Summary of main issues

This is an application for the grant of a premises licence, made by Palagander Limited, for Hotel Unit 2, 7 Duncan Street, Leeds, LS1 6DQ.

Responsible authorities and Ward Members have been notified of this application.

The application has attracted representations from responsible authorities.

The premises are located within an area covered by a cumulative impact policy.

1 Purpose of this report

- 1.1 To advise Members of an application made under section 17 of the Licensing Act 2003 ("the Act") for a new premises licence in respect of the above mentioned premises.
- 1.2 Members are required to consider this application due to the receipt of representations.

2 History of the premises

- 2.1 This is the first application for a premises licence for these premises.

3 The application

- 3.1 The applicant's name is Palagander Limited
- 3.2 The proposed designated premises supervisor is Alexander William Neil
- 3.3 In summary the application is for:

Record Music and Supply of Alcohol

Every Day 10:00 until 02:00

Late Night Refreshment

Every Day 23:00 until 02:00

Non standard timings

No non-standard timings for bank holidays or special occasions are proposed.

4 The operating schedule

- 4.1 The applicant proposes to promote the licensing objectives by taking the steps identified in the operating schedule which is attached at Appendix A.

5 Location

- 5.1 A map which identifies the location of this premises is attached at Appendix B.

6 Representations

- 6.1 Under the Act representations can be received from responsible authorities or other persons. Representations must be relevant and, in the case of another person, must not be frivolous or vexatious.

Representations from Responsible Authorities

- 6.2 Representations have been received from West Yorkshire Police and Entertainment Licensing in their capacity as responsible authorities. Both representations remain as matters for Members consideration. Copies of the representations may be found at Appendix C.

Other representations

- 6.3 There are no other representations.

7 Cumulative Impact Policy

- 7.1 The premises are located within the cumulative impact area for City Centre - Red Zone.
- 7.2 Cumulative impact means the potential impact on the promotion of the licensing objectives due to the significant number of licensed premises concentrated in one area.
- 7.3 An applicant wishing to obtain a new licence for premises falling within any of the cumulative impact areas must identify, through the risk assessment process and/or the operating schedule, the steps they intend to take so that the council and responsible authorities can be satisfied that granting a new licence would not add to the impact already being experienced.
- 7.4 Details of the cumulative impact policy specific to City Centre - Red Zone and an outline of the evidence behind the reason for setting this policy is attached at Appendix D.
- 7.5 Members are directed to paragraphs 7.51 to 7.54 of the Statement of Licensing Policy which provides examples of how an application may be considered exceptional and the matters that the council would not normally take into consideration.

8 Licensing hours

- 8.1 Members are directed to paragraphs 6.8 to 6.15 of the Statement of Licensing Policy which states the criteria that will be applied to any decision for new applications or variations which include extending hours.
- 8.2 In brief the Policy states at 6.14 that restrictions may be made to the proposed hours of use where, after receiving relevant representations, the council considers it appropriate for the promotion of the licensing objectives to do so.
- 8.3 The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not adversely impact on the licensing objectives.
- 8.4 A list of premises in the local area and their licensed hours and activities is provided at Appendix E.

9 Equality and diversity implications

9.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the Licensing Sub Committee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

10 Options available to Members

10.1 The Licensing Sub Committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Refuse to specify the said person as the designated premises supervisor.
- Reject the whole or part of the application.

10.2 Members of the Licensing Sub Committee are asked to note that they may not reject the whole or part of the application merely because they consider it desirable to do so. It must be appropriate in order to promote the licensing objectives.

11 Background papers

- Guidance issued under s182 Licensing Act 2003
- Leeds City Council Statement of Licensing Policy

Appendix A

M Describe the steps you intend to take to promote the four licensing objectives

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

The premises are a boutique hotel with a bar/restaurant. It is not anticipated that the customer base for premium priced premises will affect the licensing objectives

b) The prevention of crime and disorder

- 1 A suitable Closed Circuit Television (CCTV) system will be operational at the premises at all times when licensable activities are being carried out and at any other times where members of the public are present on the premises
- 2 The CCTV system will have sufficient storage retention capacity for a minimum of 31 days' continuous footage which will be of good quality
- 3 The CCTV system will be capable of securing relevant pictures for review or export at a later date
- 4 The CCTV system will be adequately maintained and be capable of transporting recorded material onto a removable media
- 5 The CCTV system replay software must allow an authorised officer of the Licensing Authority or Responsible Authority to search the picture footage effectively and see all the information contained in the picture footage
- 6 The Supervisors Register will state the name of the person who is in overall charge of the premises at each time that licensed activities are carried out, and this information will be retained for a period of twelve months and produced for inspection on request to an authorised officer
- 7 The minimum number of door supervisors for the premises is 1 from 22 00 until the premises close on Fridays and Saturdays
- 8 The PLH/DPS will ensure that an Incident Report Register is maintained on the premises to record incidents such as anti social behaviour, admissions refusals and ejections from the premises
- 9 The Incident Report Register will contain consecutively numbered pages, the date time and location of the incident, details of the nature of the incident, the names and registration numbers of any door staff involved or to whom the incident was reported, the names and personal licence numbers (if any) of any other staff involved or to whom the incident was reported, the names and numbers of any police officers attending, the police incident and / or crime number, names and addresses of any witnesses and confirmation of whether there is CCTV footage of the incident
- 10 A suitable purpose-made receptacle for the safe retention of illegal substances will be provided and arrangements made for the safe disposal of its contents as agreed with West Yorkshire Police or British Transport Police
- 11 There will be a communication link via radio to other venues in the city centre. This will be the system recognised by the current Business Crime Reduction Partnership for the city, Leeds City Council and West Yorkshire Police
- 12 Such communication link will be kept in working order at all times when licensable activities are taking

place

- 13 The communication link will be available to the Designated Premises Supervisor or other nominated supervisor and be monitored by that person at all times that licensed activities are being carried out
- 14 All incidents of crime or disorder will be reported via the link to an agreed police contact point
- 15 The PLH/DPS staff will ask proof of age from any person appearing to be under the age of 25 who attempts to purchase alcohol at the premises
- 16 The PLH/DPS staff will ask for acceptable evidence (as agreed by WYP / WYTSS) from any person appearing to be under the age of 25 who attempts to purchase alcohol at the premises
- 17 Drinks, open bottles and glasses will not be taken from the premises at any time Empty bottles and glasses will be collected regularly and promptly Glass and other sharp objects will be stored and disposed of safely using suitable receptacles Receptacles will be secured and not accessible to the customers
- 18 The PLH/DPS will belong to a recognised trade body or Pub Watch Scheme where one exists, whose aims include the promotion of the licensing objectives
- 19 An agreed number of covers will be maintained at all times the premises are operating The number of covers will be 28
- 20 Waiter/waitress service will be in operation throughout the premises in relation to orders for food and/or alcohol
- 21 The licensed bar/restaurant will be available only to people staying in the hotel rooms and their bona fide guests between the hours of midnight and 02 00am
- 22 Food will be on offer at all times the premises are selling alcohol

c) Public safety

- 23 Written records of all accidents and safety incidents involving members of the public will be kept These will be made available at the request of an authorised officer
- 24 Electrical installations will be inspected on a periodic basis (at least every 3 years or at a frequency specified in writing) by a suitably qualified and competent person Inspection records/ certificates will be kept and made available at the request of an authorised officer If used, any temporary electrical wiring and distributions will also be inspected Inspection records/certificates will be kept These will be made available at the request of an authorised officer
- 25 Regular safety checks of guarding to stairs, balconies, landings and ramps will be undertaken, and a supervision policy will be maintained to prevent people from inappropriate behaviour including climbing which may lead to a fall from height
- 26 A written spillage policy will be kept to ensure spillages are dealt with in a timely and safe manner,
- 27 The premises have a current Fire Risk Assessment

d) The prevention of public nuisance

28 Licensable activities will be conducted and the facilities for licensed activities will be designed and operated so as to prevent the transmission of audible noise or perceptible vibration through the fabric of the building or structure to adjoining properties

