Dear Mr Hall

Licensing Act 2003

Name and Address of Premises: DRH Health Ltd, Winstons, 295 Dewsbury Road, Hunslet, Leeds, LS11 5LS,

We refer to your licensing application for the above premises. We believe you have not given enough information about how you intend to meet a licensing objective, which is to prevent public nuisance. We therefore submit a formal objection to your application that includes information specifically associated with the premises and the area .

You could meet the objective by agreeing to certain measures that we suggest are reasonable and relevant to your application. Please see part 1 of the enclosed document.

If you agree with the measures please complete and sign part 2 of the enclosed form and return it to us as soon as possible. Once we receive the form we will take it that you wish the licensing authority to amend your operating schedule to include those measures as conditions on the licence. If you disagree with the suggested measures then please complete part 3 and return it to us as soon as possible.

If you feel we should consider anything else or you have any questions please do not hesitate to contact us.

If the opening hours you propose under this application differ to those on the current planning approval then you should also apply to Planning Services to vary the hours. If you operate without planning permission you may have not met the relevant planning condition. You can contact Planning Services on 0113 222 4409.

**RE: WINSTONS HEALTH & LEISURE, 295, DEWSBURY ROAD, LEEDS, LS1 5LS
APPLICATION FOR A NEW PREMISES LICENCE – LICENSING ACT 2003
POLICE – LETTER OF OBJECTION**

Thank you for submitting the application for the above mentioned premises, which we received at this address on 22nd December 2016.

West Yorkshire Police object outright to this application for the following reasons:

Winstons, formerly known as Churchills, and prior to that known as Winstons, had its premises licence revoked by the Licensing Authority following an application to review the licence by West Yorkshire Police Licensing Department in November 2006. The application to review the licence, made by the police in September 2006, was as a result of evidence that the premises were operating as a brothel. At the Licensing Committee hearing on 21st November 2006 the Committee accepted the evidence by West Yorkshire Police and revoked the licence due to the undermining of the prevention of crime and disorder licensing objective as the premises were operating as a brothel.

On 20th February 2013 we received an application from John Gaunt Solicitors for a premises licence for Winstons. West Yorkshire Police objected outright to this on the grounds that granting a premises licence to a brothel would not be promoting the licensing objectives. The application was withdrawn.

I met the current applicant, Dan Hall, director of DRH Health Ltd since December 2013, at the premises on Thursday 22nd Sept 2016, to discuss a potential application for a new premises licence. I was shown

various 'treatment/massage' rooms – there were a minimal amount of treatment tables present, the majority of furniture in the rooms being beds.

Having seen the venue, and researched police intelligence and entries on social media and websites, I am not convinced that Winstons has changed the historical nature of its business. I made the applicant aware that I thought it was still operating as a brothel and that any application for a premises licence would receive a police objection.

I would therefore ask that the Licensing Authority refuse the application for a premises licence as it could not possibly promote the licensing objective of the prevention of crime and disorder. Should this matter go to hearing I would also ask that the presiding Sub-Committee give serious consideration to visiting the premises as part of their decision making process.

Yours sincerely,

Leeds District Licensing Officer
