soon as possible.

PART 1 - to be completed by the Responsible Authority:

West Yorkshire Police propose the following control measures under the Licensing Act 2003 (in addition or as alternative wording to those that you may have already offered), for the premises-:

Measures / Additional measures proposed:

- The CCTV system and images will be kept in a secure environment to which members of the public will not be permitted access.

- Referring to the plan of the premises provided as an integral part of the premises licence, and specifically with regards to the sale / supply and consumption of alcohol-

West Yorkshire Police are satisfied that the proposed measures are not adequately dealt with by other legislation.

PART 1

To be completed by the responsible authority

Leeds City Council's Environmental Action Service

Proposed Controlled Measures under the Licensing Act 2003

Name and Address of Premises: The Pavilion, Wakefield Road, Oulton, Leeds, LS26 8EL,

This application is for a sports and social club that is located in a residential area with noise sensitive properties in close proximity. The opening hours applied for are from 09:00 to 24:00 hours with live music and recorded music from 11:00 to 23:00 hours for both external and internal areas including a marquee. In the last few months there has been several complaints concerning loud music from external events held in the marquee. Thus there is potential for noise disturbance from the activities and hours applied for. Also the applicant has offered insufficient measures as to how the club would prevent public nuisance.

Having considered the application under the Licensing Act 2003 for the above premises, we consider that the following measures are relevant and reasonable in order to meet the following aim of the licence:

- Prevention of public nuisance

Noise and Vibration

1. Noise from a licensable activity at the premises will not be audible at the nearest noise sensitive premises at Shelley Crescent, Oulton, LS26 8ER and at Coleridge Close, Oulton, LS26 8ET after 11pm.
2. There shall be no external loudspeakers in use after 10pm.
3. Bottles will not be placed in any external receptacle between 11 pm and 7 am the following day to minimise noise disturbance to neighbouring properties.
4. Noise from plant or machinery shall not be audible at the nearest noise sensitive premises during the operation of the plant or machinery. Plant and machinery shall be regularly serviced and maintained to meet this level.
5. The PLH/DPS will ensure patrons use beer gardens, external areas and play areas in a manner which does not cause disturbance to nearby residents and business in the vicinity. Patrons will not use such areas after 11pm except for smoking.
6. The activities of persons using the external areas shall be monitored after 11 pm and they shall be reminded to have regard to the needs of local residents and to refrain from shouting and anti-social behaviour etc. when necessary.

Transport / Pedestrian Movement

7. Clear and legible notices will be displayed at exits, car parks and other circulatory areas requesting patrons to leave the premises quietly having regard to the needs of local residents, in particular emphasising the need to refrain from shouting, slamming car doors, sounding horns and loud use of vehicle stereos and anti-social behaviour.

8. The designated premises supervisor and any door supervisors will monitor the activity of persons leaving the premises and remind them of their public responsibilities where necessary.

9. A facility will be provided for customers to order hackney taxis/private hire vehicles. Telephone numbers for taxi firms/private hire companies will be displayed in a prominent position on the premises.

Hi,

This is to express my great concerns regarding the application The Pavillion - Oulton with Woodlesford sports & social club and object it from being accpetdd

On special occasion (i.e xmas, firework display, 2 times a year festivals over summer), I accept the noise but for it to become unlimited is a totally different situation. The noise can get very loud and repeat occurrences is clearly going to affect the residential areas.

Please let me know if you require any additional information.

To whom it may concern

I would like to raise concerns regarding the above application particularly with regards to the increase of hours in the sale of alcohol and playing of music and unlimited number of indoor and out door events.

This is detrimental to community health and wellbeing, with respect to noise pollution and the associated restricted use of the outdoor space that the areas surrounding the club provide to the community for recreation purposes.

