22 Minutes - 12 June 24

Draft minutes to be approved at the meeting
to be held on Monday, 4th November, 2024

RESOLVED – That the minutes of the meeting held on 12 June 2024 be confirmed as a correct record.

23 Matters arising from the Minutes

There had been a query with the Borough of Pudsey Charity regarding Community Appointments. It was agreed that Governance Services would investigate further and report back to Members.

24 Outer West Community Committee - Finance Report

The report of the Head of Locality Partnerships provided the Community Committee with an update on the budget position for the Wellbeing Fund, Youth Activity Fund, Capital Budget as well as the Community Infrastructure Levy Budget for 2024/25.

The following was discussed:

- There was a current balance of £12,668.50 remaining in the Wellbeing Budget.
- Members agreed to return £6,000 to the Wellbeing Budget that had been previously ring fenced to Building Futures Together as funding had been secured from elsewhere.
- A request had been made to ringfence some funding for litter pickers. It was agreed that cost details for this be calculated and reported back to the next meeting.
- Funding application from Swinnow Community Centre for the Swinnow Community Café. £3,750.00 was requested and there was match funding of £10,000. Members were supportive of this application and it was agreed to fund this from the Capital Budget.
- Funding application from The Music Box Yorkshire CIC for Adult Music Engagement. £2,760 was requested and there was match funding of £2,100. Representatives of The Music Box were in attendance and in response to questions and comments regarding the application, the following was discussed:
 - The organisation had operated as a CIC for three and a half years. Accounts were available via Companies House and could be provided to the Committee.
 - Salaries were paid to the staff involved in the delivery of the project.
 - The funds would subsidise the overall costs of the services to be delivered.
 - The services could be provided to privately run care homes. The funding would be able to provide more entertainment and more choice for residents. There was some concern that this funding would replace what was already available and that it should only be used for additional services.

- The funding would be broken down to give £1,260 to the Adult Band Project for Adults and £1,500 for Musical Activities for Over 55s.
- With regard to the Adult Band Project for Adults it was reported that this was promoted within the community and at Community Events and currently had almost 200 participants.
- The Adult Band Project operated on a 'pay as you feel' basis.
- The organisation was constantly applying for funding from other sources.
- Further queries from the Committee included which care homes/providers would be targeted and further detail on the activities. It was suggested that the request should have been submitted as two separate applications. It was agreed to defer the application for the provision of further information and resubmission as separate applications.
- Funding application from Pudsey Greenside Greenway for Heritage Boards Greenside and Lowtown. This project had previously been approved in 2022 and following a delay the price had increased and a further £512.00 was requested. It was reported that the boards were already in place and that previous increases had been covered by MICE money. It was proposed that the application be refused.
- Youth Activities Funds – There was a remaining balance of £8,250.19.
- YAF funding application for the Music Box Youth Music from the Music Box Yorkshire CIC. £4,500 was requested for the delivery of two music based projects for young people in Pudsey and Swinnow. Representatives of the Music Box CIC gave the Committee an overview of the projects which involved up to 60 children each week and helped prevent anti-social behaviour. Members broadly supported the aims of the projects but there were concerns due to the limited funds available. Members discussed the possibility of finding other funding streams and the possibility of providing funds at a reduced rate. It was agreed to provide £1,500.00 to allow the first terms activities to go ahead.
- Remaining balance in the small grants and skips budget is £2,284.83. Members sought clarity on whether applications for skips could be submitted following some contrary advice that requests should not be submitted.
- There was £31,784.26 remaining in the Capital Budget
- Funding application from Calverley United FC for a machinery grant. £3,500 was requested and there was match funding of £1,585.34. Members were supportive of this application.
- A question was asked whether funds could be ringfenced in order to secure the Grade II listed Methodist chapel in Farnley that had fallen into disrepair. It was proposed to meet with interested parties and report back to the next meeting of the Community Committee.
- Final details of the Community Infrastructure Levy (CIL) Budget were still to be detailed.
- There was a CIL funding application from Pudsey Community Project for Pudsey Fartown Lower Hall Project. £34,000 was requested and there was £10,000 match funding. It was reported that a legal

agreement had not yet been agreed and it was proposed to defer the application.

