CONFIDENTIAL AND EXEMPT ITEMS

The reason for confidentiality or exemption is stated on the agenda and on each of the reports in terms of Access to Information Procedure Rules 9.2 or 10.4(1) to (7). The number or numbers stated in the agenda and reports correspond to the reasons for exemption / confidentiality below:

9.0 Confidential information – requirement to exclude public access

9.1 The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed. Likewise, public access to reports, background papers, and minutes will also be excluded.

9.2 Confidential information means

- (a) information given to the Council by a Government Department on terms which forbid its public disclosure or
- (b) information the disclosure of which to the public is prohibited by or under another Act or by Court Order. Generally personal information which identifies an individual, must not be disclosed under the data protection and human rights rules.

10.0 Exempt information – discretion to exclude public access

10.1 The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed provided:

- (a) the meeting resolves so to exclude the public, and that resolution identifies the proceedings or part of the proceedings to which it applies, and
- (b) that resolution states by reference to the descriptions in Schedule 12A to the Local Government Act 1972 (paragraph 10.4 below) the description of the exempt information giving rise to the exclusion of the public.
- (c) that resolution states, by reference to reasons given in a relevant report or otherwise, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

10.2 In these circumstances, public access to reports, background papers and minutes will also be excluded.

10.3 Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

10.4 Exempt information means information falling within the following categories (subject to any condition):

- 1 Information relating to any individual
- 2 Information which is likely to reveal the identity of an individual.
- 3 Information relating to the financial or business affairs of any particular person (including the authority holding that information).
- 4 Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or officer-holders under the authority.
- 5 Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
- 6 Information which reveals that the authority proposes –
 - (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - (b) to make an order or direction under any enactment
- 7 Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime

Summary of Main Issues

This is an application for the grant of a premises licence, made by Mr Shakhawan Salahadin Ahmed, for Main Street Local 147 Main Street, Garforth, Leeds, LS25 1AF.

The application is for a small grocery store proposing to sell alcohol for consumption off the premises, Monday to Sunday from 07:00 to 23:00 hours.

Responsible authorities and Ward Members have been notified of this application.

The application has attracted representations from a local ward member and one member of the public, which remain a matter outstanding for Members' consideration.

1 Purpose of this Report

- 1.1 To advise Members of an application made under section 17 of the Licensing Act 2003 ("the Act") for a new premises licence in respect of the above mentioned premises.
- 1.2 Members are required to consider this application due to the receipt of representations.

2 History of the Premises

- 2.1 This is the first application for a premises licence for these premises.

3 The Application

- 3.1 The applicant's name is Mr Shakhawan Salahadin Ahmed.
- 3.2 The proposed designated premises supervisor is Mr Shakhawan Salahadin Ahmed.
- 3.3 In summary the application is for:

*Sale by retail of alcohol (for consumption off the premises)
Every day 07:00 – 23:00.*

Non standard timings

There are no non-standard timings for bank holidays or special occasions are proposed.

- 3.4 A redacted version of the application has been attached at Appendix A.

4 Location

- 4.1 A map which identifies the location of this premises is attached at Appendix B.

5 Representations

- 5.1 Under the Act representations can be received from anyone but they must be relevant and, in the case of a member of the public, must not be frivolous or vexatious.

Representations from Responsible Authorities

- 5.2 There have been no representations from responsible authorities.

Other representations

- 5.3 The licensing authority is in receipt of representations from a local ward councillor and one individual objection on behalf of a local resident, both of which oppose the application on the grounds of the prevention of crime and disorder, public safety and the protection of children from harm.

5.4 A copy of the representation submitted by the Local Ward Councillor is available at Appendix C of the report.

5.5 In order to protect personal data, a redacted copy of the local resident's representation is attached at Appendix D. An original copy will be provided to Members of the Licensing Sub Committee in advance of the hearing.

6 Licensing Hours

6.1 Members are directed to paragraphs 6.6 to 6.13 of the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.

6.2 In brief the Policy states at 6.12 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so.

6.3 The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not adversely impact on the licensing objectives.

6.4 A list of premises in the local area and their licensed hours and activities is provided at Appendix E.

7 Equality and Diversity Implications

7.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the licensing subcommittee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Refuse to specify the said person as the designated premises supervisor.
- Reject the whole or part of the application.

