The grounds of the representation are based on the following Morley Town Centre already suffers from too many betting shops. The nature of such shops – along with their promotion of on line gambling has a significant negative impact on local children and young people – encouraging them to get involved with the gambling industry. The cumulative impact of an additional betting shop normalizes the presence of such facilities and provides a temptation to many children and young people to get drawn into gambling often with negative consequences.

You need to complete this box as fully as possible. If you do not then the Licensing Authority may not be able to assess the relevance of your representation. Try to be as specific as possible and give examples, e.g. on 1 February I could hear loud music from the premises between 10pm and 1am. I am concerned that if the premises open until 2am this will cause a nuisance to me and other residents of the street.
