17 LEEDS LOCAL DEVELOPMENT FRAMEWORK CORE STRATEGY - "PREFERRED APPROACH"

With reference to the Development Plan Panel meetings of 10th June and 2nd
September 2009 when Members received reports in respect of the Leeds Local
Development Framework Core Strategy (Issues & Alternative Options), Report of
Consultation and Next Steps. Following consideration of these reports, technical
work continued to develop the approach of the Core Strategy, as a basis for a further
period of informal public consultation in Autumn 2009. The Director of City
Development now submitted a report requesting Panel Members to consider the
scope and content of the “Preferred Approach, as set out in Appendix 1 of the
submitted report, as a basis for further public consultation in the autumn of 2009.

A draft timetable for consultation was circulated at the meeting for Members
information

In considering the report the following key issues were discussed and commented
upon:

- Green Infrastructure and Natural Environment
- Sustainable Communities
- Managing the needs of a Growing City
- Managing Environmental Resources
- A well connected City

RESOLVED – That the draft “Preferred Approach” for public consultation, as amended be approved
