

**Service Agreement between
Outer North West Community Committee
and
Environmental Action (West North West Locality Team)**

To work with residents, other services and community based groups/organisations across the Inner East area to achieve clean and tidy neighbourhoods.

In relation to the council function of Street Cleansing & Environmental Enforcement Services ¹, the Council's Community Committee Executive Delegation Scheme requires Committees on behalf of the Executive Board:

1. to develop and approve a Service Agreement which determines the principles of deployment of the available resources by:
 - the identification of priorities for service delivery annually (both geographical and in terms of types of services delivered);
 - the agreement of the most appropriate approaches to be taken to achieve local environmental cleanliness and quality;
2. to be responsible for monitoring and reviewing the delegated activities in relation to the service outcomes specified in the SLA;
3. to be responsible for negotiating amendments to the SLA with service providers to accommodate unforeseen events or patterns of service failure, during the course of the SLA.

This Agreement sets out how the above delegated responsibilities will be met.

The Agreement also sets out how the Locality Team will deliver enhanced, environmental services in areas of council owned housing in order to meet additional needs of its tenants. This is to be delivered in a way that makes best use of this additional resource and complements work of other services in these neighbourhoods.

Agreement effective from: November 2015 (subject to approval at Committee meeting of xx November, 2015)

Mid-year review due: December 2015 – February 2016 2015 (by Outer North West Environmental Sub-Group)

Next annual refresh due: July 2016 (first Committee meeting of the 2016/17 municipal year)
