Summary of main issues

- 1. Section 30 of the Local Government Act 1992 imposes on the City Council a duty to set council taxes within its area. This report sets out the background to the calculations, the various steps in the process and the proposed council taxes for 2017/18 including the precepts issued by the Police and Crime Commissioner for West Yorkshire, the West Yorkshire Fire & Rescue Authority and the parish and town councils within the Leeds area.
- 2. It is proposed that Leeds City Council's element of the Band D council tax charge be increased by 4.99% to £1,276.20, an increase of 1.99% to the Leeds element plus a 3% increase for the Adult Social Care precept.
- 3. The financial year 2017/18 is the fifth year since major changes to the funding arrangements for local government came into effect¹. The changes affected the way the council tax bases were calculated and removed certain discounts and exemptions, replacing them with discretionary powers to give discounts and charge a premium on long term empty properties.

Recommendations

4. Council is requested to adopt the resolutions set out in Section 5.

¹ Introduced in the Local Government Finance Act 2012

1 Introduction

1.1 This report sets out how the council tax is calculated and makes recommendations regarding Leeds' council tax requirement, the calculation of Leeds' and parish elements of council tax and the setting of the overall level of council tax for Leeds for 2017/18.

2 Context

- 2.1 Section 30 of the Local Government Finance Act 1992 requires the City Council to set the council tax within its area. The amounts paid are based upon the capital values of each dwelling and are calculated by reference to their values at 1st April 1991 prices.
- 2.2 Properties are placed in one of eight valuation bands by the Listing Officer of the Valuation Office Agency as follows:

	Value at 1st April 1991
Band A	Not exceeding £40,000
Band B	Over £ 40,000 but not exceeding £ 52,000
Band C	Over £ 52,000 but not exceeding £ 68,000
Band D	Over £ 68,000 but not exceeding £ 88,000
Band E	Over £ 88,000 but not exceeding £120,000
Band F	Over £120,000 but not exceeding £160,000
Band G	Over £160,000 but not exceeding £320,000
Band H	Exceeding £320,000

Table 1

2.3 When the consultation paper relating to council tax was first issued by the Government in April 1991, it was estimated that the average property value in England was about £80,000. Such a property would be in Band D and as a result, many of the calculations are carried out by reference to Band D. For example, when the level of council tax is calculated, a Band D Tax is calculated initially and the taxes for the other bands are then calculated as proportions of that. Amounts of council tax are calculated in the first instance for households with two or more adults; single adult households receive a 25% discount.

3. Main issues

3.1 Council Taxes and the Collection Fund

3.1.1 The City Council's net budget is funded through a combination of government grant, business rates income and council tax income. The latter comes via the Leeds Collection Fund, a separate account from the City Council's General Fund, set up in accordance with Section 89 of the Local Government Finance Act 1988. The Collection Fund collects council tax income and pays out the demands and precepts made upon it by the City Council, the Police and Crime Commissioner for West Yorkshire and the West Yorkshire Fire & Rescue Authority.

- 3.1.2 Leeds City Council is both a precepting and a billing authority. This means that the Council is responsible for maintaining the Collection Fund, setting the council tax, sending out council tax bills and collecting council tax. Leeds City Council, the Police and Crime Commissioner and the Fire & Rescue Authority each calculate their own element of council tax and Leeds as the billing authority then formally sets the overall tax by adding these elements together.
- 3.1.3 The 2015 Spending Review and Autumn Statement announced the introduction of a new power for local authorities with social care responsibilities to increase council tax by up to and including a further 2% per year until 2019-20, with a requirement that the extra money raised will be spent exclusively on adult social care. In the provisional 2017-18 Local Government Finance Settlement, local authorities were offered the flexibility to increase council tax by an additional 1% in 2017-18 and 2018-19, but not to exceed 6% in total over the three year period.
- 3.1.4 For 2017/18 the Secretary of State for Communities and Local Government has again determined "principles" that will require local authorities that wish to increase their council taxes beyond set limits to hold local referendums. The limit this year for Leeds is up to 2% plus the Adult Social Care precept of 3%.
- 3.1.5 The proposed council taxes (including Police and Fire elements) for a two-adult household in Leeds are shown below. A 1.99% council tax increase is proposed to the Leeds element of the tax plus an additional 3% increase in council tax for the Adult Social Care precept. The Police and Crime Commissioner has approved an increase of £5.00 per Band D property and the Fire & Rescue Authority has approved an increase of 1.99%.

