5 Changes to the Council's Constitution in relation to Scrutiny

The report of the Head of Scrutiny and Member Development referred to recent amendments to the Council's Constitution as agreed by Council, which directly related to and/or impacted on the work of Scrutiny Boards.

The following main issues were highlighted:

- The need to investigate 'value for money' in any scrutiny reviews
- The reduction to 6 Scrutiny Boards – Scrutiny Board (City and Regional Partnerships) had ceased
- Substitute Members were now permitted for all Scrutiny Board meetings provided that the substitute was already a Scrutiny Board Member

Concern was expressed due to the cessation of the Scrutiny Board (City & Regional Partnerships) particularly as it was felt that there were cross boundary issues in relation to the provision of adult social care. It was reported that there was a regional network of Lead Members for Adult Social Services and networking also took place with other Local Authorities and the Centre for Public Scrutiny.

RESOLVED – That the report be noted.