During current outdoor events such as Oulton fest, funfairs etc the noise can be heard inside our home and the reverberations felt. This has a negative impact on family health and wellbeing, we cannot use the garden and can still hear the music in our home causing stress and lack of sleep. This is manageable for the isolated current events but to grant permission to this on a regular basis is a cause for grave concern. The events overspill into recreation areas, causing concern for child safety with alcohol and crowd related issues e.g. anti social behaviour and increased visitors to the surrounding residential areas. Extending the licence brings more opportunity for inappropriate behaviour due to alcohol.

The location of the club is extremely close to quiet residential area. The proposal to extend hours of drinking and music / social events to late at night is not compatible with this location .

Granting this application is inconsistent with the Leeds city best council plan 2020 2025 to protect and promote health and wellbeing, and position Leeds as a child friendly and age friendly city with safe strong communities.

. Generally any activity involving increased numbers of people, music and alcohol late at night increases risk of public nuisance and raises the risk of criminal and disorderly behaviour

The proposed licence changes feel unnecessary , the current terms are enough for this small community. There are other licensed premises in the area there is no evidence of further need particularly to

increase current hours. The club has already extended its use of outdoor space through tents and outdoor tables which have already led to an increase in noise pollution and visitors to the area. There is no evidence of need to extend further this given the position of the club in the community.

Please note our objections:

[REDACTED]

Dear Entertainment Licensing,

RE: Oulton with Woodlesford Sports and Social Club, The Pavillion, Wakefield Road, Oulton, Leeds, LS26 8EL

With reference to the above premises and the associated licence application, I write to raise my concerns.

[REDACTED] and as a young family, we are acutely aware of the disturbance that events at the venue cause, particularly to us, but also the wider neighbourhood. Thankfully these do not happen regularly, and the noise levels, whilst unwelcome, are therefore tolerable on these odd occasions

However, the application seeks to allow the sale of alcohol and playing of live and recorded music Mon - Sun, 11:00 - 24:00 (music ceasing at 23:00). This would be completely unacceptable and an absolute unbearable nuisance to family life being on my doorstep as it is. Whilst it would appear some distance away from my property, the noise travels readily and permeates the home even with all windows and doors shut. Event days do not allow enjoyment of my garden or my home. For this to be potentially the case 7 days/week is unthinkable, and this does not even touch upon the sale of alcohol.

I would strongly urge that this licence is not awarded on this basis - it is not in any way considerate to the needs of residents and should be.

Please feel free to contact me should you need to.

Regards,

Subject: PREM/04887/001 | Premises Licence - New Application The Pavilion Wakefield Road Oulton Leeds LS26 8EL

Dear Sir/Madam,

I'm writing to object to the above Licensing application and request its rejection.

Introduction

The Health, Safety and Environment (HS&E) of local residents is continually deteriorating due to the increasing numbers and instances of uncontrolled adverse HS&E events. With continuing Leeds City Council (LCC) and West Yorkshire Police (WYP) resource constraints and no effective corrective action delivery of existing HS&E issues, this risk will increase significantly where more planning approvals for increasing uncontrolled/unmanaged licensed events occur (e.g. current 1 day event pre-approval for Oulton fest - already been 'extended' for Euro Football , Bonfire Night etc, increasing to potentially 365 days events with increased hours)

Leeds City Council UDP Alignment

The licensing application does not align with LCC's "LEEDS UNITARY DEVELOPMENT PLAN (REVIEW - 2006) VOLUME 1:" - In particular the UDP's 4 strategic goals (SG) (and aligned Strategic Aims (SA) and Strategy Principles (SP)).

SG1: to use the mechanism of land-use planning to help coordinate all the aims and aspirations of the Council's strategic initiatives, with the intent of improving the quality of life for all the residents of Leeds and those who use the City;

SG2: to maintain and enhance the character of the District of Leeds;

SG3: to ensure that the legitimate land needs of the community are met;

SG4: to ensure that development is consistent with the principles of sustainable development.

