New and exciting projects for 2019

The Community Committee have been hard at work making their decisions on projects to fund for their residents for the new financial year. A new allocation of money has meant that projects old and new by community groups across the area will be funded. Just remember, the community committee can still allocate small grants for organisations of up to £500. To find out more contact:

PHAB's 50th Anniversary

The Prince Philip Centre PHAB Club has also been fortunate to receive a grant from the INW councillors wellbeing Fund to enable them to employ a Youth Worker to support the volunteers who run the Club. This year we are celebrating our 50th Anniversary of caring for people in Leeds with a physical disability, mild learning disability or life-limiting illness sharing time with able bodied people. We have met at the Prince Philip Centre, Scott Hall, Leeds LS7 2HJ on Friday evenings since 1969/70. PHAB is a city-wide club helping people of all ages. We have four specially adapted vehicles, driven by volunteers, who collect members from their homes and bring them to the Club or take them on outings and residential.

PHAB are always welcoming new members—if you know of anyone then please get in touch with Ann Hart Hon.Secretary at ann.hartphab@btinternet.com or call on 01937 573722.
