15	White Paper Motion (in the name of Councillor A Carter) - Core Strategy Housing Numbers	439 - 440
----	--	-----------

This Council, while supporting the principle of speedily adopting the Core Strategy, believes that the housing numbers for Leeds up to the year 2028 are too high.

This Council calls for a clear and transparent mechanism through which these numbers can be revised downwards and for the first review of these numbers to take place by no later than the autumn of 2015.

Furthermore this Council is concerned that in ‘most wards’ there is a reduction in Greenbelt land as a result of the Labour Administration’s Core Strategy.

16	White Paper Motion (in the name of Councillor Sobel) - Review of Resources for Public Services and Investment in Infrastructure	441 - 442
----	--	-----------

This Council notes with concern the enormous North-South divide in this country.

Council further notes with concern that the burden of austerity measures has fallen mainly on the North.

Council therefore calls on the next Government to carry out a fundamental review of the allocation of resources for public services and the allocation of investment in infrastructure in order to promote economic growth and prosperity in the North.

This Council believes that the value of voluntary youth work should be taken into account during the Community Centre Review. Therefore it asks Executive Board to instruct officers to find out how much voluntary youth work takes place at each of the affected centres, how many young people benefit by it, and how much it would cost if that work had to be provided professionally by City Council Youth Services.