29 Bottles will not be placed in any external receptacle after 23 00 hours and 07 00 hours to minimise noise disturbance to neighbouring properties

30 Noise from plant or machinery will be inaudible at the nearest noise sensitive premises during the operation of the plant or machinery Plant and machinery will be regularly serviced and maintained to meet this level

e) The protection of children from harm

Checklist

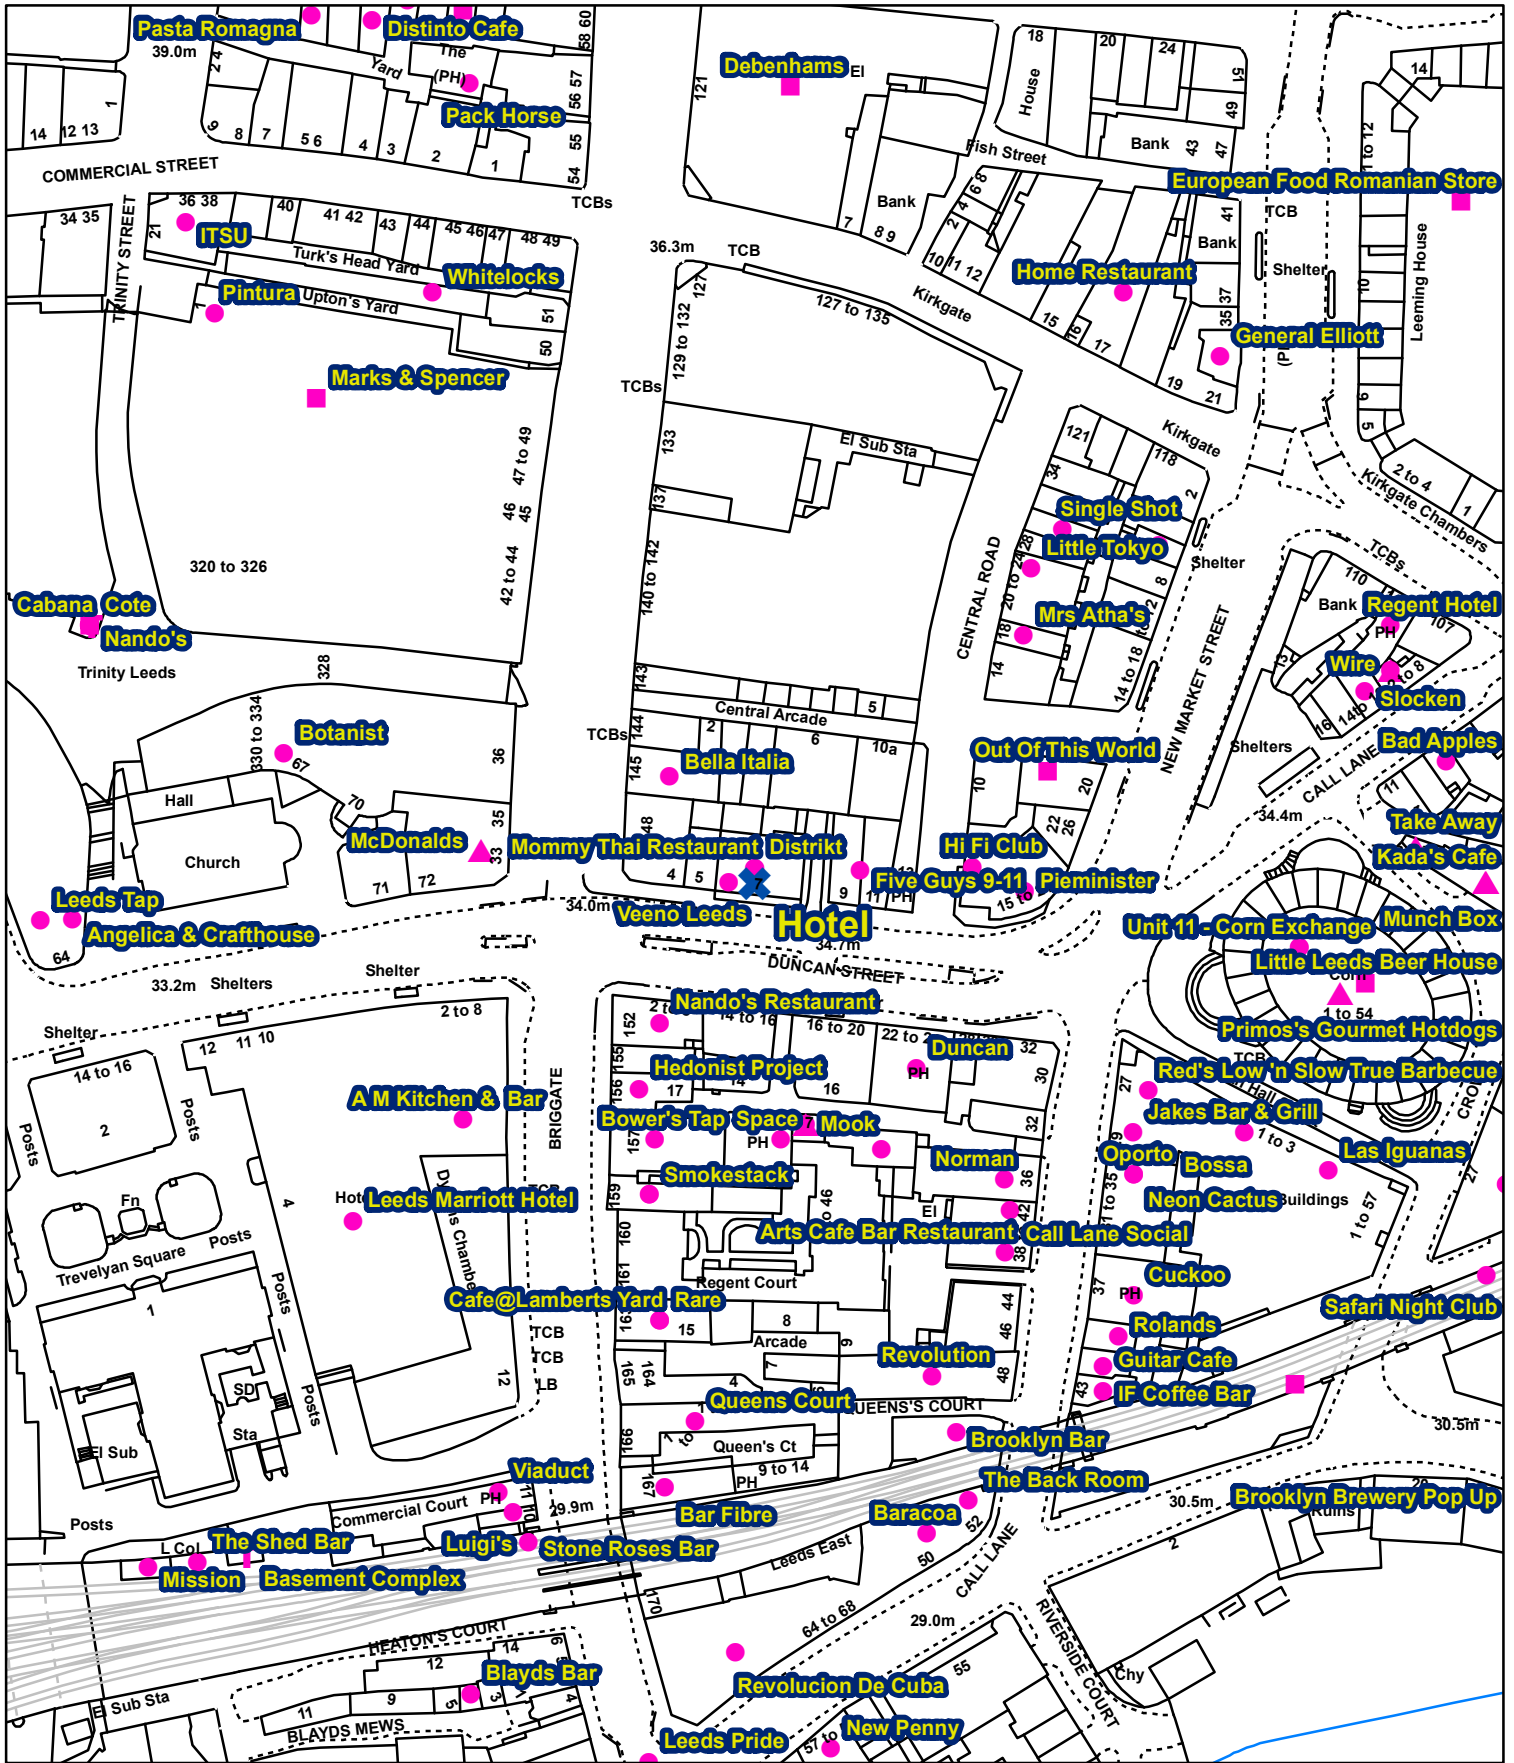

Please tick to indicate agreement

- I have made or enclosed payment of the fee
- I have enclosed the plan of the premises
- I have sent copies of this application and the plan to responsible authorities and others where applicable
- I have enclosed the consent form completed by the individual I wish to be designated premises supervisor, if applicable
- I understand that I must now advertise my application
- I understand that if I do not comply with the above requirements my application will be rejected
- [Applicable to all individual applicants, including those in a partnership which is not a limited liability partnership, but not companies or limited liability partnerships] I have included documents demonstrating my entitlement to work in the United Kingdom (please read note 15)

IT IS AN OFFENCE, UNDER SECTION 158 OF THE LICENSING ACT 2003, TO MAKE A FALSE STATEMENT IN OR IN CONNECTION WITH THIS APPLICATION THOSE WHO MAKE A FALSE STATEMENT MAY BE LIABLE ON SUMMARY CONVICTION TO A FINE OF ANY AMOUNT

APPLICATION TO VARY A PREMISES LICENCE – LICENSING ACT 2003
POLICE – LETTER OF REPRESENTATION – CUMULATIVE IMPACT POLICY

Thank you for submitting your application for the above premises

The application relates to premises which fall within one of the areas of Leeds currently subject to a policy of cumulative impact, as detailed in the present Statement of Licensing Policy 2014-2018 issued by Leeds City Council as the licensing authority

The area concerned in this particular case is **Area 1 Leeds City Centre**

Therefore, in line with the current statutory guidance issued by the Secretary of State under Section 182 Licensing Act 2003 West Yorkshire Police make representations based on the cumulative impact policy of the area concerned and highlighted above, where the licensing objectives and particularly the prevention of crime and disorder and prevention of public nuisance objectives are being adversely affected

NOT PROTECTIVELY MARKED

NOT PROTECTIVELY MARKED

The proposed premises are located in the current red zone in the cumulative impact area. The Council's policy states

7.21 *"The council will seek to refuse all applications in these red areas on the basis that the impact on the licensing objectives are at such a level that the area cannot support any more premises opening or extending their hours no matter how impressive the concept or application is. The council will only grant applications in the red zone in exceptional cases", and*

7.25 *"It is the council's policy, on receipt of relevant representations, to*

- *Refuse new and variation applications in the red area*
- *To seek additional measures for new and variation applications in the amber area*
- *To seek good quality applications for applications in the green area*

7.26 *"This applies to alcohol led premises such as bars, pubs, and nightclubs, and for premises seeking late night refreshment such as takeaways and late opening restaurants"*

The location of these proposed premises is in very close proximity to a multitude of other licensed premises in this area such as Mook, Space, Revolution, Cuckoo, Brooklyn Bar, Call Lane Social, Norman Bar, Rolands, Neon Cactus, Oporto, Jakes Bar, McDonalds, Distrikt, Smokestack, Hedonist, Bowers Tap, Bar Fibre, Queens Court, Mission, Viaduct, and Stone Roses Bar. It is an alcohol related violent crime hotspot for robbery, assault and theft. The peak time for crime in this area of the city is between 23:00hrs and 04:00hrs, with the peak days being Saturday and Sunday, followed by Thursday and Friday. The hours and days applied for therefore fall in to these peak times.