8.2 Members of the licensing subcommittee are asked to note that they may not reject the whole or part of the application merely because they consider it desirable to do so. It must be appropriate in order to promote the licensing objectives.

Good morning

Yes, as has been outlined, we are confused because there is currently a planning application in place for a takeaway so what is it they actually want to achieve?

In terms of valid reasons why they should go to licensing I will go on public safety.

This sits on the corner of a four-way system of controlled traffic lights at the busiest junction in the town on double yellow lines and I do not see how what they wish to do in terms of an off-licence, or a takeaway for that matter, can be successfully and safely delivered at that location.

Secondly, we already have a problem with underage drinking sales in the area following another application licensing soffit to pass which is currently being dealt with by Paul Spandler's team and trading standards.

It seems to us that this will only send the young people concerned to a new location.

Therefore, again, please take this as my wish that the matter goes to the licensing subcommittee and I wish to speak at that hearing.

Again I would like to understand from Planning colleagues what actually is going on here because their licensing application is a complete and utter variance to the planning application.

Thanks all

Hi Samantha

Thanks for your response.

We're just really puzzled that this shop has submitted a licence application, whilst the same premises have also applied for a change of use to a takeaway outlet, and so would like some clarification from planning as to what is happening with the planning application.

Best wishes

Suzanne

Dear Cllr Dobson

Thank you for your email.

I can advise that the application is for Main Street Local, 147 Main Street, Garforth LS25 1AF. The application is for a small grocery store wanting sell alcohol between 7am and 11pm 7 days per week. The sale of alcohol will be as 'Off Sales' only.

As this is a brand new application we have not yet received any representation or comments from responsible authorities. I can confirm that the Planning Department are a responsible authority and have been notified of the application should they wish to submit a representation.

Unfortunately at this time we cannot accept the below email as a valid representation to the Premises Licence Application.

Your representation must be relevant and based on the likely effect the granting of the application will have on the promotion of the following licensing objectives;

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

I have attached a copy of the guidance on how to make a representation for your information.

Please do not hesitate to contact the department should you require any further assistance.

Re: licensing application at 147 Main Street Garforth

There is a planning application already lodged on this address for a takeaway which I have objected to along with my colleagues and suggested that if the council are mindful to pass it then it needs to go to full plans panel because of the exceptionally dangerous location with four-way lights and double yellow lines on each corner of the junction.

I now see that there is a licensing application applied for but I am unsure how that would fit in with a takeaway?

Looking at the premises in question I do not think that they would be an appropriate place for any form of licensable activities but, nevertheless, I'm more confused than ever with the fact they've got a live planning application in for a takeaway.

Do you have any updates on this matter please?

Licensing colleagues, I do not know if you are aware of the planning application that is currently submitted in terms of these premises, but I think you need to be aware because, frankly, this is all over the place.

Should the council be mindful to look at the licensing application with any degree of seriousness I am formally requesting the matter goes to the licensing subcommittee I am asking this not just as a councillor but also as a concerned resident.

Best wishes

Hi,

There is a notice for an alcohol licence application in my local area, I have attached a picture of it. I can't find any application under this address on the planning website. Is there a reason the application isn't visible on the website as this hinders the public's ability to object.

I would like to log an objection to this application.

1 - Prevention of crime and disorder.

There has been increasing antisocial behaviour around the top of main street where the shop is located, criminal damage has occurred to some of the businesses here with signage damaged and businesses defaced which has been reported to the police. The shop selling alcohol will attract and increase this anti social behaviour to this area.

There are several shops on the same road within a few minutes walking distance which sell alcohol, all on the same road in the small town centre. This includes a Tesco, a Co-op, a Nissa, a bargain booze and a shop specifically dedicated to alcohol called Tippl. There would be no benefit to the local area to have another alcohol outlet. In addition to this there are several bars, pubs and restaurants which further serve alcohol.

There is no parking at the top of the road where this shop is, the corner shop has already closed due to a lack of customers. If the shop starts to deliver alcohol which would be the only profitable avenue, then there would be nowhere for the delivery driver to park and the town center already has a lack of parking, please see the objections on the planning application for a takeaway for the same property which has since been withdrawn after objection from the local Councillor Mike Dobson and the local planning association. It has been raised that this is a busy junction and is a protected junction, increasing the already congested area of this road is dangerous and would lead to illegal parking further putting the public in danger.

