### Guidance about this document

1. The Licensing Authority recommends that you complete this specially designed pro forma risk assessment to help you decide what should be entered in your operating schedule to show how you will promote the four licensing objectives.
2. Whilst the Licensing Authority can't insist that you use this document, it takes the view that it assists responsible authorities in assessing the operating schedule, promotes discussions and partnership working and will reduce the number of representations and hearings.
3. If you do not use this risk assessment pro forma then you will need to demonstrate how you will meet the licensing objectives by providing other supporting evidence via your operating schedule.
4. The Licensing Authority strongly recommends that you consult with the responsible authorities early in the application process to ensure that the measures you are suggesting are appropriate and sufficient for your application. Contact details for the responsible authorities are in the guidance note in the application pack. Please contact Entertainment Licensing if you cannot find this information.

### How to use this document

1. This risk assessment has been developed with all types of business in mind, so you might find some sections are relevant to your business. Only complete the sections that are relevant. Be mindful of the cost that may be incurred and if this is a practical and proportionate measure for your business.
2. This document has four sections which correspond with the four licensing objectives. In each section you will find information on potential control measures (each with an individual code) which we suggest may help you meet the four licensing objectives.
3. Read through the questions at the beginning of each section and consider the potential control measures listed in the columns beneath.
4. If you are happy to volunteer the control measures as part of your application place a tick in the relevant box in the right hand column. You can then enter the corresponding codes in page 14 of your application form in the boxes which match up with the licensing objectives or simply write "see pro forma risk assessment".

5. Any measure offered on this risk assessment will become a condition on your licence which you will be legally obliged to comply with.

## Crime and Disorder

### CCTV

CCTV is an important tool for combating crime and disorder. Not only can it be a deterrent it is also useful for the Police when investigating crime. If you have CCTV installed, was the siting and standard agreed with West Yorkshire Police and have you agreed a policy on the retention and security of the footage with them? If you have CCTV the premises should have a duly licensed Data Controller under the Data Protection Act 1998

If you don't have CCTV installed, consider consulting with West Yorkshire Police about whether you need it? Please note that unless WYP have agreed CCTV is not required, a representation is likely.

Suggested measures	Code	✓
<p>A suitable closed circuit Television (CCTV) system will be in operation at the premises at all times when it is being used for the provision of licensable activities and/or when members of the public are permitted to be on the premises. The CCTV system will record images to cover all areas of the premises to which the public have access (save for toilets), including any external areas of the premises such as car parks and beer gardens. The CCTV system will be capable of retaining images for a minimum of 31 days, will be of good quality and will contain the correct time and date stamp information. The CCTV system and images will be kept in a secure environment to which members of the public will not be permitted access. At least one member of staff will be on duty at the premises who is capable of operating the system and downloading images recorded by it. These images will be downloaded and provided, on request, to an officer of a responsible authority.</p> <p style="color: red;">(We have ordered the CCTV system which will be installed on Monday 13<sup>th</sup> May 2019. We can send installation evidence through after this date. We already hold a licence for holding data and our front of house manager will be the lead member of staff to access and monitor the CCTV system )</p>	8PF001	✓

### Designated Premises Supervisor (DPS)

If you plan to sell alcohol you will have to nominate someone to be the designated premises supervisor. A designated premises supervisor is the person who is in day to day control of the premises and will be named on the premises licence. They do not have to be on site at all times when the premises is operating but they should be contactable, especially in case of emergency. If the DPS is not to be generally on site, have you made arrangements to nominate a supervisor to take control in their absence? This could be recorded in a supervisor's register, which should be bound with consecutively numbered pages, so that pages can't be removed or mislaid.

Suggested measures	Code	✓
<p>A Supervisor's Register will be maintained at the licensed premises, showing the names, addresses and up-to-date contact details for the DPS and all personal licence holders.</p>	8PF002	✓

## Door Supervisors and Other Security Staff

If you plan to sell alcohol, especially in the night time economy, you may want to consider using registered door supervisors or security staff. They have to be registered by the Security Industry Authority (SIA). You may want to specify a minimum number of door supervisors and you might find it helpful to discuss the number with the Police.

You might find having a policy with the door supervisor or security company useful, which covers:

- Vetting customers entering the premises
- A prominently displayed written search policy on the premises
- Controlling customers entering, within or leaving the premises
- Safeguarding the public within and immediately outside the premises
- Notifying WYP at the earliest opportunity of any problems or incidents
- Exclusion of persons who have had too much to drink or appear inclined to disorder?

If you do employ a door supervisors you might like to have a Daily Record Register within which door supervisors/security staff sign on and off duty. This should be a bound book with consecutively numbered pages so that pages can't be removed or mislaid. It will help you to identify who was on duty at any particular time.

In any case you should have an incident report register to record any incidents such as anti-social behaviour, admissions refusals and ejections from the premises. It should be a bound book with consecutively numbered pages that can't be removed or mislaid.