RESOLVED – That the following be noted:

- a) Minimum conditions (Paragraph 14)
- b) Details of the Wellbeing Budget position.
- c) That the following large grant application be approved:
 - Swinnow Community Cafe - £3,750 (from Capital Budget)
- d) That the following large grant application be deferred:
 - Adult Music Engagement
- e) That the following large grant application be refused:
 - Heritage Boards Greenside and Lowtown
- f) Details of the Youth Activities Fund (YAF) position.
- g) That the following YAF application be approved:
 - The Music Box Youth Music - £1,500
- h) Details of the Capital Budget.
- i) That the following Capital Project be approved:
 - Calverley United Fc – Machinery Grant - £3,500
- j) That the following CIL application be deferred:
 - Pudsey Fartown Lower Hall Project

25 Outer West Community Committee - Update Report

The report of the Head of Locality Partnerships presented a report which provided an update of the work which the Communities Team is engaged in, based on priorities identified by the Community Committee. It also provided opportunities for questioning, or to request a more detailed report on a particular issue.

The report also provided regular updates on some of the key activities between Community Committee meetings and functions delegated to Community Committees, Community Champion roles, community engagement, partnership and locality working.

It was reported that Leedswatch would be attending the next meeting. Concern was expressed regarding the increase in burglaries in Calverley and Farsley and what preventative work could be carried out. It was also requested that a senior Police Officer attend as there were other nuisance and illegal activities to address.

Members expressed thanks to all that were involved in the Farnley Fun day and the Scarecrow Festival.

RESOLVED – That the report be noted.

Outer West Community Committee - Finance Report

Purpose of report

1. This report provides the Community Committee with an update on the budget position for the Wellbeing Fund, Youth Activity Fund, Capital Budget, as well as the Community Infrastructure Levy Budget for 2024/25.

Main issues

2. Each Community Committee has been allocated a wellbeing budget (revenue and capital) and Youth Activities Fund which it is responsible for administering. The aim of these budgets is to support the social, economic and environmental wellbeing of the area and provide a range of activities for children and young people, by using the funding to support projects that contribute towards the delivery of local priorities.
3. A group applying to the Wellbeing Fund must fulfil various eligibility criteria, including evidencing appropriate management arrangements and financial controls are in place; have relevant policies to comply with legislation and best practice e.g. safeguarding and equal opportunities and be unable to cover the costs of the project from other funds.
4. Wellbeing funding cannot be paid retrospectively. An application form must be submitted and approved by the Community Committee before activities or items being purchased through wellbeing funding are completed or purchased.
5. The amount of wellbeing funding provided to each committee is calculated using a formula agreed by Council, taking into consideration both population and deprivation of an area.

6. Capital (CRIS) injections are provided as a result of council assets being sold. 5% of the sale price (up to a maximum of £100k) of a council asset is pooled city-wide and redistributed to the Community Committee areas on the basis of deprivation. The Community Committee will receive a new capital injection every 6 months.
7. Each Community Committee has also been allocated a Community Infrastructure Levy budget. For each CIL contribution, Leeds City Council retains up to 70-80% centrally, 5% is needed for administration and 15-25% goes to be spent locally. The money will be vested with the local Town or Parish Council if applicable, or with the local Community Committee and spend decided upon by that body. This local money is known as the 'Neighbourhood Fund' and should be spent on similar projects to the Wellbeing Fund (capital) in the Outer West Community Committee this means that the money for Calverley & Farsley, Pudsey, and Farnley & Wortley will be administered by the Outer West Community Committee.
8. It was agreed at the Outer West Community Committee on the 22nd November 2017 that CIL monies for Calverley & Farsley, Pudsey, and Farnley & Wortley would be spent in the ward it was generated in.
9. Until the UK left the European Union, the EU's State Aid rules controlled how UK and discretionary EU funding was provided to enterprises and entities that engage in economic activities. Now the UK has left the EU, it is no longer bound by the State Aid rules and has developed its own domestic subsidy control regime, The Subsidy Control Act 2022. As the Subsidy Control Act 2022 has potential implications for the Community Committees as funding bodies, a 'subsidy control' assessment will be undertaken on all funding requests received by the Community Committees.
10. Projects eligible for funding by the Community Committee could be community events; environmental improvements; crime prevention initiatives, or opportunities for sport and healthy activities for all ages. In line with the Equality Act 2010, projects funded at public expense should provide services to citizens irrespective of their religion, gender reassignment, marital status, race, ethnic origin, age, sexual orientation or disability; the fund cannot be used to support an organisation's regular business running costs; it cannot fund projects promoting political or religious viewpoints to the exclusion of others; projects must represent good value for money and follow Leeds City Council Financial Regulations and the Council's Spending Money Wisely policy; applications should provide, where possible, three quotes for any works planned and demonstrate how the cost of the project is relative to the scale of beneficiaries; the fund cannot support projects which directly result in the business interests of any members of the organisation making a profit.
11. Any request for funding would involve discussions with appropriate ward members. Where projects do not have support from the Community Committee and are not approved, applicants are offered further discussions and feedback if this is requested.
12. In order to provide further assurance and transparency of all decisions made by the Community Committee, any projects that are not approved will be reported to a subsequent Community Committee meeting.

