- 7.3 An applicant wishing to vary a licence for premises which fall within any of the cumulative impact areas must identify, through their operating schedule, the steps they intend to take so that the council and responsible authorities can be satisfied that granting this variation would not add to the impact already being experienced.
- 7.4 Details of the cumulative impact policy specific to City Centre - Amber and an outline of the evidence behind the reason for setting this policy is attached at Appendix E.
- 7.5 Members are directed to paragraphs 7.51 to 7.54 of the Statement of Licensing Policy which provides examples of how an application may be considered exceptional and the matters that the council would not normally take into consideration.
