Third Party Recording

Recording of this meeting is allowed to enable those not present to see or hear the proceedings either as they take place (or later) and to enable the reporting of those proceedings. A copy of the recording protocol is available from the contacts named on the front of this agenda.

Use of Recordings by Third Parties– code of practice

- a) Any published recording should be accompanied by a statement of when and where the recording was made, the context of the discussion that took place, and a clear identification of the main speakers and their role or title.
- b) Those making recordings must not edit the recording in a way that could lead to misinterpretation or misrepresentation of the proceedings or comments made by attendees. In particular there should be no internal editing of published extracts; recordings may start at any point and end at any point but the material between those points must be complete.

CONFIDENTIAL AND EXEMPT ITEMS

The reason for confidentiality or exemption is stated on the agenda and on each of the reports in terms of Access to Information Procedure Rules 9.2 or 10.4(1) to (7). The number or numbers stated in the agenda and reports correspond to the reasons for exemption / confidentiality below:

9.0 Confidential information – requirement to exclude public access

9.1 The public must be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed. Likewise, public access to reports, background papers, and minutes will also be excluded.

9.2 Confidential information means

- (a) information given to the Council by a Government Department on terms which forbid its public disclosure or
- (b) information the disclosure of which to the public is prohibited by or under another Act or by Court Order. Generally personal information which identifies an individual, must not be disclosed under the data protection and human rights rules.

10.0 Exempt information – discretion to exclude public access

10.1 The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed provided:

- (a) the meeting resolves so to exclude the public, and that resolution identifies the proceedings or part of the proceedings to which it applies, and
- (b) that resolution states by reference to the descriptions in Schedule 12A to the Local Government Act 1972 (paragraph 10.4 below) the description of the exempt information giving rise to the exclusion of the public.
- (c) that resolution states, by reference to reasons given in a relevant report or otherwise, in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

10.2 In these circumstances, public access to reports, background papers and minutes will also be excluded.

10.3 Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

10.4 Exempt information means information falling within the following categories (subject to any condition):

- 1 Information relating to any individual
- 2 Information which is likely to reveal the identity of an individual.
- 3 Information relating to the financial or business affairs of any particular person (including the authority holding that information).