The analysis of crime data provided to Leeds City Council upon which the current Cumulative Impact Policy is based shows that the Briggate/Call Lane area has experienced a 15% rise in reported crime since the last review of crime statistics just over a year ago. That's on top of the previous 12 month period which showed a 17% rise. The highest concentration of offences in the city remains in this area and the statistics illustrate an area which is deteriorating not improving.

The saturation of licensed premises in this area is such that determining which venues may bear some responsibility for the issues is practically impossible, and means that they cannot be dealt with by way of review or enforcement meetings. A strong Cumulative Impact Policy is therefore imperative to prevent already existing venues extending their licensable hours, and to prevent further premises licences being granted in that area which would add to the considerable impact already being felt.

The application is for a boutique hotel with a bar/restaurant facility on the ground floor. The bar is to be open to members of the public for the supply of alcohol from 10:00hrs until midnight, with residents and their bona fide guests being allowed to buy alcohol from midnight until 02:00hrs (offered as a condition). That would be a maximum of 12 people (6 double rooms) staying in the hotel, with as many friends as they wished to invite to carry on drinking alcohol – this could quite easily result in the bar remaining full until 02:00hrs every night which would most definitely impact on this high volume alcohol related crime area.

The Council's policy is to only grant applications where they are seen to be exceptional, and it is for the applicant to demonstrate to the Licensing Sub-Committee that the application would not impact on the cumulative effect of such licensed premises in the area. I would suggest that the measure offered to 'restrict' alcohol sales from midnight until 02:00 to residents and their bona fide guests is open to all kinds of abuses. An exceptional measure which might be offered would be more along the lines that from 23:00hrs the bar would be shut and any alcohol sales would be made by way of room service only. As it

NOT PROTECTIVELY MARKED

NOT PROTECTIVELY MARKED

is this is an application for another bar in Area 1 of the Cumulative Impact Zone which happens to be connected to the proposed hotel

Therefore, in terms of location (RED ZONE) and in terms of applying for the sale of alcohol, late night refreshment and recorded music terminating at 02 00hrs every day, West Yorkshire Police consider that this application implicates the current policy of cumulative impact for Leeds City Centre in the red area, and would rely on the relevant paragraphs of the current Section 182 guidance in making this representation

Private & Confidential

3 September 2018

Dear 

Hotel, Unit 2, 7 Duncan Street, Leeds LS1 6DQ
Application for a grant of a premises licence
Licensing Act 2003
Licensing Authority Letter of Representation

Thank you for submitting your application for the above premises on behalf of Palagander Limited, Rolands, 39 Call Lane, Leeds, LS1 7BT.

The area in which the subject premises is located is within a cumulative impact area. It is the council's policy, on receipt of relevant representations, to refuse new and variation applications in this area for alcohol led premises such as bars, pubs and nightclubs and for premises seeking late night refreshment such as takeaways and late opening restaurants, unless the applicant can demonstrate that their application would not impact on the cumulative effect of such licensed premises in the area.

