

Outer West Area Committee - Youth Activities Fund Project Summary

Project Name	Jamie Jones Buchanan(JJB) Camp
Amount applied for	£3,900.00
Lead Organisation	Pudsey Cluster
Ward	

Pitch to young people

The Jamie Jones Buchanan Camp is a special 2 day course designed to help you develop every area of your game in a fun and safe environment. The camp aims to progress your rugby skills and help your physical literacy and fundamental movement too. You will also be introduced to multi-skill activities using invasion games and team building activities.

This camp is tailored to suit all abilities from 6-14 year olds.

Each person will receive a camp t-shirt and water bottle as well as receiving coaching from fully qualified Level 2 Leeds Rhinos Community Coaches. You will also receive coaching from Jamie Jones Buchanan and fellow Leeds Rhinos star players.

The camp will be held at Stanningley Rugby Ground on the 16th and 17th of April.

Full details of the project

The project consists of 3 areas.

1. Each of the 15 primary schools within the Cluster will be offered 5 places on the Easter Rugby Camp at Stanningley for 2 days over the Easter Holidays. The camp is aimed at 8-14 year old girls and boys. Each attendee will receive a camp T-shirt and water bottle and receive coaching from a fully qualified Level 2 Leeds Rhinos Community Coach. The children will also receive coaching from Jamie Jones Buchanan and fellow Leeds Rugby Rhinos players. All the profit from the camp will go to the benefit the community club and the Leeds Rugby Foundation. In reality the profits will go back into the community.
2. Each of the 15 primary schools will receive a Healthy Lifestyle Assembly which will involve the club mascot Ronnie the Rhino. This assembly will be the start of the Change for Life launch across the Pudsey Cluster. They will support and raise the profile of healthy eating and physical exercise among young people. The assemblies will be a fun and interactive way of approaching the Change for Life campaign which is a part of the Pudsey Cluster Action plan to tackle childhood obesity. The assemblies will also raise awareness of the benefits of team sports and the impact on self-esteem and confidence.
3. Each primary school will also be given a taster session so children who may not have had the opportunity to try rugby will have the opportunity to learn in a fun well-structured session. The aim is to improve the amount of young people interested not only in rugby but to also increase the number of young people who are willing to try new sports. The taster sessions will be run before the Easter holidays so as many young people experience what will be on offer at the Easter camp.

A key object of this camp is to progress the children's rugby skills but all improve their physical literacy and fundamental movement too. The children will also be introduced to multi-skill activities using invasion games and

When will the project run?

The camp will be held at Stanningley Rugby Ground on the 16th and 17th of April

How many young people can attend?

Each of the 15 primary schools within the Cluster will be offered 5 places on the Easter Rugby Camp at Stanningley for 2 days over the Easter Holidays

Other organisations involved

Financial Information

How much funding is required?	£3,900.00
Do the group have any funding from somewhere else?	No

Full Breakdown of Costs

Item	Youth Activities Fund
£30.00 per session per person - 15 primary schools x 5 Camp attendees = 75 attendees x £30.00	£2250.00
15 primary school assemblies = £75.00 x 15 = £1125.00	£1125.00
15 primary school taster sessions = £35.00 x 15 = £525.00	£525.00
Total	£3,900.00
