Reasons for comment:

Comments: 8:52 AM on 13 Apr 2018 I support this licence application. Having recently moved here, this bar is a safe place for 18/19 year olds to experience clubbing without having to go further into Leeds, which is much more unsafe. I would rather my children attend an establishment like this than some of the bars and nightclubs in Leeds or god forbid Bradford town centre.

I have been twice myself and it is a great mix of ages, properly managed by very good door staff. it closes at a totally reasonable hour. there is minimal disruption to residents as its location is near the town centre.

The licence should be granted. It is a positive addition to Guiseley night life.

Reasons for comment:

Comments: 5:29 PM on 30 Apr 2018 Being a resident of Guiseley i welcome a late opening venue that means when i finish working in a weekend night I dont have to venture into the City centre to meet with friends for a sicial drink. The issues currentmy being described are no different to those happening locallt aroind Guiseley, take for example the recent anti-social behavior that took place around West Side Retail Park and specifically the McDonalds restaurant. With the right support from the local community groups, the issues can be reduced and hopefully resolved meaning the minority dont spoil the options available to the majority.