The Daily Record Register will be retained on the premises for a period of twelve months from the date of the last entry.	8PF004	N/A

The Incident Report Register will be retained for a period of twelve months and produced for inspection immediately on the request of an authorised officer.	8PF006	✓

Harewood security (part of security company Minimal risk) log all incidents on their system which have text alerts that go to key people including Eddy Lascelles and Felicity Marsden

## Drugs and Offensive Weapons

Depending on the style of your business and where it is located you might consider writing a policy and have procedures to prevent the use of illegal drugs or weapons (e.g. a search policy). West Yorkshire Police can provide some assistance with this. Your policy could include details such as:

- recording any search
- seizing drugs/weapons found
- a purpose made secure receptacle for items seized
- informing the police of any search and seizure
- prominently display notices to inform customers of the policy

Suggested measures	Code	✓
A policy for searching patrons at the entrance to premises will be adopted and prominently displayed on the premises.	8PF007	N/A

## Communication

If you plan to operate your business in the city centre you may want to subscribe to a form of communication link (radio/text/pager system) which will provide a link to other businesses in the area. This is useful so that you can share information, especially of antisocial behaviour, people you have ejected or suspected thefts and drug dealing. The system shall be recognised by the current Business Crime Reduction Partnership for the city, Leeds City Council and West Yorkshire Police.

Suggested measures	Code	✓
There will be a communication link in operation at the premises via radio to the police and other venues in the city centre. The communication link will be operated to the guidance provided and all instructions on use agreed. All reasonable police instructions provided via the link will be complied with.	8PF011	N/A

## Responsible Sale of Alcohol

If you plan to sell alcohol you must adopt a Proof of Age scheme. This can be Challenge 18, Challenge 21 or Challenge 25. You should train staff on the steps required to prevent under age sales of alcohol?

Depending on the style of your business and where it is located you may want to consider having a policy around the collection of bottles and glasses. If you leave glasses and bottle lying around, not only does this impact on the attractiveness of your premises but they may be used as weapons. This policy may include details about how often glasses and bottles are cleared and who has responsibility for this. It may also include details on the steps to prevent glasses/bottles being removed from the premises, e.g. instruction to door/bar staff, display of notices and if and when you use plastic or toughened polycarbonate (or similar) drinking glasses/bottles.

If your premises are in the area of a Public Spaces Protection Order, you may need to prominently display notices advising customers of the Order and its effects.

Suggested measures	Code	✓
The age verification policy adopted by the premises, in respect of the sale or supply of alcohol will be Challenge 21 (or 25), which means that those seeking to purchase alcohol at the premises who appear to be under the age of 21 (or 25) will be required to provide acceptable evidence (as approved by West Yorkshire Police) that they are 18 years of age (or older) before any alcohol is sold or supplied to them.	8PF012	✓
Patrons are not permitted to remove drinks, open bottles or glasses from the premises.	8PF013	
All drinks that are to be consumed in external areas of the premises will be served in plastic (or similar) containers.	8PF014	
Notices indicating the existence and effect of a Public Spaces Protection Order will be prominently displayed at the exits to the premises.	8PF015	

Depending on the style of your business and where it is located you might like to consider joining a recognised licensee association such as PubWatch. This type of organisation may run a banning scheme, where people who have exhibited antisocial behaviour are banned from all the licensed premises in an area. Your cooperation in these types of schemes can stop your premises from becoming a target of antisocial behaviour.

Depending on where your premises is located, its capacity and closing time, you may find a dispersal policy useful. This is a policy on how you disperse your clientele from your premises to reduce the risk of anti-social behaviour. You can receive advice on this from West Yorkshire Police and you should ensure your bar and door staff are trained on the policy.

Suggested measures	Code	✓
The premises licence holder and/or designated premises supervisor will belong to a recognised trade body or Pub Watch Scheme where one exists, whose aims include the promotion of the licensing objectives	8PF016	N/A

Is your premises predominantly a restaurant? Prior to the submission of your application it is recommended that you consult with the West Yorkshire Police on your proposals to operate as a restaurant. The sale/supply of alcohol shall only be made to accompany the sale of food. This does not preclude the sale/supply of alcohol to a person waiting to be seated in the restaurant or at the conclusion of the meal.	8PF022	✓

If you are planning on selling alcohol for consumption off the premises and your premises is located in a deprived area you should be aware that some of these areas have issues with antisocial behaviour and people who purchase alcohol from off licences and drink it in the street. You should contact the local Community Team and look at the council's Statement of Licensing Policy which will give you more information. If your premises is located in one of these areas you should consider these measures which may help to address some of the concerns.

<b>Suggested measures</b>	<b>Code</b>	<b>✓</b>

The Regulatory Reform (Fire Safety) Order 2005 requires employers and other responsible persons to make a 'suitable and sufficient' assessment of the risks from fire in licensed premises and how they affect the safety of their employees and other persons who may be on or in the vicinity of the premises. In compiling a fire risk assessment you must consider the following:

- The number of persons using the premises
- Means of escape
- Fire alarms
- Emergency Lighting
- Fire Fighting Equipment

- Safety Precautions

For further advice regarding fire precautions and how to comply with your legal duties under The Regulatory Reform (Fire Safety) Order 2005, please refer to the guides listed below which are available to download, free of charge, from:

## Entertainment and/or Facilities Specifically Provided for Children

Do you plan to provide entertainment or facilities specifically for children? For example you may want to offer a soft play area or a ball pond for younger children or a young person's disco. You should consider if the children will be unaccompanied or supervised by staff without parental presence (including where parents are elsewhere in the licensed premises) and what measures you should take to protect the children's and your staff's safety.

Under the Act, it is unlawful for a licensee to allow any unaccompanied child under the age of 16 to be present on authorised premises which are exclusively or primarily used for the supply and consumption of alcohol on the premises. This applies to premises operating under a premises licence, club premises certificate or a temporary event notice. In effect, this applies to more pubs and bars where restaurant and food facilities are not provided as a permanent feature or attention.
