Subject: 74 Leeds Old Road Leeds

Good morning Chris, further to last week's email I confirm that my client is willing to accept the condition It appears you need to formally offer us this, could you please do so and we can then deal with the other objection as one has withdrawn hers.

The Premises Licence Holder will only operate the premises in accordance with the current planning permission in force.

If this is acceptable would you please contact licensing and advise them that you will withdraw your objection

Kind regards

Bob