Specifically your application falls within the red area of the City Centre CIP. As stated at 7.20 of the Statement of Licensing Policy 2014 to 2018 the council will seek to refuse all applications in these red areas on the basis that the impact on the licensing objectives are at such a level that the area cannot support any more premises opening or extending their operation no matter how impressive the concept or application is.

I refer you to 7.67 to 7.70 of the Policy which describes how, when considering the presumption against grant in a CIP area, the council will need to be satisfied that the grant of this variation will not impact on the cumulative impact of existing licensed premises in the area. It will be for you to advise the council how your application would allow Members to make an exception to the policy.

INVESTOR IN PEOPLE

Website: www.leeds.gov.uk
Switchboard: 0113 222 4444

I also refer you to 7.69 of the Policy which describes examples of factors the licensing authority will not consider as meeting the standard of rebuttal include:

- That the premises will be well managed and run as all licensed premises should meet this standard.
- That the premises will be constructed to a high standard.
- That the applicant operates similar premises elsewhere, such as in another licensing authority area, without complaint.

I note that the application is for a new licence to serve alcohol between the hours of 10am and 2am with late night refreshment for 11pm to 2am every day of the week.

Looking at the plans, the premises will provide six suites over three floors, each accommodating up to two people bringing the total number of residents to 12. You provide seating in the bar/restaurant area for 28 people.

You state within Section M of the application that you will employ one door supervisor after 10pm and that the bar will serve only residents and their bona fide guests between midnight and 2am. You have offered the condition that food will be available at all times alcohol is served.

The peak times for crime and disorder in this red zone of the city cumulative impact area is between 11pm and 4am. Although you have offered food to be available this does not make this a food led business, and you have not offered to make alcohol ancillary to food. Therefore it is apparent that you want to operate this space as a bar. We do not believe that the condition restricting alcohol sales to residents and their guests after midnight will be easy to enforce in this area.

We welcome the application for a hotel, especially one offering boutique accommodation, but are concerned that the bar will become another new bar opening in an area already suffering severely from the cumulative impact of licensed premises. The layout of the rooms each provides a seating/lounge area and we would suggest this would lend itself to room service provision after 11pm for your residents and their bona fide guests offering the same, or an enhanced offering without the risk of adding to the severe problems being experienced in the area.

Bearing in mind the severity of the problems being experienced in the area with this area suffering from the highest levels of violent crime and disorder incidences in the city centre, and experiencing a further increase in crime in 2017, the Licensing Authority is of the opinion that your application contains insufficient information about how your application would not add to the impact already being experienced in the area. Therefore the licensing authority submits a formal representation against your application on the grounds of prevention of crime and disorder.

Should you have any questions, please contact us.

Yours faithfully

Susan Holden
Principal Licensing Officer
Entertainment Licensing

Area 1 relates to the city centre. West Yorkshire Police has shared information and statistics that show that the nature of the city centre is such that the cumulative impact of licensed premises leads to problems that aren't experienced in other parts of the city and this can be attributed to the density of licensed premises in specific areas. The number and close proximity of venues on a street can result in difficulties in identifying individual premises as causing problems and so action planning and reviewing individual licences is not possible.

The closure or opening of businesses can have a dramatic effect on reported crime and incidents in an area. While problems at individual premises are dealt with using action planning and the review process, there are areas in Leeds city centre which become saturated as new businesses open or existing businesses change their style of operation.

In addition the council recognises that a previous problem area can be improved by the introduction of new styles of business types, such as food led premises like restaurants and seeks to encourage this.

The dynamic nature of the city centre has created difficulties in setting a policy that will be relevant for five years until the next formal review of the Licensing Policy. Therefore the council has adopted an approach of designating areas within the city centre CIP as 'red' or 'amber' based upon an analysis of crime and disorder in the night time economy and will review these areas on an annual basis.

Areas that are considered highly saturated and that are experiencing particularly high levels of crime, disorder and/or nuisance will be designated as red areas. The policy states that the council will seek to refuse all applications in these **red areas** on the basis that the impact on the licensing objectives is at such a level that the area cannot support any more premises opening or extending their operation and that the council will only grant applications in the red zone in exceptional cases. Exceptional does not mean that an application is innovative or novel, but that it allows Members to make an exception to their policy. Those exceptional cases would be where the premises can demonstrate that they will not impact on the issues already being experienced in the area, i.e. by containing their operation within the hours of the daytime and early evening economy.

Any variation that will effectively increase the occupancy of premises will be viewed in a similar light to a new application as it may increase the available capacity in the same way a new premises in that area would, which in the red area would be unacceptable. Similarly new businesses seeking to introduce a new concept, and so attract different people into the area, may be acceptable in the amber area but in the red area the problems are exacerbated by the sheer number of people on the street during the peak hours and introducing a new or extended business, even with a different concept, would add to the impact rather than reduce it.

Management controls such as door staff will not be adequately effective in preventing an increase in the number of people within the red zone.

The **amber area** is an area which is of concern, based upon an analysis of issues within the night time economy that are relevant to the licensing objectives, and the council will expect applicants to offer additional measures tailored to the problems in that area. Applicants are strongly advised to consult with West Yorkshire Police and the licensing authority during their application process. By working together, the responsible authorities and businesses can establish working practices that reduce crime and disorder and so benefit the long term aims of the city to be a vibrant, thriving economy.

All other areas within the city centre CIP will be designated **green areas** where good quality applications will be generally be more acceptable even though the area is a CIP area.

It is the council's policy, on receipt of relevant representations, to

- refuse new and variation applications in the red area
- to seek additional measures for new and variation applications in the amber area
- to seek good quality applications for application in the green area

This applies to alcohol led premises such as bars, pubs and nightclubs, and for premises seeking late night refreshment such as takeaways and late opening restaurants.

Extra scrutiny is given to applications which appear to adopt a number of different styles during their trading. For example businesses that purport to be food led but seek late opening hours may be judged to be predominantly alcohol led due to their late night activities. It is for the applicant to demonstrate how their business will not impact on the licensing objectives.

Changes in the last year

There are two distinct areas in the city where extra police resources are deployed on a regular basis. These areas are the Call Lane area and the Albion Street/ Woodhouse Lane area. Premises in those areas have deployed street marshals at their own expense in the past as it has been recognised that incidents on the street require extra attention and that early intervention can prevent an escalation in the severity of incidents on the street. However in recent years this scheme has fallen away and the violent crime rate has increased.

As police resources are reducing each year, priorities have been realigned. There has been a small reduction in the number of arrests for drunk and disorderly again this year but an increase in assault. The increase in assaults could be due to early intervention methods being cut back, such as the street marshalling scheme and intervention at an early level (i.e. arresting people for being drunk and disorderly), and so the low level offences are escalating to the more serious assault charge.

The issues with disorder in the street on Call Lane has led to a road closure between 11pm and 5am on the Friday, Saturday and Sunday night which took effect in October 2015. The sheer numbers of people, often intoxicated, in the street during these hours highlights the need for the overall capacity of the red area to decrease, not increase. Further work is ongoing with the operators in Hirsts Yard to reduce criminality in this area.

The Council continues to receive applications within the areas designated as red. There has been a trend for existing operators to apply for minor and full variations to bring into use areas which were unlicensed previously. In all cases the premises licence holder has undertaken to keep their capacity the same. However this trend for increasing the licensed area is concerning as the ability to control capacity is difficult. Any application seeking an increase in floor space, even without an increase in stated capacity, can expect close scrutiny.

Police Crime Reporting

West Yorkshire Police has produced a crime report "*Leeds City Centre: Night Time Economy Related Crime*" dated September 2017 which has been referred to when reviewing the red and amber zones for 2017. This report is referred to as the Police report in this document. It uses reported crime figures from 01/09/2015 – 31/08/2017. The police report only compares statistics from the last two years, as the statistics are not comparable going further back than that due to the changes in the way in which crime is recorded. The following data tables and key findings (signified by bullet points) have been extracted from the police report.

