Comments: 1:29 PM on 10 Sep 2018 Highly supportive of this application.

Brudenell Presents Ltd have a proven track record in presenting high quality alternative entertainment events and the expansion in to and use of the premises on Sandbeck Way fits in perfectly with their current enterprises. Its location is such that it is placed far enough away from residential premises to not cause disruption, but has the advantage of having excellent transport links i.e. minutes drive from the A1 or a short walk from the bus station in Wetherby town centre. The diversification of the current offering of the club should be of benefit to the club, not only bringing additional employment to the area, but also securing its long term future.

Comments: 11:57 AM on 19 Sep 2018 I support the Brudenell. I have attended many events at their other location in Leeds and these guys have a good track record in my opinion. It would be good to have a more diverse social/entertainment offering in Wetherby that attracts a slightly different crowd who are looking for something alongside their pint. The location is good, away from residential streets but still within walking distance of buses etc and easy to get to from A1 etc. I think the council should support this application to show it is thinking about the future and encouraging entrepreneurs to try something a bit different.
