JA

To whom it may concern,

Regarding the application under section 17 of the Licensing Act 2003 for the grant of a licence for the premises known as Residence 74, 74 Otley Road, Leeds, LS16 6LQ

Please may it be noted that the premises immediately adjacent to this property, at 76 Otley Old Road known as *Keepers Coffee and Kitchen*, is home to an educational charity - *Lighthouse Futures Trust* - supporting vulnerable young people of school age with Special Educational Needs and Autistic Spectrum Conditions

Currently 18 young people per week from the local community and wider city attend *Keepers* to develop their personal & social skills as well as attaining qualifications in food hygiene, health & safety and hospitality

As such it would not be appropriate - and could present considerable risk to our young people - for alcohol to be served within the locality

Please may you confirm that the above has been registered against this application within the timeframes required [i.e. by 26th October 2018]?

Many thanks,

Dear Sirs,

I am writing to you with regards to above mentioned application for a license to sell alcohol at 74 Otley Old Road. I strongly object to this application on the grounds of the following:-

- The area is already high on the radar for crime and disorder ☐ this establishment is only going to attract more people and we can☐t guarantee they will be of the favourable kind unfortunately!

The parade is currently used as a drug run and we frequently see drop off☐s being made when using the current facilities, cash point, off license. Putting alcohol in the mix is just asking for trouble.

- [REDACTED]. I personally don☐t wish to live near an establishment which sells alcohol to be consumed on the premises. I don☐t want to spend my evenings listening to drunken behaviour, loud music (I presume they won☐t be sitting in silence!)

I would have moved on a main high street had this been the case.

- As an adult I already feel nervous walking round to the parade due to the groups of youths and the drug issue, children shouldn☐t feel vulnerable. I should be able to allow my 12 year old to walk to the shop without fear of her safety or mine for that matter. This is not the sort of area that wants or needs a drinking establishment.