City Centre

Occurrence Type	01/09/2015 - 31/08/2016	01/09/2016 - 31/08/2017	Change +/-	% Change
Affray	38	52	14	37%
Assault	1300	1524	224	17%
Drunk And Disorderly	255	267	12	5%
Public Order	291	389	98	34%
Robbery	95	146	51	54%

Figure 5 shows the offences during the NTE (18:00 – 05:59) between 01/09/2015 – 31/08/2017

The tables clearly show that there has been an increase in crime across the city centre. The police report conclusions state:

- An analysis of the examined offences shows overall offending in the City Centre has increased by 15% compared with the previous examined period.
- During 01/09/2016 and 31/08/2017, Assaults and Theft from Person offences have seen the highest increases in terms of volume compared with the previous year. Robbery offences have experienced the greatest percentage change. All examined offences experienced an increase in volume.
- As seen in previous reporting, Assaults and Theft (Non Specific) have the highest number of offences with a licensed premises flag and experienced the greatest increases during the period.
- Assaults continue to be the highest alcohol related crime, followed by Drunk and Disorderly offences. While Drunk and Disorderly offences saw a decrease, Public Order offences increased.
- Theft and Assault offences are the top offence categories for both the day time economy and night time economy.
- In both the examined periods there are more reports of 'off street' offences than 'on street'. The number of assaults occurring 'off street' are fairly similar in both years. There are more assaults reported to occur 'on street'.

Street Level Data

The tables below relate to Leeds City Centre night time economy offending only (18:00 to 05:59) and show the top ten streets and the top ten streets of increasing concern for the night time economy offending. The table shows the percentage of the street compared with the city centre total as shown in Figure 5.

Top 10 Street Names	2015 - 2016	% of City 2015-2016	2016 - 2017	% of City 2016 -2017	Change +/-
BRIGGATE	572	18.3%	631	18%	59
CALL LANE	531	17%	565	16.8%	34
ALBION STREET	263	8.4%	294	8.7%	31
WOODHOUSE LANE	213	6.8%	248	7.3%	35
BOAR LANE	140	4.5%	178	5.2%	38
COOKRIDGE STREET	99	3.2%	116	3.4%	17
THE HEADROW	88	2.8%	109	3.2%	21
MERRION STREET	113	3.6%	98	2.9%	-15
GREAT GEORGE ST	76	2.7%	95	2.8%	19
HEATONS COURT	72	2.3%	79	2.3%	7

Top 10 Street Names Of Increasing Concern	2015 - 2016	% of City 2015-2016	2016 - 2017	% of City 2016-2017	Change +/-
BRIGGATE	572	18.3%	631	18%	59
CALL LANE	531	17%	565	16.8%	34
ALBION STREET	263	8.4%	294	8.7%	31
WOODHOUSE LANE	213	6.8%	248	7.3%	35
BOAR LANE	140	4.1%	178	5.2%	38
THE HEADROW	88	2.6%	109	3.2%	21
GREAT GEORGE ST	76	2.2%	95	2.8%	19
PARK ROW	21	0.6%	40	1.1%	19
KIRKGATE	27	0.8%	34	1%	7
BRIDGE END	16	0.5%	30	0.9%	14

These clearly show that there has been no improvement over the last year with Briggate and Call Lane areas are responsible for 35% of crime reported in the city in the last year. 16% of crime was reported in the other red area of Albion Street/Woodhouse Lane.

The police report conclusions were:

- Briggate, Call Lane, Albion Street and Woodhouse Lane are the top streets for offending in the night time economy for both examined periods. These streets are located within the two city centre CIP red areas, supporting the view that both red areas should be maintained.

Red Area Comparisons

The stated crime figures and time analysis is taken from offences occurring within the red outlining square, between 18:00 – 05:59. Assaults, theft from person, theft non-specific, robbery and sexual offences have been included in this analysis.

Call Lane Red Area

<p>NTE: Year 2015– 2016 (Sept – Aug)</p> <p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 420 (+73) ▪ Robbery: 27 (+14) ▪ Sexual Offences: 26 (+6) ▪ Theft From Person: 487 (+77) ▪ Theft Non Specific: 382 (+27) <p>Time Analysis:</p> <p>Peak Time: 00:00 – 05:00</p> <p>Risk days: Thursday, Friday and Saturday</p>	<p>NTE: Year 2016 – 2017 (Sept – Aug)</p> <p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 495 (+75) ▪ Robbery: 37 (+10) ▪ Sexual Offences: 31 (+5) ▪ Theft From Person: 472 (-15) ▪ Theft Non Specific: 422 (+40) <p>Time Analysis:</p> <p>Peak Time: 23:00 – 04:00</p> <p>Risk days: Saturday/Sunday highest; also Thursday and Friday</p>
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Figure 8: Call Lane red area for the period 01/09/2015 - 31/08/2016 and 01/09/2016 - 31/08/2017

The police report conclusions were:

- The Call Lane red area remains the predominant hot-spot area. Geo-spatial analysis shows the main risk area within the city centre is the area of Call Lane and Briggate, as shown as Section 7.1. The highest concentration of offences remains in this area and has slightly extended compared with the previous 12 months, but still falling within the existing designated area. The peak time for offending in the Call Lane area is now 23:00 - 04:00.
- Within the Call Lane area, all the examined offences namely Assaults, Robberies, Sexual Offences and Thefts have increased during 2016 and 2017 with Assaults, Robberies and Theft offences seeing the largest increase.

Not only have all crimes increased in this area again this year by another 15%, the peak times have shifted from midnight to 5am to 11pm to 4am. The risk days have changed from Thursday, Friday and Saturday to Thursday to Sunday with Saturday and Sunday the highest. Most worrying are the increases in assault and theft from person.

This shows not only how important it is that the number of people using this area during the night time does not increase but that it would be desirable for the number of people using this area during peak hours to reduce. Therefore any change to the current licences, either new premises or any increase in the operation of the existing premises should not have the effect of increasing visitors to the area.

Furthermore the Council will be investigating ways in which assault and theft can be reduced, in liaison with the operators and agencies. LeedsBID has introduced teams of Purple Ambassadors who operate in a similar way to the street marshalling scheme, with officers patrolling the red areas and dealing with low level nuisance to prevent it from becoming the more serious crime of assault.

In the last year the Licensing Authority has received applications from:

- a premises on Albion Street seeking to increase their hours, which was refused;
- a premises on Hirsts Yard seeking to make structural changes and update conditions which was granted
- a premises on Call Lane which sought to add off sales to their current licence to allow people to use an outside area, which was granted

- a premises on Briggate which sought to increase their floor space but offered a number of stricter conditions which controlled capacity which was granted
- a premises on Briggate seeking a new application for late night refreshment which was refused
- a premises on Call Lane seeking alcohol in conjunction with food and closing prior to peak hours which was granted
- a premises on Call Lane which sought to extend their hours by one hour til midnight. This matter was outstanding as this assessment was finalised.

Any operator seeking a variation to their current licence must be mindful of the problems being experienced in the area and must ensure that the additional measures they offer will result in no impact on the licensing objectives. A responsible operator will always be seeking ways in which they can contribute to the efforts made to reduce the crime statistics, and would not be satisfied with merely maintaining the status quo.