Please take these points into consideration.

Kind regards

Representations from Responsible Authorities

- 5.2 The representation submitted by West Yorkshire Police remains as a matter for Members consideration. A copy of the representation may be found at Appendix D.

Other representations

- 5.3 There are no other representations.

6 Cumulative Impact Policy

- 6.1 The premises are located within the cumulative impact area for City Centre, albeit not in either of the two areas of special concern designated as red zones where the impact of the licensed premises is so severe that the council considers that any application for a new licence or the variation of an existing licence would be inconsistent with the authority's duty under the Licensing Act 2003, unless the applicant can show how their application would not lead to an increase in the impact of licensed premises in this area.
- 6.2 Cumulative impact means the potential impact on the promotion of the licensing objectives due to the significant number of licensed premises concentrated in one area.
- 6.3 An applicant wishing to obtain a new licence for premises falling within any of the cumulative impact areas must identify, through the risk assessment process and/or the operating schedule, the steps they intend to take so that the council and responsible authorities can be satisfied that granting a new licence would not add to the impact already being experienced.
- 6.4 Details of the cumulative impact policy specific to the City Centre and an outline of the evidence behind the reason for setting this policy is attached at Appendix E.
- 6.5 Members are directed to paragraph 7.37 of the Statement of Licensing Policy which provides examples of how an application may demonstrate there will be no impact and paragraph 7.38 which provides examples of the matters that the council would not normally take into consideration.

7 Licensing hours

- 7.1 Members are directed to paragraphs 6.6 to 6.13 of the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.
- 7.2 In brief the Policy states at 6.12 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so.
- 7.3 The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not adversely impact on the licensing objectives.
- 7.4 A list of premises in the local area and their licensed hours and activities is provided at Appendix F.

8 Equality and diversity implications

8.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the licensing subcommittee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

9 Options available to Members

9.1 The licensing subcommittee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Refuse to specify the said person as the designated premises supervisor.
- Reject the whole or part of the application.

9.2 Members of the licensing subcommittee are asked to note that they may not reject the whole or part of the application merely because they consider it desirable to do so. It must be appropriate in order to promote the licensing objectives.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Background

The Licensing Act 2003 regulates the sale of alcohol, provision of entertainment and provision of late night refreshment (sale of hot food or drink after 11pm). Section 5 of the Licensing Act 2003 requires licensing authorities to prepare and publish a Statement of Licensing Policy every three years. The council's first Statement of Licensing Policy was adopted by council on 12th January 2005 and was initially reviewed every three years, however in April 2012, the Police Reform and Social Responsibility Act changed the length of the lifetime of a policy from three to five years.

The Statement of Licensing Policy was reviewed and consulted upon in 2018, and a new policy was put in place with effect from 15th January 2019. As part of this review the council reviewed and consulted upon a cumulative impact assessment of all the cumulative impact areas. This was published in November 2018. It was reviewed again in February 2019 and new guidance was published in July 2019.

This Assessment was undertaken in October 2019 and supersedes the part of the Cumulative Impact Assessment undertaken in 2018 which relates to the city centre and all subsequent assessments which relate specifically to the city centre.

The law

Prior to 2018, cumulative impact was a concept introduced in the Government's Section 182 Guidance issued under the Licensing Act 2003. It provided a rebuttable presumption for the refusal of licence applications in areas where the impact of an accumulation of licensed premises had a negative effect on the promotion of the licensing objectives. This is in contrast to the otherwise permissive regime under the Licensing Act 2003.

Many local authorities introduced cumulative impact policies and described areas in their policies as cumulative impact zones, stress zones or concentration zones. In Leeds, the cumulative impact policy was included in the Statement of Licensing Policy with six areas being described as falling under this policy. Nationally, cumulative impact policies are popular and well supported by Licensing Committees and, on appeal, by Magistrates Courts. However, until 2018, they were only a concept in the guidance and had no statutory basis. There were no guidelines on the level of evidence required. Local authorities called for cumulative impact policies to be introduced into the law so they have a legal footing.

