Narrowing the Gap

1.0 INTRODUCTION

- 1.1 From time to time Scrutiny Boards may request the opportunity to discuss a range of issues with a representative of the department which may not result in an Inquiry or further scrutiny. For example it may be appropriate for items on the Forward Plan, or current issues facing the department to be briefly discussed with the Portfolio Holder, Director or a representative of a department/ service area.
- 1.2 As such, the Chair has arranged for the Executive Member for Leisure to be invited to attend the meeting and answer questions relevant to the remit of the Board: In particular, the Chair has asked for an outline of the Key Strategic Cultural Issues/ Challenges facing the City and plans for addressing these. Members may wish to focus on the Board's role in addressing some of the issues identified.

2.0 RECOMMENDATION

- 2.1 That the Board identifies any issues for further scrutiny arising from the Members' Questions session.
