To whom it may concern,

Please accept this email as support for the license extension until 1am for Tom Foolery, 179 High Street, Boston Spa, LS23 6AA.

I only live 100m from the premises on Stables Lane and have never had any noise disturbance in the time that business has been open including when the 2am temporary licenses.

There is demand in the village for a bar of this nature open until 1am.

Kind regards

[REDACTED]

Dear Licensing,

In respect of the above application for extended hours. I wish to endorse and support [REDACTED] and the business in this regard.

As a key "community" focussed business we (the local community) should allow the business to satisfy the varying needs of the village which naturally will include later opening hours.

I am sure that the ongoing duty of care that Tom Foolery provide to it's near neighbourhood will continue to ensure no problem would arise from the acceptance of this application.

Kind Regards,

[REDACTED]

Hi

I'm writing in support of the extension to the licensing hours for Tom Foolery in Boston Spa.

We moved to the area 12 months ago from Leeds and have appreciated the kindness of the staff at Tom Foolery since we relocated. It's a friendly establishment catering for all ages and families, with good food and great community spirit.

We have never encountered an issues due to the Friday late nights and we only live 50m away and would envisage that this extension would only further enhance the excellent service currently provided.

If you need any additional information please let me know Kind regards [REDACTED]

Dear Sir/Madam

I am writing in support of the recent licensing application for the wine bar, Tomfoolery in Boston Spa.

I understand that the proprietor [REDACTED] has applied for regular extended opening hours on Friday & Saturday evenings until 1am.

As a Boston Spa resident I fully support the application.

The recent opening of bars Tomfoolery, The Stew & Oyster & Southbank, as well as number of restaurants in the village has created a vibrant community atmosphere with a busy cafe & bar culture. It is so important that these local businesses are supported, as they provide a central focus for the community.

These bars are well supported by the Boston Spa residents, who often choose to stay in the village to socialise, but also they have started to attract business from customers visiting the village, to enjoy the nightlife that these bars provide. This external custom is vital for the survival of the these businesses.

A late licence on Friday & Saturday evenings, provides additional choice for customers, and would encourage local residents to stay in the village to socialise and be an additional attraction for external customers.

I understand that there may be concerns regarding a later licence. However, as a resident of Boston Spa High Street myself and a frequent customer of Tomfoolery, including on occasional special late licensed evenings, my experience is of an easy friendly atmosphere, without undue noise or disruption, with customers leaving the premises quickly and considerately at closing time.

I would be very grateful if you could take my views into account when considering [REDACTED] application.

Yours sincerely

Subject: Tom Foolery - Boston Spa - Late Opening

Hi - as a local resident, I fully support the later opening hours for Tom Foolery, it offers great entertainment that is not available elsewhere locally. We've never had any problems inside or outside of the bar and never witnessed any anti-social behaviour or excessive noise and hence ask you approve this application, many thanks.

Regards

Hi Team,

I'm just emailing regarding the Tom Foolery's late licence application.

I'm a local of the area and support the application. I have never witnessed any issue's regarding noise.

The atmosphere in the venue is very chilled and the customers are incredible respectful of the area and noise pollution.

Kind Regards,

[REDACTED]

To whom it may concern,

I have lived in the Boston Spa and Clifford area 23 years and over the last 5 years I have enjoyed watching Boston Spa High Street thrive with new bars and restaurants. I would like to continue supporting these local establishments and am in great support for the later opening hours proposed by Tom Foolery.

As a local resident I have never come across any antisocial behaviour or experienced any noise or other problem caused due to people leaving the bars on a night. Leeds is portrayed as a booming 24hour city and I believe this should be extended on this occasion to Tom Foolery's request.

Dear Sir/ Madam,

I am writing to you today as a local business owner in the Boston Spa area, to portray my support for later opening hours for Tom Foolery. I have never found any problems with the establishment regarding late night noise pollution or antisocial behaviour, and feel that later opening hours would better the economy within the village by allowing more residents access to facilities at different times. I hope you will take my opinion into consideration.

Many Thanks,

[REDACTED]

Tom Foolery
