

# Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

**1. Title:** Extension of cooperation agreements with Area Inclusion Partnerships for 2018-19

Is this a:

**Strategy / Policy**
 **Service / Function**
 **Other**

**If other, please specify**

**2. Please provide a brief description of what you are screening**

This decision will seek permission to extend and vary cooperation agreements with Area Inclusion Partnerships in Leeds (AIPs) for the delivery of services to keep children and young people included in high quality learning, putting the interests of the child before those of school structures and organisations first and safeguarding their right to a mainstream education wherever this is possible and meets their needs).

These cooperation agreements were first awarded in 2017-18 for a period of 12 months with the option to extend by a further 12 months. The total value of these agreements is approximately £5.2m per annum. Arrangements with AIPs are long-standing but the need for these cooperation agreements arose due to the need to clearly define the focus of the funding to support inclusion and to improve the monitoring and evaluation of the funding use and outcomes for children and young people.

Extending these cooperation agreements will ensure:

- The Local Authority meets its obligations under the Children and Families Act (2014) Local Offer Regulations.
- Funding is spent wisely.
- Children and young people in Leeds are included in high quality learning, the interests of the child are put before those of school structures and organisations and their right to a mainstream education is safeguarded wherever this is possible and meets their needs

AIPs are closely performance monitored against the following outcomes:

- Achieve and maintain 'zero permanent exclusions' in Leeds
- Significantly reduce fixed term exclusions and the duration of exclusion and in particular the exclusions amongst over-represented groups
- Improve attendance
- Improve the progress and quality of the learning outcomes and destinations (including timely return to mainstream education) of children and young people who experience learning in an alternative provision.
- Reduce the time that any child or young person is missing out on 25 hours of education (unless otherwise indicated by medical advice).
- Ensure timely early help assessment where there are additional needs for the child or young person and their family, particularly when a child has had three or more fixed term exclusions.
- Offer parents/carers and young people access to guidance and advocacy where there is a risk of exclusion within two days of notification.
- Offer parents/carers support on the legal process around permanent exclusion within two days notification of a permanent exclusion.
- Support progression of children and young people in meeting individual needs and identified outcomes

Therefore extending these agreements are vital to ensure improved outcomes for all children and young people in Leeds.
