

PREM 64282/001

APPENDIX D

JD

11 2019

Licensing Authority
Leeds City Council
Civic Hall Leeds

I am writing in connection with the application by The Aldi Store, Kirkstall, Yeatton for an alcohol licence. The application is for the licence to operate from 7am to 11pm.

I would like to see the times reduced to 8am to 10pm especially the 10pm cut off point.

This store is being sited in a residential area with housing all around it. On the opposite side of Kirkstall there are side roads all the way along with dense housing. I can see people purchasing alcohol and consuming it along these residential roads until midnight. This would constitute a public nuisance. I have noted that one of the licensing objectives is the prevention of public nuisance.

I also note that the application is for every day. Does this contravene Sunday trading laws? I trust that you will have regard to these concerns. Yours
