Parish/Town Council (ward)	Allerton Bywater Parish Council (North Ward) Great & Little Preston Parish Council
Proposal detail	A number of properties along this section of the boundary between Garforth & Swillington and Kippax & Methley have been split inappropriately between the two wards. The following three proposals corrects these anomalies: (a) move the boundary to the west of the houses on Preston Lane so they are all in Kippax & Methley, (b) move the boundary to the west of the houses on Hollinhurst and Queen Street so they are all in Kippax & Methley, and (c) where the boundary cuts through houses in the Queen Street and Elizabeth Road area amend the boundary to the east so it accurately follows Queen Street and then runs along the back of the houses on Burn Close until it re-joins the existing boundary, thereby keeping the whole of that estate in Garforth & Swillington.
Electoral information	<p>The top two areas of the map shown on page 58 would be transferred from GSK (Great & Little Preston), into KMG (North Ward of Allerton Bywater). The third area on the same map would be transferred from KMG (North Ward of Allerton Bywater) into GSK (Great & Little Preston).</p> <p>Current electorates GSK – 1,159 KMG – 1,246</p> <p>Proposed electorates GSK – 1,242 KMG – 1,163</p> <p>Parish elections under any revised arrangements would not take place until May 2019.</p>
