Summary of main issues

1. Every three years the Council is required by the Gambling Act 2005 to review the Gambling Act 2005 Statement of Licensing Policy (Licensing Policy), and to consult upon any changes.
2. The three yearly review is taking place this year and officers have reviewed the current policy and made suggestions in line with changes to Gambling Commissions Licence Conditions and Codes of Practice. The reviewed policy has been presented to the public for consultation in line with the requirements of the Act. It has elicited five responses, two from gambling operators, one from a support organisation and two from parish councils.
3. Having reviewed these responses the revised Policy is now presented to Licensing Committee for their information.

Recommendations

4. That Licensing Committee notes the contents of this report, the responses and the amended policy.

1.0 Purpose of this report

- 1.1 To present to Licensing Committee the consultation responses and the council's proposed changes (appendix 1) and the amended Statement of Licensing Policy with track changes (appendix 2) for their information.

2.0 Background information

- 2.1 Under Section 349 of the Gambling Act 2005 the Licensing Authority is required to prepare a statement of principles that they propose to apply in exercising their functions under this Act. This process is to be repeated every three years from 31st January 2007.
- 2.2 The consultation process is laid out clearly in the Gambling Act 2005, the Gambling Act 2005 (Licensing Authority Policy Statement) (England and Wales) Regulations 2006 and the Guidance to Licensing Authorities issued by the Gambling Commission (www.gamblingcommission.gov.uk).

3.0 Main issues

- 3.1 This will be the fifth time that the council has reviewed and amended the Gambling Act 2005 Statement of Licensing Policy (Licensing Policy).
- 3.2 In the last three years there have been a number of issues that have come to the attention of councils nationwide. The most publicly reported of which is the increase in the number of Fixed Odds Betting Terminals in premises in deprived areas. In Leeds, although there has not been a significant change in the number of betting shops, there has been movement and more premises are opening in deprived areas.
- 3.3 Also the Large Casino has opened in Leeds city centre. As part of the undertakings made when the ability to grant the licence was awarded to Leeds, the council commissioned research from Leeds Beckett University to identify problem gambling in Leeds. This research detailed a number of groups that are vulnerable to problem gambling. This information has been included in this revision of the policy.
- 3.4 As part of the review process officers have contacted the responsible authorities (including West Yorkshire Police, Public Health, West Yorkshire Fire and Rescue Services, Leeds Safeguarding Children Board) who have made no further comments.
- 3.5 Officers have worked with Public Health and the council's Financial Inclusion Team on matters related to the study the council commissioned into problem gambling.
- 3.6 The Licensing Policy draft was approved by Delegated Decision Notice in June 2018 and underwent a public consultation which ran from mid June to early August 2018. The consultation was advertised by way of letters and emails to over 300 businesses, ward councillors, MPs, parish and town councils and support organisations. The council has received five responses to the public consultation. Two have been received from gambling operators, two have been received from

parish council and one from a support organisation. The Consultation Report is attached at appendix 1. As none of the responses are from individuals, the names of the organisations have been included.

- 3.7 The responses have been reviewed and a summary of the resultant changes are included within Appendix 1. The amended Licensing Policy with track changes is attached at Appendix 2.
- 3.8 The approval of the policy is a matter for full Council. The approval process follows the Budgetary and Policy Framework. The suggested timescale for approval is as follows:

Scrutiny Board	10 th September
Executive Board	17 th October
Council	14 th November

4.0 Corporate Considerations

4.1 Consultation and Engagement

- 4.1.1 The Licensing Policy is subject to a statutory consultation. It is planned to use this opportunity to consult with the statutory consultees and ward member, parish and town councils and Citizen Advice Bureau.

4.2 Equality and Diversity / Cohesion and Integration

- 4.2.1 The Licensing Policy review process is subject to an EDCI Assessment, and a screening form has been completed. It is attached at Appendix 3.

4.3 Council Policies and City Priorities

- 4.3.1 The licensing regime contributes to the following Best Council Plan 2018-21 outcomes:

- Keeping people safe from harm, protecting the most vulnerable
- Helping people out of financial hardship
- Tackling crime and anti-social behaviour
- Being responsive to local needs, building thriving, resilient communities
- Promoting community respect and resilience

- 4.3.2 The licensing regime contributes to our best Council ambition of being an efficient and enterprising organisation

4.4 Resources and Value for Money

- 4.4.1 A review of the effectiveness of specific consultation methods has been instrumental in reducing costs. The public consultation of the policy is now mostly undertaken by email, which has helped reduce the cost further.

4.5 Legal Implications, Access to Information and Call In

4.5.1 There are no legal implications for this report.

4.6 Risk Management

4.6.1 There are no issues relating to risk management.

5 Conclusions

5.1 Officers have completed the review of the Licensing Policy following the public consultation and have produced a final policy for approval. The consultation responses and summary of changes are detailed in Appendix 1. The final Licensing Policy is attached at Appendix 2. The policy now continues on the budget and policy framework and will be presented to Scrutiny Panel in October and Council in November.

6 Recommendations

6.1 That Licensing Committee notes the contents of this report, the responses and the amended policy.
