

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

Other

If other, please specify

2. Please provide a brief description of what you are screening

The council is required to publish its initial budget proposals two months prior to approval of the budget by full council in February 2019. The initial budget proposals report for 2019/20 sets out the Executive's plans to deliver a balanced budget within the overall funding envelope. It should be noted that the budget represents a financial plan for the forthcoming year and individual decisions to implement these plans will be subject to equality impact assessments where appropriate.

3. Relevance to equality, diversity, cohesion and integration

All of the council's strategies/policies, services/functions affect service users, employees or the wider community – city-wide or more local. These will also have a greater/lesser relevance to equality, diversity, cohesion and integration.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation. Also those areas that impact on or relate to equality: tackling poverty and improving health and well-being.

Could the proposal affect our workforce or employment practices?	X	
Does the proposal involve or will it have an impact on <ul style="list-style-type: none"> • Eliminating unlawful discrimination, victimisation and harassment • Advancing equality of opportunity • Fostering good relations 	X X X	

If you have answered **no** to the questions above please complete **sections 6 and 7**

If you have answered **yes** to any of the above and;

- Believe you have already considered the impact on equality, diversity, cohesion and integration within your proposal please go to **section 4**.
- Are not already considering the impact on equality, diversity, cohesion and integration within your proposal please go to **section 5**.

4. Considering the impact on equality, diversity, cohesion and integration

If you can demonstrate you have considered how your proposals impact on equality, diversity, cohesion and integration you have carried out an impact assessment.

Please provide specific details for all three areas below (use the prompts for guidance).

- **How have you considered equality, diversity, cohesion and integration?**

(think about the scope of the proposal, who is likely to be affected, equality related information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

The initial budget proposals identify a savings requirement of £24.4m due to a reduction in Government funding and unavoidable pressures such as inflation and demand/demography. Savings proposals to bridge this gap will affect all citizens of Leeds to some extent. The council has consulted on its priorities in recent years and has sought to protect the most vulnerable groups. However, the cumulative effect of successive annual government funding reductions, means that protecting vulnerable groups is becoming increasingly difficult. Further consultation regarding the specific proposals contained in this report will be carried out before the final budget for 2019/20 is agreed.

• Key findings

(think about any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

The budget proposals will impact on all communities but those who have been identified as being at the greatest potential risk include:

- Disabled people
- BME communities
- Older and younger people and
- Low socio-economic groups

The initial budget proposals have identified the need for staffing savings in all areas of the council which may impact on the workforce profile in terms of the at-risk groups. There will be some impact on our partners through commissioning and/or grant support which may have a knock on effect for our most vulnerable groups.

• Actions

(think about how you will promote positive impact and remove/ reduce negative impact)

A strategic equality impact assessment of the budget will be undertaken prior to its approval in February 2019.

There will also be further equality impact assessments on all key decisions as they go through the decision making process in 2019/20.

5. If you are not already considering the impact on equality, diversity, cohesion and integration you will need to carry out an impact assessment.
