### 102 Scrutiny Inquiry - Narrowing the Gap - Draft Final Inquiry Report

Further to Minute No 94, 2<sup>nd</sup> April 2007, the Committee considered the draft final report of its Inquiry into 'Narrowing the Gap', together with comments and observations thereon from the Leeds Initiative, Councillor Mark Harris, Alternate Leader of the Council and Executive Member (Central and Corporate) and Neil Evans, Director of Environment and Neighbourhoods.

Councillor Harris, Neil Evans, Steve Williamson, Chair of the Narrowing the Gap Executive, and Kathy Kudelnitsky, Director, and Andrea Tara Chand of the Leeds Initiative, attended the meeting, expanded on their written observations and responded to Members' queries and comments. In brief summary, the main points of discussion were:-

- The inherent tensions and potential conflicts posed by the 'Narrowing the Gap' and 'Going Up A League' initiatives, and the need to give priority to the former in the view of the Committee;
- The deletion of reference to the proposed new casino and arena in Leeds from the 'Introduction and Scope' section of the report in view of the unproven effect either or both would have in terms of the Narrowing the Gap agenda;
- In the same section, the replacement of the phrase 'we do not want to look back at a string of failed schemes' with the more proactive 'We need to be more rigorous when assessing schemes';

Draft minutes to be approved at the meeting  
to be held on 4<sup>th</sup> June 2007.

- Leeds Initiative was in the process of reviewing its structures, including how the District Partnerships could evolve to include a greater degree of political input and accountability. The review was aimed at making greater use of local structures to address issues in a sustainable manner at local level, taking into account OSC's views regarding the dangers of 'solutions' being imposed on local communities. The Local Area Agreement (LAA) and the Intensive Neighbourhood Management initiatives would inform this review. Part of the process had to be looking at how data was analysed and used. Another part concerned how and what was monitored. Partnership working in Leeds, although not yet perfect, had been recognised nationally as at the forefront of developments in this area, and the LAA review of 2008 and the Government White Paper on greater local scrutiny of services would help to focus partners on joint working and funding arrangements;
- Whilst acknowledging the importance of working with communities at local level, it was also recognised that local people needed to be encouraged to take advantage of City-wide as well as local resources and employment opportunities and issues such as improved transport links were crucial in this regard.

The Chair concluded by thanking everyone who had contributed to the Committee's Inquiry. As part of Scrutiny's recommendation tracking system, progress on the recommendations would be considered by OSC in September.

**RESOLVED** – That subject to the above minor amendments, the Committee's final report of its 'Narrowing the Gap' Inquiry be approved and circulated appropriately by the Head of Scrutiny and Member Development.

(NB: Councillor Bale joined the meeting at 9.20 am and Councillor Pryke joined the meeting at 9.37 am during the consideration of this item)
