1.0 Purpose Of This Report

- 1.1 This report provides Scrutiny Board (Culture and Leisure) with background to the Leeds Strategic Plan and the planned consultation process. It invites the Board to consider and comment on the draft strategic outcomes and improvement priorities to be included in the Leeds Strategic Plan 2008-11. It will be accompanied by a short presentation.

2.0 Background Information

- 2.1. On July 4th 2007, the Executive Board agreed to adopt a new corporate planning framework for the Council. At the heart of the new planning framework will be a Leeds Strategic Plan which will set out the strategic outcomes and improvement priorities for Leeds for the next three years with regard to what the Council will deliver by itself or in partnership with others.
- 2.2. The Leeds Strategic Plan is based on the themes established in the existing Vision for Leeds. It streamlines the Council's Corporate Plan, the Local Area Agreement and the Leeds Regeneration Plan into one plan. This will provide an integrated framework geared to tackling neighbourhood needs and priorities, one of the recommendations of the Council's Scrutiny Inquiry into Narrowing the Gap.
- 2.3 The Leeds Strategic Plan 2008 – 11 will incorporate the requirements of the Council's duty to consult with named partners to draw up improvement priorities for the Local Area Agreement as outlined in the Local Government and Public Involvement in Health Bill due to gain Royal Assent in autumn 2007.
- 2.4. The development of the Leeds Strategic Plan builds on the extensive consultation undertaken to develop the eight themes of the Vision for Leeds and also incorporates more recent evidence to help the Council determine its improvement priorities to achieve the Council's Mission 'to bring the benefits of a prosperous, vibrant, and attractive city to all the people of Leeds'. Generally, these have included:
