

CORPORATE GOVERNANCE CODE & FRAMEWORK

Introduction

Corporate governance is a phrase used to describe how organisations direct and control what they do. For local authorities this also includes how a council relates to the communities that it serves.

Our Best Council Plan articulates two ambitions framed around our Best City and Best Council Vision: Best City being defined as, 'Leeds...A Strong Economy and a Compassionate City' with the aim of tackling poverty and inequalities, closely aligned with a range of associated partnership plans; and Best Council as 'Leeds City Council ... An Efficient and Enterprising Organisation'.

The purpose of our corporate governance arrangements are to devise and deliver services to the citizens of Leeds in a way that demonstrates accountability, transparency, effectiveness and value for money, integrity, and inclusivity.

Our Corporate Governance Code and Framework is based upon 7 Principles;

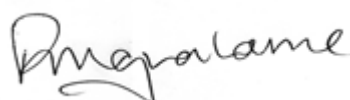

We will:

- 1. Behave lawfully, with integrity and in the public interest and demonstrate this through our conduct and behaviour.**
- 2. Be open and engage with local communities, service users and our other stakeholders.**
- 3. Focus our resources on outcomes and ensure council tax payers and service users receive excellent value for money.**
- 4. Ensure we have clear responsibilities and arrangements for transparent and effective accountability.**
- 5. Take informed and transparent decisions.**
- 6. Ensure that we have robust and effective audit, scrutiny, information governance, risk and financial management controls.**
- 7. Develop our capacity and capability to be effective.**

It is the role of our Corporate Governance and Audit Committee to oversee and receive assurances relating to our governance arrangements and also to provide challenge on how our arrangements can be continually improved.
