

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions. Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

The school will duly be expanded from 210 places to 420 and includes 6 dedicated SEN spaces with effect from September 2019/20. As a consequence of this increase in pupil numbers it is necessary to construct new accommodation for occupation from September 2019. • Purpose To enable construction of a new two storey classroom block, dedicated SEN primary provision and relocation of an existing modular building for use as secondary SEN. Works are essential to ensure the school has sufficient accommodation to be able to place its 2019/20 cohort.