In the Policing and Crime Act 2017, the Government took the step of doing just that. The legislation states that a licensing authority may publish a document ("a cumulative impact assessment") stating that it considers that the number of premises licences or club premises certificates is at such a level that it would be inconsistent with the promotion of the licensing objectives to grant any further licences or certificates in that area and restrict changes to licensable activities of existing licences.

A cumulative impact assessment must set out the evidence for the authority's opinion and before publishing it, the licensing authority must consult with people affected by the assessment, including the responsible authorities, businesses and the public.

The assessment must be reconsidered every three years and any review must be consulted upon before deciding whether it remains or can be removed. A licensing authority must publish any revision of a cumulative impact assessment along with the evidence.

The impact of this step is to put cumulative impact policies within the primary legislation, with a prescribed method for implementation and to provide guidance regarding the source and level of evidence required. This part of the Policing and Crime Act 2017 was commenced in April 2018. Amended S182 Guidance was published at the same time.

In Practice

In publishing a cumulative impact assessment, the council is setting down a strong statement of intent about its approach to considering applications for the grant or variation of premises licences or club premises certificates in the areas described. The council must have regard to the assessment when determining or revising the Statement of Licensing Policy and must have regard to the policy and the section 182 guidance when making determinations.

The cumulative impact assessment does not change the fundamental way in which licensing decisions are made and it is open to the council to grant an application where it is appropriate and where the applicant can demonstrate through the operating schedule that they would not add to the cumulative impact. Applications in areas which are covered by a cumulative impact assessment should therefore give consideration to potential cumulative impact issues when setting out the steps that will be taken to promote the licensing objectives.

A cumulative impact policy does not lead to an automatic blanket ban on the grant of licences and the council can only consider using a cumulative impact assessment to refuse an application if relevant representations are made. Where no representation is received the council must grant the licence.

A cumulative impact assessment does not relieve responsible authorities, local residents or any other person of the need to make representations where they consider it appropriate so that the licensing objectives are promoted. Anyone making a representation can base it on the information provided in this assessment, or even just on the fact that an assessment has been published. It remains the responsibility of anyone making a representation to ensure it can withstand the scrutiny to which they will be subjected to at a hearing.

Review of the Cumulative Impact Assessment

It is the intention of the council to review all areas every three years. Because of the dynamic nature of the city centre, it may be necessary to review the city centre evidence more frequently and to produce a separate cumulative impact assessment for that area.

Any review of the cumulative impact assessment will follow the same process:

- A call for evidence, sent to all responsible authorities and other interested parties through the Licensing Enforcement Group
- The request of police crime statistics specifically for the area in questions and the thorough examination of the evidence to determine if there is evidence of cumulative impact
- Liaison with the responsible authorities to gather further evidence through complaint statistics or other formal and informal action taken
- Consultation with the public through ward members and Community Committees, local businesses and responsible authorities

- The Cumulative Impact Assessment will be considered and approved by Licensing Committee
- Any amendments which require the removal or addition of cumulative impact areas will necessitate a revision of the Statement of Licensing Policy

Scope of the Assessment

This assessment provides this year's review of the **city centre cumulative impact policy areas**, highlighting the evidence used in the review.

Applicants are strongly advised to examine the evidence presented in this assessment and to read through Section 7 of the Licensing Act 2003 Statement of Licensing Policy before making their application in the city centre.

The council has assessed crime statistics for the area known as the city centre which is located between the A58M motorway and the River Aire and has determined that this is an area suffering from the cumulative impact of licensed premises and as a consequence this is leading to problems which are undermining the licensing objectives. Specifically and in addition to this, there are two areas of special concern designated as red zones where the impact of the licensed premises is so severe that the council considers that any application for a new licence or the variation of an existing licence would be inconsistent with the authority's duty under the Licensing Act 2003 unless the applicant can show how their application would not lead to an increase in the impact of licensed

premises in this area. Maps showing the exact geographical area included in this area, and specifically the red zones can be found above.

In this area the nature of the problems are alcohol related violent crime being perpetrated on people visiting and using this area during specific peak hours.

It would be inconsistent with the council's duty to promote the licensing objectives to grant new and variation application for any premises licence (on sales, off sales and late night takeaways) that seek to operate during the peak hours described in the cumulative impact assessment for the city centre.