Albion Street / Woodhouse Lane Red Area

<p>NTE: Year 2015 – 2016 (Sept – Aug)</p> <p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 228 (+64) ▪ Robbery: 3 (+2) ▪ Sexual Offences: 7 (-2) ▪ Theft From Person: 126 (-2) ▪ Theft Non Specific: 150 (+19) <p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 00:00 - 0400 ▪ Secondary : 23:00 – 00:00 <p>Risk days: Monday, Friday, Saturday</p>	<p>NTE: Year 2016 – 2017 (Sept – Aug)</p> <p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 251 (+23) ▪ Robbery: 8 (+5) ▪ Sexual Offences: 14 (+7) ▪ Theft From Person: 151 (+25) ▪ Theft Non Specific: 147 (-3) <p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 23:00 - 0400 ▪ Main Peak : 01:00 – 03:00 <p>Risk days: Saturday</p> <p>Secondary days: Monday, Tuesday, Thursday</p>
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Figure 9 Map showing the Albion Street red area for the period 01/09/2015 - 31/08/2016 and 01/09/2016 - 31/08/2017

The police report conclusions were:

- Within the Albion Street / Woodhouse Lane Red area, the hot-spot areas have remained the same in both examined periods, specifically the bottom of Woodhouse Lane and top of Albion Street, as shown in Section 7.2. During the period 2016 to 2017, the peak time is shown as between 01:00 – 03:00.

In the last year the Licensing Authority has received one application from a premises on Albion Street seeking to increase their hours, which was refused.

However the overall 9% increase in crime and the lengthening of the peak hours is worrying. As with the Call Lane/Lower Briggate area this shows not only how important it is that the number of people using this area during the night time does not increase but that it would be desirable for the number of people to reduce. Therefore any change to the current licences, either new premises or any increase in the operation of the existing premises should not have the effect of increasing visitors to the area.

As with the Call Lane area the Council will be investigating ways in which assault and theft can be reduced, in liaison with the operators and agencies. LeedsBID has introduced teams of Purple Ambassadors who operate in a similar way to the street marshalling scheme, with officers patrolling the red areas and dealing with low level nuisance to prevent it from becoming the more serious crime of assault.

Cross Belgrave Street / Merrion Street / New Briggate:

The following area is not a designated 'red area' in the existing CIP; although, it has been noted as an emerging area of popularity during the 'Night Time Economy'.

<p>NTE: Year 2015 – 2016 (Sept – Aug)</p> <p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 108 (+28) ▪ Robbery: 8 (+2) ▪ Sexual Offences: 8 (+2) ▪ Theft From Person: 96 (+11) ▪ Theft Non Specific: 112 (-6) <p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 01:00 – 04:00 Secondary peak: 23:00 – 00:00 and 04:00 – 05:00 <p>Risk days: Thursday, Friday and Saturday</p>	<p>NTE: Year 2016 – 2017 (Sept – Aug)</p> <p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 57 (-51) ▪ Robbery: 8 (no change) ▪ Sexual Offences: 7 (-1) ▪ Theft From Person: 50 (-46) ▪ Theft Non Specific: 48 (-64) <p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 00:00 – 04:00 Secondary peak: 23:00 – 00:00 and 04:00 – 05:00 <p>Risk days: Friday and Saturday</p>
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Figure 10: Map showing New Briggate area for the period 01/09/2015 - 31/08/2016 and 01/09/2016 - 31/08/2017

The police report conclusions were:

- The Cross Belgrave Street/Merrion Street/New Briggate areas were noted as an emerging area of concern for the period 2015 – 2016 however several associated offence types have seen reductions over the last 12 month period.

As reported in previous years, this area in Leeds has been developed in the north of the city and is proving very popular. The lengthening of the hot spot period is common with the two red areas however there has been a dramatic reduction in crime across the board.

This area remains in the amber area this year, as this provides the most flexibility to negotiate with applicants regarding safeguards that can be put in place. .

Night Time Related Offences

The Police Report provides two new maps which show the overall spread of night time offences across the area. The 100m Hex grid shows that the main “hotspot” areas detailed previously (shown as red rectangles on the map) cover the main areas of concern, and that the “emerging” area identified previously (grey rectangle) is no longer covering a major offence hotspot. There

are also no “new” areas of concern (that would be orange or red) outside the current localities.

The map below shows the density of night-time offences across the defined area and the concentration of where offences have occurred, highlighted by darker areas. Briggate (highlighted by a dotted line) has the highest density.

City Centre A&E Assault data

A&E data was provided for the period 01/09/2016 – 31/08/2017. A notable proportion did not have a location address or did not specify an exact address, for example “on street” or “on bus”. Detailed location data is no longer provided therefore the proportion directly associated with the City Centre cannot be assessed.

Road Traffic Incidents

The below table shows the breakdown of Road Traffic Incidents 01/09/2015 - 31/08/2017. The figures have been derived from the red line area “Leeds City Centre” as shown in Section 3.

Incident Type	DTE		DTE Total	NTE		NTE Total	Total
	2015-2016	2016-2017		2015-2016	2016-2017		
Highway Disruption	132	142	274	86	68	154	428

Figure 14 shows the top streets 01/09/2015 – 31/08/2017 for road traffic incidents during the night time economy.

The police report conclusions were:

- During the NTE the main hot-spots for Road Related Incidents were around The Headrow, Woodhouse Lane and Albion Street with a smaller concentration around Boar Lane and Wellington Street

Conclusion

With the police report conclusions in mind the Licensing Authority has determined that the red areas be maintained. Merrion Street/Cross Belgrave Street area and the Boar Lane areas will continue to be closely monitored.

The increase in theft and violent crime in the two red areas is concerning. The council will work with the businesses and partners to establish if further work can be done to reduce these crime figures over the next 12 months and to establish if the Purple Ambassador Scheme has a positive effect on reducing low level crime and disorder.

The Licensing Committee will bear in mind that in the next 12 months there may be significant changes to the way late night levies can be introduced and may also consider the option of an early morning restriction order if these figures do not significantly reduce over the next 12 months.

Cumulative Impact Assessment

City Centre – December 2016

Leeds
CITY COUNCIL

Area 1 relates to the city centre. West Yorkshire Police has shared information and statistics that show that the nature of the city centre is such that the cumulative impact of licensed premises leads to problems that aren't experienced in other parts of the city and this can be attributed to the density of licensed premises in specific areas. The number and close proximity of venues on a street can result in difficulties in identifying individual premises as causing problems and so action planning and reviewing individual licences is not possible.

The closure or opening of businesses can have a dramatic effect on reported crime and incidents in an area. While problems at individual premises are dealt with using action planning and the review process, there are areas in Leeds city centre which become saturated as new businesses open or existing businesses change their style of operation.

In addition the council recognises that a previous problem area can be improved by the introduction of new styles of business types, such as food led premises and seeks to encourage this.

The dynamic nature of the city centre has created difficulties in setting a policy that will be relevant for five years until the next formal review of the Licensing Policy. Therefore the council has adopted an approach of designating areas within the city centre CIP as 'red' or 'amber' based upon an analysis of crime and disorder in the night time economy and will review these areas on an annual basis.

Areas that are considered highly saturated and that are experiencing particularly high levels of crime, disorder and/or nuisance will be designated as red areas. The policy states that the council will seek to refuse all applications in these **red areas** on the basis that the impact on the licensing objectives is at such a level that the area cannot support any more premises opening or extending their operation and that the council will only grant applications in the red zone in exceptional cases. Exceptional does not mean that an application is innovative or novel, but that it allows Members to make an exception to their policy. Those exceptional cases would be where the premises can demonstrate that they will not impact on the issues already being experienced in the area, i.e. by containing their operation within the hours of the daytime and early evening economy.

Any variation that will effectively increase the occupancy of premises will be viewed in a similar light to a new application as it may increase the available capacity in the same way a new premises in that area would, which in the red area would be unacceptable. Similarly new businesses seeking to introduce a new concept, and so attract different people into the area, may be acceptable in the amber area but in the red area the problems are exacerbated by the sheer number of people on the street during the peak hours and introducing a new or extended business, even with a different concept, would add to the impact rather than reduce it.

