7.3 The council will take into account the existing pattern of licensed premises in an area when considering what is appropriate to promote the objectives. Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not impact on the licensing objectives, given the potential for neighbouring premises to seek the same additional hours to prevent rivals gaining a commercial advantage.

7.4 A list of premises in the local area and their licensed hours and activities is provided at **Appendix E**.

8 **Equality and diversity implications**

8.1 At the time of writing this report there were no implications for equality and diversity. Any decision taken by the licensing subcommittee will be in accordance with the four licensing objectives as prescribed by the Licensing Act 2003.

9 **Options available to Members**

9.1 The licensing subcommittee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- Grant the application as requested.
- Grant the application whilst imposing additional conditions and/or altering in any way the proposed operating schedule.
- Exclude any licensable activities to which the application relates.
- Refuse to specify the said person as the designated premises supervisor.
- Reject the whole or part of the application.

9.2 Members of the licensing subcommittee are asked to note that they may not reject the whole or part of the application merely because they consider it desirable to do so. It must be appropriate in order to promote the licensing objectives.