Table 2

- 3.1.6 Council will be assured that the council taxes proposed for the Leeds area as set out in Table 2 will not exceed the referendum limits set by the Secretary of State.
- 3.2 Calculation and Setting of Council Tax
- 3.2.1 The changes introduced in 2013/14 did not alter the actual process of calculating and setting council tax. The stages remain as follows:

- i) Calculate the "council tax requirement" following the steps set out in Section 31A of the Local Government Finance Act 1992. This takes the Council's gross budget and gross income as a starting point and is shown in abbreviated form in Table 3.
- ii) Divide the council tax requirement by the tax base (as agreed by Council on 11th January 2017) to give a Band D Tax that includes amounts for parishes.
- iii) Calculate separately the Band D Taxes for non-parished areas (by removing parish precepts) and for each parish.
- iv) Calculate the taxes for each property band for non-parished areas and for parishes.
- 3.2.2 Table 3 includes the precepts and Band D amounts for the Police and Crime Commissioner and for the Fire & Rescue Authority.
- 3.2.3 Table 3 includes the total of parish precepts. Although Ledston Parish Council has indicated a precept figure, Leeds City Council has not yet received final confirmation of the precept issued. In accordance with the Billing Authorities (Anticipation of Precepts) (Amendment) Regulations 1995, Leeds, as the billing authority, may anticipate the precept to be issued. The precept amount shown for this parish does not exceed the anticipated precept amount allowed by the Regulations.

- b) The precepts for individual parish and town councils and their parish Band D council taxes are set out in Appendix I. The total of parish precepts includes an anticipated precept for Ledston Parish Council.
- c) "Per Band D equivalents" shown in the table may not add due to rounding.

4. Corporate Considerations

4.1 Consultation and Engagement

4.1.1 The setting of council taxes is the final step in a budget setting process which has been underway for a number of months. Leeds City Council's initial budget proposals have been the subject of consultation with key stakeholders as set out in section 5 of the 2017/18 Revenue Budget and Council Tax report.

4.2 Equality and Diversity/Cohesion and Integration

- 4.2.1 The Council is fully committed to assessing and understanding the impact of its decisions on equality and diversity issues. In order to achieve this, the Council has an agreed process in place and has particularly promoted the importance of the process when taking forward key policy or budgetary changes.
- 4.2.2 A specific Equality Impact Assessment of the budget at a strategic level has been carried out and this is attached to the 2017/18 Revenue Budget and Council Tax report included in the pack of papers available at this meeting. Separate equality impact assessments will be undertaken in respect to specific actions included in the budget where appropriate.

4.3 Council policies and Best Council Plan

4.3.1 The council tax recommendations detailed in this report have been developed to ensure that appropriate financial resources are provided to support Council policies and the Best Council Plan, as set out in the 2017/18 Revenue Budget and Council Tax report referred to earlier.

4.4 Resources and value for money

4.4.1 This is a financial report and the financial implications are outlined in the main body of the report and set out in detail in the 2017/18 Revenue Budget and Council Tax report.

4.5 Legal Implications, Access to Information and Call In

4.5.1 In accordance with the Council's Budget and Policy Framework decisions as to the Council's budget and council tax are reserved to Council. Agreement of the recommendations contained in this report implies the Council's agreement to the actions necessary to deliver the budget described in the 2017/18 Revenue Budget and Council Tax report.

4.6 Risk Management

4.6.1 A full assessment of budget risks both at directorate level and corporately has been made and is explained in paragraph 13.6 of the 2017/18 Revenue Budget and Council Tax report.

5. Recommendations

- 5.1. Council is asked to adopt the following resolutions.
- 5.2 That it be noted that at the meeting on 11th January 2017, Council agreed the following amounts for the year 2017/18, in accordance with regulations made under Sections 31B(3) and 34(4) of the Local Government Finance Act 1992:
 - a) 221,937.7 being the amount calculated by the Council, in accordance with Regulation 3 of the Local Authorities (Calculation of Council Tax Base) Regulations 1992 (as amended) as its council tax base for the year.
