

An Interpreter has been provided free of charge on this occasion to enable you to access Leeds City Council Services.

To assist you in accessing these services in the future, we would recommend you contact the National Careers Helpline on telephone 0800 100 900 or www.nationalcareersservice.direct.gov.uk who can provide details of English language classes in your area.

ESOL classes (English for Speakers of Other Languages) can help you improve your English.

Improving your English can help you integrate into the wider community and achieve more from your life in the UK
