White Paper Amendment	A2 to WP1	12/1/16	12/1/16

Submitted by: Councillor Mark Dobson
 Relevant Board/Regulatory Panel: Executive Board
 Executive Member/Chair: Executive Member (Environmental Protection and Community Safety)
 Relevant Director: Director of Environment and Housing

Delete all after the first "This Council" and replace with:

commits to making every effort to maintain PCSOs numbers in Leeds.

Council recognises Leeds' approach to continue the Local Authority contribution for PCSOs in Leeds, at a time when government funding is being significantly reduced. Indeed, Council notes the ambition to maintain funding for PCSOs in the face of this year's £34 million grant cut, rather than the expected £24 million.

Recent worldwide events raise a number of questions about security arrangements in the UK and Leeds, as a major UK and European city. Council therefore calls on the cross party Scrutiny Board on Environment and Housing to continue to consider public safety in Leeds, including how PCSO funding might be maintained.

Council requests that the Executive Member for Environmental Protection and Community Safety keeps members updated on this issue.