Management controls such as door staff will not be adequately effective in preventing an increase in the number of people within the red zone.

The **amber area** is an area which is of concern, based upon an analysis of issues within the night time economy that are relevant to the licensing objectives, and the council will expect applicants to offer additional measures tailored to the problems in that area. Applicants are strongly advised to consult with West Yorkshire Police and the licensing authority during their application process. By working together, the responsible authorities and businesses can establish working practices that reduce crime and disorder and so benefit the long term aims of the city to be a vibrant, thriving economy.

All other areas within the city centre CIP will be designated **green areas** where good quality applications will be generally be more acceptable even though the area is a CIP area.

It is the council's policy, on receipt of relevant representations, to

- refuse new and variation applications in the red area
- to seek additional measures for new and variation applications in the amber area
- to seek good quality applications for application in the green area

This applies to alcohol led premises such as bars, pubs and nightclubs, and for premises seeking late night refreshment such as takeaways and late opening restaurants.

Extra scrutiny is given to applications which appear to adopt a number of different styles during their trading. For example businesses that purport to be food led but seek late opening hours may be judged to be predominantly alcohol led due to their late night activities. It is for the applicant to demonstrate how their business will not impact on the licensing objectives.

Changes in the last year

There are two distinct areas in the city where extra police resources are deployed on a regular basis. These areas are the Call Lane area and the Albion Street/ Woodhouse Lane area. Premises in those areas deploy street marshals at their own expense as it has been recognised that incidents on the street require extra attention and that early intervention can prevent an escalation in the severity of incidents on the street.

As police resources are reducing each year, priorities have been realigned. There has been a small reduction in the number of arrests for drunk and disorderly but an increase in assault. The increase in assaults could be due to early intervention methods being cut back, such as the street marshalling scheme and intervention at an early level (i.e. arresting people for being drunk and disorderly), and so the low level offences are escalating to the more serious assault charge.

The issues with disorder in the street on Call Lane has led to a road closure between 11pm and 5am on the Friday, Saturday and Sunday night which took effect in October 2015. The sheer numbers of people, often intoxicated, in the street during these hours highlights the need for the overall capacity of the red area to decrease, not increase.

The Council continues to receive applications within the areas designated as red. There has been a trend for existing operators to apply for minor and full variations to bring into use areas which were unlicensed previously. In all cases the premises licence holder has undertaken to keep their capacity the same. However this trend for increasing the licensed area is concerning as the ability to control capacity is difficult. Any application seeking an increase in floor space, even without an increase in stated capacity, can expect close scrutiny.

Police Crime Reporting

West Yorkshire Police has produced a crime report "*2016-10 Night Time Economy – City v4*" dated October 2016 which has been referred to when reviewing the red and amber zones for 2017. This report is referred to as the Police report in this document. It uses reported crime figures from 01/09/2014 – 31/08/2016.

In 2014 Her Majesty's Inspectorate of Constabulary made recommendations to change crime recording practices. This resulted in an increase in the number of recorded crimes in West Yorkshire in 2015. Analysis of the changes in crime levels, along with a number of other measures, concluded that a proportion of these recent increases were related to administrative change rather than an increase in criminality. Specifically this change in recording practise has impacted on the level of 'violence against the person', in particular 'violence without injury' as many lower level offences were not previously being recorded.

The police report only compares statistics from the last two years, as the statistics are not comparable going further back than that due to the changes in the way in which crime is recorded.

The following data tables and key findings (signified by bullet points) have been extracted from the police report.

City Centre

Occurrence Type	01/09/2014 - 31/08/2015	01/09/2015 - 31/08/2016	Change +/-	% Change

Figure 5 shows the offences during the NTE (18:00 – 05:59) between 01/09/2014 – 31/08/2016

The tables clearly show that there has been an increase in crime across the city centre. The police report conclusions state:

- An analysis of the examined offences shows overall offending in the City Centre has increased by 13% compared with the previous examined period.
- During 01/09/2015 – 31/08/2016 Assaults and Public order offences have seen the highest increases in terms of volume compared with the previous year. Public Order and Robbery offences have experienced the greatest percentage change. The majority of the examined offences experienced an increase with the exception of Drunk and Disorderly and Murder / Manslaughter offences.
- Assaults and Thefts have the highest number of offences with a licensed premises flag and experienced the greatest increases during the period 01/09/2015 – 31/08/2016 compared with the previous 12 months.
- Assaults continue to be the highest alcohol related crime, followed by Drunk and Disorderly offences. Only Drunk and Disorderly and Theft Non Specific offences had a reduction.

- Assaults and Thefts are the top offence categories for both the day time economy and night time economy. For both time periods, the highest increases were in Assaults and Public Order offences.
- In both the examined periods there are more reports of 'off street' offences than 'on street'. The number of assaults occurring 'on street' or 'off street' are fairly similar in both years. There are slightly more assaults which occur 'on street'.

Street Level Data

The tables below relate to Leeds City Centre night time economy offending only (18:00 to 05:59) and show the top ten streets and the top ten streets of increasing concern for the night time economy offending. The table shows the percentage of the street compared with the city centre total as shown in Figure 5.

Top 10 Street Names

	2014-2015	% of City 2014-2015	2015-2016	% of City 2015-2016	Change +/-
Briggate	484	17.7%	572	18.3%	88
Call Lane	457	16.7%	531	17.0%	74

Hirsts Yard	25	0.9%	44	1.4%	19
Assembly Street	10	0.4%	23	0.7%	13

Figure 6 shows the top streets 01/09/2014 – 31/08/2016 during the night time economy.

These clearly show that the Briggate and Call Lane areas are responsible for 35% of crime reported in the city in the last year. 15% of crime was reported in the other red area of Albion Street/Woodhouse Lane.

The police report conclusions were:

- Call Lane, Briggate, Albion Street and Woodhouse Lane are the top streets for offending in the night time economy for both examined periods. These streets are located within the two city centre CIP red areas, supporting the view that both red areas should be maintained.

Red Area Comparisons

The stated crime figures and time analysis is taken from offences occurring within the red outlining square, between 18:00 – 05:59. Assaults, theft from person, theft non-specific, robbery and sexual offences have been included in this analysis.

Call Lane Red Area

NTE: Year 2014 – 2015 (Sept – Aug)	NTE: Year 2015– 2016 (Sept – Aug)
<p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 347 ▪ Robbery: 13 ▪ Sexual Offences: 20 ▪ Theft From Person: 410 ▪ Theft Non Specific: 355 	<p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 420 (21% increase) ▪ Robbery: 27 (107% increase) ▪ Sexual Offences: 26 (30% increase) ▪ Theft From Person: 487 (18% increase) ▪ Theft Non Specific: 382 (7% increase)
<p>Total: 1145</p>	<p>Total: 1342 (17% increase)</p>
<p>Time Analysis: Peak Time: 0000 – 0400</p>	<p>Time Analysis: Peak Time: 00:00 – 05:00</p>
<p>Risk days: Friday, Saturday & Sunday</p>	<p>Risk days: Thursday, Friday and Saturday</p>

Figure 8: Call Lane red area for the period 01/09/2015 - 31/08/2015 and 01/09/2015 - 31/08/2016

The police report conclusions were:

- The Call Lane red area remains the predominant hot-spot area. Geo-spatial analysis shows the main risk area within the city centre is the area of Call Lane and Briggate. The highest concentration of offences remains in this area and has slightly extended compared with the previous 12 months, but still falling within the existing designated area. The peak time for offending in the Call Lane area is now 00:00 - 05:00.
- Within the Call Lane area, all the examined offences namely assaults, robberies, sexual offences and thefts have increased during 2015-2016 with assaults and theft from persons experiencing the largest gains.