Existing Outstanding Local HS&E Issues

Please see area map/plan below

These include:

Sports & Social Club - High level, immediate proximity noise and high volume on-estate parking vehicle blockage (Oulton Drive reduced to a single lane road causing

estate and A642 traffic blockage) from previously held Oulton Social Club events (e.g. Oulton Fest, Euro Football, Rugby Tournaments, etc increased Local Resident HS&E, ASB and noise issues in 2021).

Increasing extended licencing from a handful to a potential of 365 days (and nights) of events would exponentially increase the risk of ASB, noise, littering and main/estate road blockages. This would significantly increase the risk of adversely impacting residents mental and physical health and welfare, and the local environment.

4x4 Centre Events - frequency, noise and environmental damage, trespass and trespass damage > unconstrained at least 35 events held in 2021, each resulting in excess noise and several incidents of environmental damage to PROWs, council playing fields and surface water draining systems. This number of events is more than legally allowed under T&CP Act but is not effectively controlled by LCC planning? 2022 has already had 3 events with no evidence of LCC planning monitoring or control. Uncontrolled 4x4 centre events held since 2013 resulting in ASB, noise, PROW, trespass, littering and environmental damage not controlled by Leeds City Council's Planning, ASB, Noise, HSE or West Yorkshire Police.

Farm opposite Oulton Drive on A624 (Wakefield Road) - Cannabis factory and uncontrolled 'waste' burning and 'security camera' illegal filming from

Sports Centre - Repeated traveller trespass, damage and littering on Sports Centre car park (and associated costs), car racing and noise on Sports Centre car park and adjacent roads. Both are increasing resident HS&E and ASB risks and issues

Golf Course - Repeated golf course damage and littering - increasing HS&E and ASB risks and issues

LCC Planning Approved - Planning permission approved for multi-denominational graveyard - increasing environmental and ASB risks

There is no effective monitoring and policing of existing local residents' HS&E issues. Increasing these risk 'opportunities' will increase risk of adverse impacts on residents. The historic evidence (referenced above) indicates the risk to local resident's HS&E management will deteriorate further as the number of adverse risk opportunities increases. This could be reduced by adequate numbers of empowered and responsible resources who deliver timely and effective corrective actions. This has never happened before for local residents' issues and is unlikely in future as an increasing number of events still occur without any increase in resource.

Conclusion

There are currently multiple issues adversely impacting the Health, Safety and Environment of local residents. Demonstrably sustainably reducing or ideally eliminating issues these before approving this planning request and hence adding new HS&E risks should be achieved before 'adding additional wood to an already out of control fire' that isn't adequately resourced and with a successful track record of timely and reliable delivery.

Please reject this request.

Yours faithfully,

I would like to inform you of my objection to the extended licensing request for the Oulton Cricket Club. You expect a little bit of noise at times from a cricket club but not a constant full on musical festival. It makes for a very unpleasant relaxing weekend in the garden during summer to constantly hear very loud outdoor music coming over the fence. This is often not your style of music, or badly sung live music all played too loud so you can't ignore it and have to retreat inside spoiling your day and sometimes your whole weekend. This is my home and I should be able to enjoy it inside and out.

Regards

Good evening,
I live on [REDACTED] and wish to express my concerns regarding the application made by Mr Jagger at the Oulton with Woodlesford Sports & Social Club. The prospect of music being played from 11am to 11pm/midnight every day of the week sounds like a relentless nuisance. We hear the events that up to now have been on an irregular basis, so we know how loud they can be.
I would appreciate your consideration of the impact this application would make on the residents of the adjacent estate.
Thanks and regards

I wish to raise an objection to the application for a new licence for live music and alcohol sales by the above club.

We are [REDACTED] and have already suffered a loss of amenity whereby whenever the club has organised an event under the old/existing licence we are not been able to use our back garden because of noise. This has at times been from around 9.00 hrs until 23.00 hrs. We also need to keep our rear windows closed for the same reason. I understand that the current licence was meant to be used for about a handful of occasions each year, but I seem to recollect there being more than this.

