

<b>Project Name</b>	<b>Breeze Games on Ley Lane</b>
<b>Amount applied for</b>	<b>£1,960</b>
<b>Lead Organisation</b>	<b>WNW Area Support Team / LCC Out of School Activities Team</b>
<b>Ward/Neighbourhood</b>	<b>Ley Lane, Armley</b>

<b>Business Plan Objective</b>	<ul style="list-style-type: none"> <li>• All children and young people in Leeds have access to out of school activities</li> <li>• Reduce crime and anti-social behaviour, with a particular focus on reducing burglary rates</li> </ul>
--------------------------------	--

<b>Project Summary</b>
<p>The Ley Lane area has recently been a focus of anti-social behaviour and drug dealing, some of it perpetrated by children and young people. A multi-agency working group has been established to work with residents to look at ways of addressing these issues. Work carried out so far includes executing drugs warrants, increasing police patrols and securing agreement to pitch the flat roof of the electrical substation to stop it from being used as a meeting place.</p> <p>The working group would like to positively engage with young people in the area, and following consultation with those who currently attend youth service provision or are supervised by the youth offending team, it was agreed that the #BreezeGames sessions with a multi-media van, games and sports would be very popular and attract a good attendance.</p> <p>It is proposed that four sessions be run on the Ley Lane green space on consecutive weeks to give agencies the opportunity to work with the young people and signpost to other local provision.</p>

<b>Targets for the project and how success will be measured</b>
<p>The target is for 30 young people to attend the sessions. Agencies speak to all young people about crime and anti-social behaviour in the area. Success will be measured by a reduction in anti-social behaviour around Ley Lane.</p>

<b>How the project will be promoted and/or participation encouraged</b>
<p>The sessions will be publicised through posters, word of mouth and possibly a banner on site.</p>

<b>Exit strategy/How the project will continue after the funding</b>
<p>There are four sessions planned and participants will be signposted to other provision including the youth service mobile, Christ Church Armley youth project and the Saturday Night Project at the leisure centre.</p>

<b>Other organisations involved</b>
<p>Youth Offending Service, Armley Cluster, Neighbourhood Policing Team, Youth Service, IGEN, Community Safety, local residents</p>

## Financial Information

<b>Revenue funding requested</b>	£1,960
<b>Total cost of project</b>	£1,960
<b>Match funding/Other funding sources</b>	0