Extra scrutiny is given to applications which appear to adopt a number of different styles during their trading. For example businesses that purport to be food led but seek late opening hours may be viewed to be predominantly alcohol led due to their late night activities. It is for the applicant to demonstrate how their business will not impact on the licensing objectives.

Changes in the last year

There are two distinct areas in the city where extra police resources are deployed on a regular basis. These areas are the Call Lane area and the Woodhouse Lane area. In the past, premises in those areas have deployed street marshals at their own expense as it has been recognised that early intervention can prevent an escalation in the severity of incidents on the street. Leeds Bid, the Council and BACIL now fund an Evening Ambassadors scheme which deploys trained personnel into the early evening and night time economy to assist vulnerable people, and to prevent them from becoming victims of crime.

Looking at the Police Report for the past 12 months (2018/19) it looks like crime on Briggate has stabilised, however crime on Call Lane has increased.

Albion Street crime has dropped by 17%. Only two premises now operate on the part of Albion Street in the red zone, McDonalds and Turtle Bay. The drop in crime could be related to the closure of three large night time economy premises.

It appears crime has increased on The Headrow by 26%, but this is a long street with an active daytime economy, with large retail stores and transport links. There are relatively few crimes recorded in the evening and night time.

The Council continues to receive applications within the areas designated as red. There has been a trend for existing operators to apply for minor and full variations to bring into use areas which were unlicensed previously. In all cases, the premises licence holder has undertaken to keep their capacity the same. However this trend for increasing the licensed area is concerning as the licensing authority is unable to stipulate and enforce a capacity under the terms of a premises licence. Any application seeking an increase in floor space, even without an increase in stated capacity, can expect close scrutiny.

Police Crime Reporting

West Yorkshire Police has produced a crime report "Leeds City Centre CIP Report" dated October 2019 which has been referred to when reviewing the city centre cumulative impact area. This report is referred to as the Police Report in this document. It uses reported crime figures from 1st September 2016 to 31st August 2019.

The following data tables and key findings (signified by bullet points) have been extracted from the police report.

The tables clearly show that there has been an increase in crime across the city centre again this year. The police report conclusions state:

- Theft offences have increased to levels previously seen in 2016/17.
- The continual increase of Public Order, Assault and Robbery.
- Public Order offences have more than doubled in the last 3 years.
- Briggate has remained the top street for offences throughout the previous three years though the level of offending has stabilised.
- Call Lane and The Headrow, although remaining at the top of the table have both seen an increase in offences.
- There has been a decrease in offending on Albion Street.

Breakdown of occurrence type 01/09/2016-31/08/2019

These figures relate to the entire city centre and include day and night time periods. This shows a concerning increase overall of 750 or 10% in all violent crimes across the city.

There is a decrease in drunk and disorderly and affray of 60 offences but this is more than made up by the increase in public order offences, up by 330 over the last year. This means there has been an additional 270 public order offences in the past year.

Violent crime is up across all three crime types – assault by 66, robbery by 50 and other violence by 45. However compared to the cumulative impact assessment undertaken in July 2019 this increase is slowing and this is reflected in these figures too.

Sadly despite a decrease last year, it appears that theft from person, theft other and robbery are all on the increase. Bearing in mind that these figures are for the entire city centre, for the entire 24 hour period, this could be a reflection on an increase in shoplifting or pickpocketing in the daytime economy.

Briggate is once again the top street for all crime. Briggate has remained the top street throughout the previous three years however the level of offending has stabilised this year. However there has been an increase in offending on Call Lane again, with an additional 55 crimes occurring which is a 9% increase.

Albion Street has seen in reduction in crime again this year, by a relatively significant amount of 102 crimes. Two more premises have closed in this area (Players and Luda) leaving just Turtle Bay and MacDonalds open in the night time economy.

Day and Night Economies

The Police Report has provided a temporal chart which clearly shows the peak hours on a street level basis. The Police Report states:

- A calculation of the most common time for offences showed that some streets were more active during the night-time economy and some during daytime economy (more accurately, during the afternoon).
- There are negligible levels of offences between the period 05:00 – 09:00 when compared to other periods during the day.
- Briggate tops the offence levels during night economy. Call Lane also has a clear night economy peak which matches that of Briggate, though offence levels were low during the day.
- Albion Street and The Headrow show increased activity 14:00 – 17:00. These are two streets which have increased foot traffic during these periods with daily commuters.