13. Sometimes urgent decisions may need to be made in between formal Community Committee meetings regarding the administration of Wellbeing and Youth Activity budgets, and also regarding the use of the Community Infrastructure Levy (CIL) Neighbourhood Fund which has been allocated to the Committee. Concurrently with the Committee, designated officers have delegated authority from the Director of Communities, Housing and Environment to take such decisions.
14. The Community Committee has previously approved the following 'minimum conditions' in order to reassure Members that all delegated decisions would be taken within an appropriate governance framework, with appropriate Member consultation and only when such conditions have been satisfied:
- a. consultation must be undertaken with all committee/relevant ward members prior to a delegated decision being taken;
 - b. a delegated decision must have support from a majority of the community committee elected members represented on the committee (or in the case of funds delegated by a community committee to individual wards, a majority of the ward councillors); and
 - c. details of any decisions taken under such delegated authority will be reported to the next available community committee meeting for members' information.
15. For the committee's awareness, urgent delegated decisions on wellbeing funding also covers small grant decisions. In agreement with the Executive Board Member for Communities, Community Committee Chairs & also in accordance with the communication that was sent out to all committees/Elected Members in March 2023, the approval threshold for small grants has now increased from the 1st April 2023; up to £1000 per ward. This approach will ensure consistency in terms of administering small grants, in accordance with the committees' minimum conditions.
16. Members are reminded that the necessary scrutiny of applications to satisfy our own processes, financial regulations and audit requires the deadline for receipt of completed applications to be at least five weeks prior to any Community Committee. Some applications will be approved via Delegated Decision Notice (DDN) following consultation with Members outside of the Community Committee meeting cycle.

Budget Position 2024/25

17. The Committee is asked to note that since the last Community Committee Meeting on 2nd Sept 2024, 1 project has been approved by DDN.
18. **Project Name:** Pudsey Community Project
Amount Awarded: £10,000
Project Summary: Funding will be used towards the installation of a through floor lift.

19. The Committee is asked to note that since the last Committee Meeting on 2nd September 2024 0 projects have been cancelled.

Wellbeing Budget 2024/25

20. The total Wellbeing allocation approved by Executive Board for 2024/25 is **£72,777.00**. **Table 1** shows an available carry forward figure of **£56,111.55** with a total of **£28,531.60** already allocated to projects. The total revenue funding available to the Community Committee for 2024/25 is therefore **£100,356.95**. A full breakdown of the projects approved or ring-fenced is available on request.

21. It is possible that some of the projects may not use their allocated spend. This could be for several reasons, including the project no longer going ahead, the project not taking place within the dates specified in the funding agreement, or failure to submit monitoring reports. Due to this the final revenue balance may be greater than the amount specified in Table 1.

22. The Community Committee is asked to note that so far, a total of **£82,668.55** has been allocated to Wellbeing ring-fences and projects.

23. Given the above, and following recent underspend from completed projects, the Community Committee is asked to note that there is currently a remaining balance of **£18,674.10** in the Wellbeing Fund. A full breakdown of the Wellbeing projects is listed in **Table 1** below.

33. Since the last Community Committee Meeting on 2nd September 2024 there is 0 outstanding YAF application from the 2024/25 YAF budget to consider:

Monitoring Information

34. As part of their funding agreements, all projects which have had funding approved by the Community Committee are required to provide update reports on the progress of their project. These reports are so that the Community Committee can measure the impact the project has had on the community and the value for money achieved.

