

Appendix 4 – Estate Management – Roles and Responsibilities

Miscellaneous Land

1. Land that the council is required to own and manage, but serves no operational or investment purpose.

Responsibility lies with City Development, Asset Management and/or Regeneration.

Corporate Property Management are commissioned to undertake any work as required.

2. Land owned and utilised by operational services.

This includes such land as housing amenities and parks and countryside spaces.

Responsibility to manage, maintain and ensure compliance lies with the relevant service area.

N.B. Void land is covered in Appendix 3.