Peak Hours

This table show the number of offences recorded by street and the time they occurred. This provides an indication of when crime is most active and allows the licensing authority to determine peak hours.

Comparison of streets during day and night economy (sorted on night)

This clearly shows that the top 5 streets for offending in the night time economy are Briggate, Call Lane, Woodhouse Lane, Boar Lane and Albion Street. This has not changed in the last year. Care must be taken when comparing streets as the length of streets should be taken into consideration. Also, police officers, when recording crime, do not always distinguish between Duncan Street (8th) and Boar Lane (4th) as one runs into the other.

Similarly although Briggate runs the length of the city centre from The Headrow down to Leeds Bridge, the majority of night time premises are located in the small bottom section of this street. This area is known locally as Lower Briggate and has an active night time economy but no daytime economy. Similarly the section of Briggate that runs from The Headrow to Boar Lane is mainly retail, and so has an active daytime economy.

Briggate, Call Lane and Duncan Street (disregarding any crimes occurring on Duncan Street but reported as Boar Lane), show a total of 1,723 alcohol related violent crimes in the past year. Woodhouse Lane and Albion Street show a total of 893 crimes.

The lower red area is generally described as being 'Lower Briggate', Call Lane and Duncan Street. For the purposes of the police report, the full length of Briggate is included, but the premises opening during the night time economy are concentrated on Lower Briggate. The figures from Boar Lane are included as it is recognised that the occurrences reported on Boar Lane could relate to incidents on Duncan Street as Boar Lane changes into Duncan Street. Generally the area to the west of the junction between Boar Lane and Briggate is not a concern to the Police.

Looking at the area as a whole, there is increased activity from 23:00 but the occurrences jump up after midnight reaching a peak at 03:00. For the purposes of the cumulative impact assessment, the peak hours are 23:00 to 04:00 for this area.

Albion Street/Woodhouse Lane

Total	41	28	23	29	42	64	114	119	101	88	35	7	691

Although the upper red area is predominantly Woodhouse Lane and Albion Street, the figures for Merrion Street are included as it transects the other two roads, but it should be noted that Merrion Street is a long street running from Albion Street to Vicar Lane and has its own specific night time economy area at the eastern end.

Looking at this area as a whole, the increase in activity occurs at midnight with a jump from 64 to 114, reaching a peak at 01:00 before slowly dropping back down after 03:00. For the purposes of the cumulative impact assessment the peak hours are midnight to 03:00.

Nuisance Statistics

As in previous years, the data show there has been an overall increase in nuisance in the city centre, but not related to alcohol. The statistics are provided for information. The Police Report states:

- There has been a continued increased in nuisance in the City CIP area, mainly attributed to non-alcohol related nuisance.
- Non-alcohol adult nuisance has increased dramatically over the last three years.
- Alcohol related nuisance previously showed an increase but during 2018/19 has shown a small decrease.
- Youth nuisance has decreased in the previous 12 months.
- Headrow and Vicar Lane showed the largest increases in calls during 2018/19.

Alcohol Licensing Data Matrix

Public Health were made a Responsible Authority in 2011. However, in the absence of Health as a Licensing Objective, it is very challenging for Public Health to engage meaningfully within the licensing process. Nevertheless, Public Health England and the Local Government Association strongly acknowledge and support the importance of public health input into licensing and have encouraged the development of innovative ways to influence the process within the restrictive boundaries of the Licensing Act 2003.

Public Health has access to numerous key data sources which are not easily accessible by other Responsible Authorities, which can be used to inform the licensing process to help to identify applications which could adversely impact the area and provide the evidence base to support associated decisions. Public Health England has published national guidance on how local Public Health teams can best utilise this data to influence the licensing process. The development of a data matrix which combines and analyses multiple key data sources is a method already used in other Local Authorities including Wigan, Wolverhampton and Cornwall.

In Leeds with the support of Entertainment Licensing, Public Health has developed a local version of a data matrix which risk rates Lower Super Output Areas (LSOA) across Leeds, based on potential alcohol-related harm. Data sources have been chosen due to their relevance to the licensing objectives. Any LSOA in Leeds can be inputted into the matrix, which then provides a comparative citywide “harm ranking”.