I fear that a new 7 day licence for every week of the year could ruin our use of our residential property. If so I would expect a substantial reduction in rates by the Local Authority.

I look forward to your acknowledgement.

Regards [REDACTED]

I wish to state my concerns with the application to replace the existing club premises license due to its proximity to a residential area.

I live [REDACTED] and under the current license the level and duration of noise is intrusive to the extent that noise levels are as if I am attending the event.

When I bought this house I was well aware of the nature of events held at the club but over the years the events have become more frequent, longer and louder.

If this application is granted what steps would be taken to regulate the frequency of events, the duration of events and the noise levels?

Application Under Section 17 Part 3 of the Licencing Act 2003 for the grant of a premises licence for Oulton with Woodlesford Sports and Social Club The Pavillion Wakefield Road, Oulton Leeds LS26 8EL

The application for a licence re the sale of alcohol and the playing of live music Monday to Sunday 11.00 – 24.00

Although I would like to support Oulton & Woodlesford Sports and Social Club in many of its activities as I feel it makes a valuable contribution to the local community with Cricket, Rugby and sports activities. As a resident in the area, I am concerned re the request for a licence for the playing of Music Monday to Sunday 11.00 – 24.00 and for the following reasons I object to such.

[REDACTED] was able to experience Oulton Fest first hand. Although the idea is of a good community activity if properly supervised and managed with sufficient sound proofing, I felt the playing of music till 10pm and after, prevented me and my family (who were visiting), 'our right to enjoy our home' as we could neither sit in the garden or watch tv in the lounge, the noise being so loud and hence could be seen to be a statutory nuisance. However, this celebration was over a fixed period of time, as could be true of family gatherings. Certain events like these I have to accept & am prepared to accept, to a degree. To live and let live. However, the idea of the club having a licence for alcohol for these hours & for playing live music Monday to Sunday between 11.00 and 24.00 seems excessive and could become intolerable for people like myself, living in the area. Clearly the sound cannot be adequately monitored & contained in marquees & in a club house that falls short with respect to sound proofing. I believe it may also affect public safety for children, players being coached / practicing & playing at the club, their coming & goings with families, as it will inevitably attract people who may drink too much & maybe encourage drug taking. It would also affect the elderly at Oulton Manor Old Peoples Home trying to enjoy peace and calm, at the end of their life which they have a right to enjoy.

I also have concerns for the size of gatherings for events which, may be encouraged by such a licence and parking is a consideration as the lane which leads to the club house is narrow and not well lit. It clearly is not sufficient to accommodate such music events with limited parking. It really is not clear either what music activities they intend to hold at this venue.

I would therefore ask that you carefully consider this request in the interests of the local residents, myself being one, the young people who we wish to nurture & teach good values to and the elderly in the home. The timings and days suggested for the licence are unacceptable and the noise level externally amplified or unamplified music is unmanageable with the facilities the club has at present. An occasional family gathering with some monitored music is acceptable but regular music whose volume cannot be measured, monitored or policed cannot be, where people cannot have the enjoyment of their own homes as the music is so loud. Granting such a licence would be difficult to monitor & reverse should it result in public nuisance which it most certainly will as seen by Oulton Fest. It would be a great shame to spoil a local family gathering venue by introducing such a licence. I as a local resident would wish to support the development of this club to represent the excellent area where it has a good reputation and uphold the high standards expected of such and do not support something which I feel is entirely unacceptable as the request stands. We must all also

consider the present reputation of the area and the impact such a licence may have not only on resident's quality of life but also property prices.

Thank you for giving me the opportunity to voice my concerns re this matter.

Dear Lucy and Licensing Team

Thank you for your e-mail dated 21 January 2022.

In response to your e-mail, I would like to add the following points. I also had a long discussion with Bridget in licensing yesterday, to clarify my situation.