Not only have all crimes increased in this area by 17%, the peak times have lengthened from midnight to 4am to midnight to 5am. The risk days have changed from Friday, Saturday and Sunday to Thursday, Friday and Saturday. Most worrying are the increases in assault and theft from person.

This shows not only how important it is that the number of people using this area during the night time does not increase but that it would be desirable for the number of people using this area during peak hours to reduce. Therefore any change to the current licences, either new premises or any increase in the operation of the existing premises should not have the effect of increasing visitors to the area.

Furthermore the Council will be investigating ways in which assault and theft can be reduced, in liaison with the operators and agencies.

In the last year the Licensing Authority has received three applications in this red area. One was for the lengthening of operating hours into the peak hours and was refused. The subsequent appeal was withdrawn before it was heard with all costs recovered from the appellant. Another application was received for a substantial increase in the size of the premises. The applicant agreed to a range of amendments to the application which took the operation of the additional area out of the peak hours for crime and disorder. The third was only partially granted but with the imposition of restrictive conditions.

Any operator seeking a variation to their current licence must be mindful of the problems being experienced in the area and must ensure that the additional measures they offer will result in no impact on the licensing objectives. A responsible operator will always be seeking ways in which they can contribute to the efforts made to reduce the crime statistics, and would not be satisfied with merely maintaining the status quo.

Albion Street / Woodhouse Lane Red Area

NTE: Year 2014 – 2015 (Sept – Aug)	NTE: Year 2015 – 2016 (Sept – Aug)
<p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 164 ▪ Robbery: 1 ▪ Sexual Offences: 9 ▪ Theft From Person: 128 ▪ Theft Non Specific: 131 <p>Total: 433</p> <p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 0100 – 0400 ▪ Secondary peak: 2300 - 0100 <p>Risk days: Friday, Saturday</p>	<p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 228 (39% increase) ▪ Robbery: 3 (200% increase) ▪ Sexual Offences: 7 (22% decrease) ▪ Theft From Person: 126 (1.5% decrease) ▪ Theft Non Specific: 150 (14.5% increase) <p>Total: 514 (19% increase)</p> <p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 00:00 - 0400 ▪ Secondary : 23:00 – 00:00 <p>Risk days: Monday, Friday, Saturday</p>

Figure 9 Map showing the Albion Street red area for the period 01/09/2015 - 31/08/2015 and 01/09/2015 - 31/08/2016

The police report conclusions were:

- Within the Albion Street / Woodhouse Lane Red area, the hot-spot areas have remained the same in both examined periods, specifically the bottom of Woodhouse Lane and top of Albion Street, as shown in Section 7.2. During the period 2015-2016 the peak time is 00:00 – 04:00, compared with 01:00 – 04:00 over the previous 12 months.

The licensing authority hasn't received any new or variation applications in the last year. However the overall 19% increase in crime and the lengthening of the peak hours is worrying.

As with the Call Lane/Lower Briggate area this shows not only how important it is that the number of people using this area during the night time does not increase but that it would be desirable for the number of people to reduce. Therefore any change to the current licences, either new premises or any increase in the operation of the existing premises should not have the effect of increasing visitors to the area.

Furthermore the Council will be investigating ways in which assault and theft can be reduced, in liaison with the operators and agencies.

Cross Belgrave Street / Merrion Street / New Briggate:

The following area is not a designated 'red area' in the existing CIP; although, it has been noted as an emerging area of popularity during the 'Night Time Economy'.

NTE: Year 2014 – 2015 (Sept – Aug)	NTE: Year 2015 – 2016 (Sept – Aug)
<p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 80 ▪ Robbery: 6 ▪ Sexual Offences: 6 ▪ Theft From Person: 85 ▪ Theft Non Specific: 118 	<p>Crime:</p> <ul style="list-style-type: none"> ▪ Assault: 108 (+28) ▪ Robbery: 8 (+2) ▪ Sexual Offences: 8 (+2) ▪ Theft From Person: 96 (+11) ▪ Theft Non Specific: 112 (-6)
<p>Total: 295</p>	<p>Total: 332 (13% increase)</p>
<p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 0100 – 0200 ▪ Secondary peak: 0200 - 0300 	<p>Time Analysis:</p> <ul style="list-style-type: none"> ▪ Peak: 01:00 – 04:00 ▪ Secondary peak: 23:00 – 00:00 and 04:00 – 05:00
<p>Risk days: Thursday, Friday and Saturday</p>	<p>Risk days: Thursday, Friday and Saturday</p>

Figure 10: Map showing New Briggate area for the period 01/09/2015 - 31/08/2015 and 01/09/2015 - 31/08/2016

The police report conclusions were:

- Within the Merrion Street / New Briggate area the hot-spots have remained the same in both examined periods, as shown in Section 7.3. The peak time has extended from 01:00 – 02:00 to 01:00 – 04:00.

As reported last year, this area in Leeds has been developed in the north of the city and is proving very popular. The lengthening of the hot spot period and the overall 13% increase is in common with the two red areas. When compared to the other areas in the city, in figure 6, Merrion Street lies in 7th on both tables.

This area remains in the amber area this year, as this provides the most flexibility to negotiate with applicants regarding safeguards that can be put in place. However if crime levels increase further this area will be subject to further review next year and may face being placed in a red zone.

City Centre A&E Assault data

A&E data and road traffic incidents data are new additions to the review this year. The licensing authority was keen to see the crime statistics in context to ensure that the peak times for reported incidents was supported by other data specific to the night time environment.

The police report states A&E data was provided for the period 01/09/2014 – 31/08/2016. A notable proportion did not have a location address or did not specify an exact address, for example “on street” or “on bus”. Assaults which could be attributed to occurring in the City Centre accounted for 12% of all assaults. Where the time of the assault could be ascertained, overall the peak time was 01:00 – 04:00, with secondary peaks between 23:00 – 01:00 and 04:00 – 05:00. 85% were recorded as being a male patient. Alcohol was the main contributing factor.

	Year	
	2014-2015	2015-2016
Time Analysis		
Peak Time	00:00 - 04:00	01:00 - 04:00

A58	13	16	3
A58(M)	8	11	3

Figure 14 shows the top streets 01/09/2014 – 31/08/2016 for road traffic incidents during the night time economy.

The police report conclusions were:

- Overall there are more day time economy road related incidents than during the night time. OPL (over the prescribed limit) and Road Related offences were higher during the Night Time Economy.
- During the NTE the main hot-spots for 2014-2015 for Road Related Incidents were around Woodhouse Lane and the Boar Lane / Briggate / Call Lane area. There was also a concentration of incidents in the vicinity of the Headrow / Westgate area.
- Overall during 2015-2016 the peak time for Road Related incidents is 13:00 – 18:00, there was a secondary peak between 02:00 – 03:00. The area reduced around Woodhouse Lane. The hotspot around Boar Lane / Briggate/ Call Lane remained, however the number of incidents in this area reduced compared with the previous 12 months. Boar Lane experienced an increase in Road Traffic Incidents, however incidents halved on Call Lane. This is possibly due to the road closure in effect since October 2015 on Call Lane between 11:00 - 05:00 on a Friday, Saturday and Sunday night.

Conclusion

With the police report conclusions in mind the Licensing Authority has determined that the red areas be maintained. Merrion Street/Cross Belgrave Street area and the Boar Lane areas will be closely monitored with a view to placing them in a red zone should the crime figures not improve in the next 12 months.

The increase in theft and violent crime in the two red areas is concerning. The council will work with the businesses and partners to establish if further work can be done to reduce these crime figures over the next 12 months.

The Licensing Committee will bear in mind that in the next 12 months there may be significant changes to the way late night levies can be introduced and may also consider the option of an early morning restriction order if these figures do not significantly reduce over the next 12 months.