Data Sources - Data sources have been chosen to correspond with the four licensing objectives. Alcohol-related health data has been included as this is an important addition and can be used to ‘set the scene’ of the wider alcohol-related harm in an area. This is in line with recommendations from Public Health England.

Weighting of Data - All data sources are not equally important in respect of the licensing objectives. Therefore, based on knowledge and experience of the Responsible Authorities, each data set has been given a different weighting which will affect how much it contributes to the overall ranking.

The citywide ranking of each individual data set is not affected by this.

A LSOA is Lower Layer Super Output Areas are a geographic hierarchy designed to improve the reporting of small area statistics in England and Wales. Public Health have produced and maintain a licensing matrix which rank LSOAs (lower level super output area) against each other.

By entering postcodes the matrix displays the ranking of this postcodes LSOA against certain data sets. This allows responsible authorities and the licensing authority to establish the problems being experienced in the LSOA.

This map shows the city centre area. Dark red denotes the highest ranked LSOAs, followed by dark orange, light orange and green being the lowest ranked LSOAs.

The council has reviewed 3 postcodes in the city centre:

LS1 1UR – this is the area around the Civic Hall and includes The Headrow and Albion Street. It is within the City Centre, Headrow LSOA. It is ranked joint 2nd highest of all 482 LSOAs and is considered very high risk. This is the description given to the top 15 LSOAs for risk. This area is ranked highest in Leeds for alcohol specific hospital admission, alcohol related hospital admission, density of off licences, density of on licences, alcohol related antisocial behaviour, alcohol flagged non-violent crime, alcohol flagged violent crime and drunk/disorderly or over the prescribed limit.

LS1 4DT – this is the area around City Square. It is within the City Station, Bridgewater Place, Great Wilson Street LSOA. It is ranked 6 of all 482 LSOAs and is considered very high risk. This area scores top for alcohol specific hospital admission, alcohol related hospital admissions, density of off licence, and second for density of on licensed premises, alcohol flagged total crime excluding violent crime, alcohol flagged violent crime, and drunk/disorderly or over prescribed limit.

LS1 6RY – this is at the most easterly side of the city centre. It is within the Quarry Hill, Kirkgate, The Calls LSOA. It is ranked 1 of 482 LSOAs and is considered very high risk. This is the description given to the top 15 LSOAs for risk. Conclusion

With the police report conclusions in mind, the Licensing Authority has determined that the red area in the lower part of the city be maintained without change. However the closure of three large premises in Albion Street has led to an area that is no longer predominantly in the night time economy. As such it is not appropriate to include it in the red area in the upper part of the city. The new area is shown in the map at the beginning of this document.

The increase in violent crime is concerning. The council is already working with partners and businesses to establish if further work can be done to reduce these crime figures over the next 12 months. Part of this work is providing training on safeguarding, drugs, alcohol and vulnerability.

A review of a premises on Call Lane that had become associated with serious crime and serious disorder has led to the closure of that premises. Operators in this area are reporting that the area feels safer and it is hoped that this will be reflected in the crime statistics when they are reviewed at the end of 2020. In the meantime, West Yorkshire Police and the licensing authority will continue to work with and support businesses in that area to reduce alcohol related violent crime. Part of this work will be to concentrate on applications for activities during the peak hours in all the red areas.

Applications received for activities outside of peak hours will be encouraged especially those that include a daytime element or types of business that do not have alcohol consumption as their focus.

Additionally, the Licensing Authority is aware that there is a view that specifying areas as cumulative impact areas, and rigidly refusing all applications leads to stagnation in the area. However by concentrating on peak times, and by encouraging other types of business, it is hoped that the red areas can evolve and change with market forces and move beyond the high volume drinking establishments associated with alcohol related disorder and crime perpetrated on customers who are vulnerable due to excessive alcohol consumption.

The council and Leeds Business Improvement District have put in place a street marshalling scheme with Purple Ambassadors patrolling the red areas into the early hours of the weekend mornings. It was hoping that the impact of this scheme would be reflected in this year's figures. Further work is being undertaken to realign the scope of the Ambassadors.

The Licensing Committee will bear in mind that in the next 12 months there may be significant changes to the way late night levies can be introduced and if these figures do not significantly reduce over the next 12 months, may also consider the option of an early morning restriction order.