- I can appreciate that there is a requirement for you and the team, to ensure that all objections relating to the applicant's request are fair and valid. Also, that the applicant has a right to note the content of my representation. However, the applicant is applying to the council for the licence and not to me. I do not have his home contact or that of any committee members, related to the club and I do not understand why they should have my details.
- I believe you have a duty of care to support me with this which I am confident that you will uphold.
- It is the council's committee who is deciding whether I have a legitimate objection based on the points I have made in my submission and you can have knowledge of my name address and contact details to understand my objection is reasonable.
- I am happy that my objection is shown **without** any personal details disclosed once again as per GDPR. I **do not** however withdraw my objection to the application and appreciate my objections **will be published without my personal contact details**.
- I feel I have a valid reason for not having my name, contact details and telephone number to be disclosed to the applicant or his committee as I do not know anything about him / them or who is involved with them and so therefore there may be reprisals to my stance which I feel should be dealt with through the council.
- As a final point, I would like to ask each committee member to consider how they might feel if such a licence with such flexibility for the playing of music, in such a venue, was granted next to where they were living. Again, I feel there is a duty of care to local residents.

Thank you for your careful consideration of my objection and information submitted.

Regards

Subject: Objection Comments - Oulton with Woodlesford Sports and Social Club Licence PREM/04887/001

Dear Licensing Team,

As per the separate mail in relation to the error message on the portal, please find the following objection in relation to Oulton with Woodlesford Sports and Social Club Licence PREM/04887/001.

We do not object fully to the licence request. We specifically object to the playing of any external amplified or unamplified music at any time of day, 7 days a week. With the exception of Oulton Fest or community events. We do wish for our outlined concerns to be taken into consideration.

There are gaps in the stated frequency of external events where amplified music will be played as listed below:

1: The application states: "the only regular event is OultonFest, held early September when a 23:00 cut off is set."

This was not the case in spring and summer of 2021 where amplified music was played outside on a frequent basis. It was never later than 23:00.

2: The application then goes onto say: "We may organise during the year both internal and external music events which may be both amplified and unamplified."

This is contradictory to point 1 where it states there's only one regular event. The applicant should be clear on the frequency they plan to hold events.

3: The application continues "Other events we may organise would be more likely, but not exclusively, internal over the late Autumn, winter, early spring period and external over the remainder of the year."

This means for 7 months of the year; the applicant proposes to use the outside space to play amplified music. The applicant should be more specific on how many events they propose to host outside.

4. The application states "Additionally, consumption will take place in our marquee structure, situated on the area adjacent to the club house."

A marquee structure is not suitable to play either amplified or non-amplified music due to its design. This is the only covered outside area available at the applicant's venue. The applicant should be clear on how often events with amplified or non-amplified music will be held in the marquee structure and how they will control and manage external noise.

When you consider the number of teams that will use the club for different events, and private hire events such as birthdays and parties, it means that the propensity for noise nuisance could increase significantly.

As further background, the applicant recently arranged to host an external event which was promoted on a national ticket sales website. The planned event was not notified to local residents. It was subsequently cancelled and according to the promoter, it was cancelled because the host did not have the correct licence (tickets sold via Skiddle.com). We want to ensure that the applicant cannot host such events due to the proximity to noise sensitive premises, homes and a care home. Such events also attract other unwanted issues to the local community (litter, drugs, gangs as examples).

The application should also consider the sound proofing of the club. This is typically because windows and fire doors are left open meaning noise sensitive premises can be impacted by events inside the club as well as outside.

A final part to be considered is that when events end at the club, our cul-de-sac (which has no through road to the club) becomes an incorrect pick-up point for UBER drivers. This is disruptive late at night with our road becoming a turning circle for lost taxis.

We would note that we are supportive of the club as a community space and sports club. Increasing the license application, the increased external music and alliances with club promoters is a marked departure from the intended purpose as a sports and social club run by volunteers and members of the community. We consider that the application is not in the spirit of community or consideration to its neighbours.

