## Regeneration

### Leeds Local Area Agreement mandatory targets

- As part of an overall housing strategy for the district, improve housing conditions within the most deprived neighbourhoods/wards, with a particular focus on ensuring that all social housing is made decent by 2010
- Improve the quality of the local environment by reducing the gap in aspects of liveability between the worst wards/neighbourhoods and the district as a whole, with a particular focus on reducing levels of litter and detritus.
- For those living in the wards with the worst labour market position that are also located within the districts in receipt of NRF, significantly improve their overall employment rate, and reduce the difference between their employment rate and the overall employment rate for England