35. Detailed below is project monitoring that the Communities Team has received since the last meeting of the Community Committee in June 2024:

36. **Project name:** Leeds Rhinos Multi Sports Camp

Funding: Youth Activity Fund

Monitoring summary: The project delivered activities across 3 camps in Outer West wards from invasion games such as football, netball and rugby to hitting and striking games like cricket and rounders. The camp also included elements of dance and other games that focused on teamwork and co-operation.

Outer West Community Committee - Update Report

Purpose of report

1. To bring to members' attention an update of the work which the Communities Team is engaged in, based on priorities identified by the Community Committee. It also provides opportunities for further questioning, or to request a more detailed report on a particular issue.
2. This report provides regular updates on some of the key activities between Community Committee meetings and functions delegated to Community Committees, Community Champions roles, community engagement, partnership and locality working.

Main issues

Health and Wellbeing & Adult Social Care – Update from Jon Hindley (Public Health)

1. There is a new public accessible health and well being tool that anyone can use should you wish to know more about your area. It based on GP recorded statistics and covers amongst other data sets the following.
 - Population and Demographics of your area
 - Child Obesity
 - Health Conditions
 - Hospital Admissions
 - Mortality
 - Life expectancy
2. Below is an example of a easily accessible table created from the data looking at simple ward comparisons.

Housing Team – Update from Andrew Sheader (Housing Manager – Farnley & Wortley)

4. There was an Action Day recently with the Police at Heights East and West where the teams encouraged people to report recent drug dealing. This seems to have calmed down but housing will ensure regularly monitored.
5. Heights East & West and Gambles are causing issues, although this has been resolved at Gamble Hill Croft . Housing is looking to repaint and put bollards in to restrict access. The abandoned van in the Heights West is close to being resolved.
6. The Farrow Garages have recently been broken into and refuse was left. These are due to be demolished and add parking bays if needed
7. Reglazing works to be carried out at the blocks where windows are currently boarded up.
8. The cleaning team have gone into Heights West and East to sweep away pigeon droppings from communal landings. Advise has been provided to residents to deter Pigeons from the these areas.

Housing Team – Update from Steph Oliver (Housing Manager Pudsey, Calverley& Farsley)

9. The teams will look out for potential bonfires and report to CNT.
10. Housing officers have identified sites/areas that would benefit from being put on contract to have grass cut or to be cleared and are in conversation with Parks and CEL to check suitability.

Cleaner Neighbourhood Team – Sharron Almond

11. The crew are having to deal with tonnes of fly tipping everyday on the Bawns and the butterbowls.
12. There are ongoing issues with refuse collection particularly in Farnley which the team are having to go out and clear up. This has been raised with with members and the refuse team.
13. The team receive referrals from Fire services and housing around any potential bonfires to remove and will link in with the Police due to aggressive confrontation in previous years.
14. There is currently recruitment for x2 chargehands for the outer west area.

<https://www.facebook.com/LCCOuterWest>

The Facebook page for the Outer West Community Committee has continued to provide support, information, and access to multiple services. With regular updates, the number of followers and interactions has been reflected in the interaction of the local community. Since 20th May the Outer West Community Committee Facebook page has:

- Further increased the total number of page followers to **1,505**
- Held a position as the **4th** most popular Community Committee Facebook page across Leeds

Definitions:

- **'reach'** is the number of people the post was delivered to
- **'engagement'** is the number of reactions, comments, or shares

Engagement tends to be a better way of gauging if people are interested and have read the posts because they wouldn't have interacted with it otherwise. For example, a post might reach 1,000 people but if they all scroll past and don't read it, the engagement is 0 and it hasn't been an effective way for the Community Committee to communicate.

Having said that, many posts can be read without any further interaction!

Are you part of a community group and concerned about speeding on local roads? You can borrow our free Speed Indicator Device (S.I.D.) to monitor and raise awareness of traffic speeds in your area. It's easy to set up and use, displaying drivers' speeds with a smiley face when they stay within the limit, or a slow down message if they're speeding. While it's not used for enforcement, our S.I.D. helps encourage safer driving and improve road safety. Help support Vision Zero, t... [See more](#)