Thanks in advance

Subject: Oulton Sports Club new licence objection

Hi

I would like to address my concerns relating to the application for a new entertainment licence at the Oulton Sports Club. Firstly, I support the club and the family activities it provides in the local community, and I'm not objecting to the licence currently in place.

For the proposed new licence, providing measures are in place to control behaviour where sale of alcohol is involved, and external doors remain closed to limit noise to neighbouring residences, I am not objecting to the unlimited number of **indoor** events.

In relation to outdoor events, I am objecting to the licence application for an unlimited number of **outdoor** events including the sale of alcohol and amplified music, under the prevention of public nuisance. I base this objection on the following points;

- The current licence states the only outdoor event as 'Oulton Fest'. During the weekend of Oulton Fest, with all external windows and internal doors closed, the volume of the music heard within my house is loud enough to prevent my children from sleeping. This in turn causes them distress, but as a once-a-year event I do not object to Oulton Fest being held. I would be deeply concerned should a licence be granted allowing multiple outdoor events including amplified music, and the impact it would have on my children due to excessive noise.
- Both myself and my wife work from home, and should outdoor events be held on a regular basis with noise volumes as that of Oulton Fest, this would affect our ability to work.
- A tent has been used by the sports club in 2021 to host outdoor events. The tent structure provides no insulation to amplified music. As a result, music played in the tent can be heard throughout our house even with windows closed. This is made worse on warmer days where windows need to be opened in order to provide adequate ventilation.

To summarise, I do not object to the sports club to be used for family activities. A licence allowing the sale of alcohol and playing of amplified music 7 days a week until late at night takes away the family aspect, replacing it with a feel of that of a nightclub. Whilst I want the club to be successful, I hope that it can be run in fitting

with the local area, and number of family residences it immediately neighbours. I hope these concerns can be taken into consideration.

Kind regards

Hi there,

I had previously sent over my concerns about the above licensing proposal. I have asked for this to be withdrawn and replaced with the below and I have some fresh questions.

The main concern which i'm sure more people on the estate would have is that there will be loud music been played very often which everyone on the estate will have to listen too. What would the clubs main objectives be with this licensing be? I understand the club want to expand and offer more to attract more consumers which is completely fair but it is a concern that the estate would just hear music all weekend especially if it is outside.

When Oulton Fest is on it is very loud and all you can hear right up until it goes off. This is where my concern comes from, if the sports club want to have outdoor entertainment every weekend then I would see this as difficult to listen to all the time.

Kind Regards,

Subject: New license Oulton with Woodlesford Sports & Social Club

Good afternoon,

I have been given this email address to raise my concerns on the new license proposed for the above.

I am a resident [REDACTED]
[REDACTED] I have, on numerous occasions, had to keep all windows to my property closed due to the noise levels and even had to report the noise to the council.

This is from both amplified music and also patrons who are not shy from standing outside singing, chanting, arguing.

I am concerned with the new license proposed that this once quite and calm area out of the main village will become loud, boisterous and bring trouble to the local residents.

Thank you for hearing my concerns.

Dear sirs

I am writing to object to the application for a licence to sell alcohol and play live and recorded music Monday to Sunday 11:00 to 24:00 at the Oulton, Woodlesford sports and social club, Oulton Leeds 26.

[REDACTED] and I am not happy about the amount of noise and late traffic this will create.

I am shocked that the club think that this will be acceptable to the neighbours. Also there is an old peoples home at the end of the road. Is this really what this neighbourhood needs!

We already have lots of noise, litter from other events held there and this application is outrageous.

I have 2 small grandchildren that sleep at my house in the back bedroom and sleep will definitely be disturbed.

Please let me know what else you need from me to object to this ?
Both me and my husband object.

Thank you and I look forward to hearing from you.
