Corporate Considerations

Consultation and Engagement

7. In their role as democratically accountable bodies, local councils offer a means of shaping the decisions that affect their communities.
8. Parish and town councillors and their officers possess local knowledge which can help decision makers in the City Council to make more informed decisions and parishes have made it clear that they would like more influence on services which affect their communities. They offer a means of decentralising the provision of certain services and of revitalising local communities. In turn, the local councils recognise the strategic role of the Leeds City Council and the equitable distribution of services which it has to achieve.

Equality and Diversity / Cohesion and Integration

9. Attendance at the meeting is open to all town and parish councillors and the meetings are held a variety of venues throughout the three wards of Alwoodley, Harewood and Wetherby.

Council Policies and City Priorities

10. Leeds City Council and the local councils within its area share the common belief that working closely together plays a vital contribution to the wellbeing of the communities they serve.
11. To this end, Leeds City Council and the local councils in the Leeds City Council area have a Charter which sets out how they aim to work together for the benefits of local people:
<http://www.leeds.gov.uk/docs/Parish%20and%20Town%20Council%20Charter%202016.pdf>
