Dear Bridget

I wish to object to any extension of opening hours beyond that which is already licensed due to concerns of it causing a Public Nuisance.

These premises are on an Industrial Estate which, in the past, has not been of concern but now under construction is an Old Peoples Home directly opposite and within a few yards of this club. The potential for noise and disturbance when this Home is open and occupied is of great concern. In addition to this Home is a sheltered housing complex which is very close to this club.

Regards
