Summary of main issues

1. The Openness of Local Government Bodies Regulations 2014 which came into force on the 5th August 2014 require local authorities to record decisions made by officers in relation to the grant of a permission or licence.
2. The regulations are specific as to the information that must be recorded. This is provided in Appendix A (Taxi and Private Hire Licensing) and Appendix B (Entertainment Licensing).

Recommendations

3. That the Chief Officer (Elections & Regulatory), under delegated powers, publish the attached record of decisions made in October 2018.

1 Purpose of this report

- 1.1 The purpose of this report is to present a written record of any decision which would otherwise have been taken by the local authority, but has been delegated to an officer.

2 Background Information

- 2.1 Paragraph 7 of the Openness of Local Government Bodies Regulations 2014 states that:

- (1) The decision-making officer must produce a written record of any decision which falls within paragraph (2).
- (2) A decision falls within this paragraph if it would otherwise have been taken by the relevant local government body, or committee, sub-committee of that body or a joint committee in which that body participates, but it has been delegated to an officer of that body either—
 - (a) under specific express authorisation; or
 - (b) under a general authorisation to officers to take such decisions and, the effect of the decision is to—
 - (i) grant a permission or licence;
 - (ii) affect the rights of an individual; or
 - (iii) award a contract or incur expenditure which, in either case, materially affects that relevant local government body's financial position.
- (3) The written record must be produced as soon as reasonably practicable after the decision-making officer has made the decision and must contain the following information—
 - (a) the date the decision was taken;
 - (b) a record of the decision along with the reasons for the decision;
 - (c) details of alternative options, if any, considered and rejected; and
 - (d) where the decision falls under paragraph (2)(a), the names of any member of the relevant local government body who has declared a conflict of interest in relation to the decision.
- (4) The duty imposed by paragraph (1) is satisfied where, in respect of a decision, a written record containing the information referred to in sub-paragraphs (a) and (b) of paragraph (3) is already required to be produced in accordance with any other statutory requirement.

3 Main issues

- 3.1 Licensing and Registration has two main areas where officer delegated decisions are made – Entertainment Licensing and Taxi and Private Hire Licensing.

- 3.2 Taxi and Private Hire Licensing are responsible for the licensing of hackney carriage and private hire operators, drivers and vehicles to be used for the carriage or persons for hire. The majority of decisions are made under delegated authority by officers following policies adopted by the council.
- 3.3 A list of decisions made by Taxi and Private Hire Licensing for the current month are attached at **Appendix A**.
- 3.4 Entertainment Licensing are responsible for the licensing of alcohol, regulated entertainment, late night refreshment, gambling, sex establishments, places of marriage, charitable collections, scrap metal and small society lotteries. The majority of decisions are made automatically in line with the respective legislation. A small number of decisions are made by officers based on the requirements of the regulations. Specifically these are scrap metal and minor variations.
- 3.5 A list of decisions made by Entertainment Licensing for the current month are attached at **Appendix B**.
