Finance Update Report

Purpose of report

1. This report provides the Outer West Community Committee with an update on the budget position for the Wellbeing Fund and Youth Activities Fund for 2018/19 and the current position of the Small Grants and skips pots.
2. The report provides an update on the Wellbeing Fund, Youth Activity Fund, Small Grants and Skips that have been approved since the last meeting.

Main issues

3. Community Committees have a delegated responsibility for the allocation of Area Wellbeing Funding. The amount of Wellbeing funding provided to each committee is calculated using a formula agreed by Council taking into consideration both population and deprivation of an area.
4. The Outer West Community Committee seeks to ensure that Wellbeing funding is allocated in a fair and transparent way and that recipients are able to commence delivery of their projects as early as possible in the financial year. To facilitate this process, a funding round is held which requires organisations to submit proposals for projects. Once the annual Wellbeing budgets are set by Executive Board and ratified by Full Council, the Community Committee meets to agree which projects will be supported in the year ahead. These projects are then monitored and assessed by the Community Committee throughout the year to ensure they are fully meeting their objectives.
5. In addition, the Outer West Community Committee receives a sum of Youth Activity Fund funding.
6. The Community Committee also received an allocation of Capital Funding in 2018/19.

7. The Wellbeing Fund Large Grant programme supports the social, economic and environmental wellbeing of a Community Committee area by funding projects that contribute towards the delivery of local priorities. A group applying to the Wellbeing fund must fulfil various eligibility criteria including evidencing appropriate management arrangements and finance controls are in place; have relevant policies to comply with legislation and best practice e.g. safeguarding, equality and diversity; and be unable to cover the costs of the project from other funds.
8. Projects eligible for funding could be community events; environmental improvements; crime prevention initiatives or opportunities for sport and healthy activities for all ages. In line with the Equality Act 2010 projects funded at public expense should provide services to citizens irrespective of their religion, gender (including Trans), marital status, race, ethnic origin, age, sexual orientation or disability; under the Public Sector Equality Duty the Council must have due regard to the need to **eliminate** discrimination, advance **equality** of opportunity and **foster** good relations between different people when carrying out their activities. Funding for projects specifically targeted at certain groups is allowed under the Equality Act provided there is a clear evidence base for doing so (such as activities to promote women's health through sport projects or a project targeted at people with hearing impairments, or one for new migrants to help them integrate). Further advice on these can be given on a case by case basis if required. The fund cannot be used to support an organisation's regular business running costs; it cannot fund projects promoting political or religious viewpoints to the exclusion of others; projects must represent good value for money and follow Leeds City Council Financial Regulations and the Council's Spending Money Wisely policy; applications should provide, where possible, three quotes for any works planned and demonstrate how the cost of the project is relative to the scale of beneficiaries; the fund cannot support projects which directly result in the business interests of any members of the organisation making a profit.
