For decision

Community Committee nominations to Housing Advisory Panels (HAP)

Purpose of report

1. To seek Ward Councillor nominations from the Community Committee to the Outer North East Housing Advisory Panels (HAP).

Main issues

2. There are 11 HAPs across the city, in geographical alignment with Community Committee's, with the exception of the East Inner Community Committee – which is split into two HAPs due to the large number of Council homes.
3. Ward Members play an important role in helping the panels undertake their wider tenant engagement role, giving insight into the needs of local communities and linking the priorities of the HAP with the Community Committee so that Council and other services work more effectively together.
4. Community Committees in their June 2017 round of nominations are therefore requested to:
 - a. Nominate up to 1 Ward Member per Ward within the HAP area (with the exception of Outer East which has 1 Ward, where 2 nominations from the same Ward are welcomed).

- b. To undertake the above on the basis that all nominations are for full members, with HAP voting rights.
 - c. Take into account the number of Council homes in each Ward. For Wards with relatively few Council homes nominations are sought on an optional basis (see Appendix 1)
5. Council nominations to the panel will continue to help develop local working relationships, especially between the local housing teams, the Tenant Engagement Service and the local Communities Teams. Closer working between these teams and services will also help maximise the opportunities for the joint funding of local projects and the identification and support for others to attract external income.

Corporate considerations

6.

a. Consultation and engagement

This report facilitates the necessary consultation and engagement with Community Committee Members in respect of appointments to the designated positions and Outside Bodies. Given that the Community Committee is the relevant appointing body, there is no requirement to undertake a public consultation exercise on such matters

b. Equality and diversity / cohesion and integration

Council representation on Housing Advisory Panels enables those appointed Members to act as a conduit in terms of linking the Council's policies and priorities. It also encourages joint working between services to support local projects; these would potentially include matters relating to equality, diversity, cohesion or integration.

c. Council policies and city priorities

Council representation on, and engagement with Housing Advisory Panels, to which the Community Committee has authority to appoint, is in line with the Council's Policies and City Priorities.

d. Resources and value for money

Council representation on the HAPs encourages closer working relationships, in particular the opportunities for the joint funding of projects that meet local needs.

e. Legal implications, access to information and call in

In line with the Council's Executive and Decision Making Procedure Rules, the power to Call In decisions does not extend to those decisions taken by Community Committees.

f. Risk management

In not appointing to the HAPs, there is a risk that the Council's designated representation would not be fulfilled and the opportunities and benefits to local tenants and residents not maximised.

Conclusion

7. The Housing Service is seeking nominations to Housing Advisory Panels. Community Committees are requested to nominate up to 1 Ward Councillor per Ward within the HAP area. The nominations to the HAPs will continue to help the service build positive working relationships with the Committee and to ensure local priorities are reflected in panel activity.

Recommendations

8. The Community Committee is requested to nominate up to 1 Ward Member from each of the Alwoodley, Harewood and Wetherby Wards within the Outer North East HAP area.
