Comment Reasons

Comment 9 59 AM on 07 Jul 2019 Terminus has been an asset to the community It is a lovely place to socialise, makes space for local artists to display their work and gets involved in local community events Additionally, they've made a derelict building a vibrant, safe and welcoming place What more could you ask for? I fully support the proposal

Comment Reasons

Comment 12 12 PM on 12 Jul 2019 Terminus is a quiet, family friendly bar I am not aware of any current issues with noise or crime being committed on the premises The owners and staff are very keen for this bar to become a local community hub and do not encourage drunken/rowdy behaviour

The bar is set back away from the main road, with very few residential properties nearby Their outside courtyard area means that people do not congregate on the main road blocking the pavement etc as they do at others bars nearby

Children are not allowed in the bar in the evening, so I do not see how this could have any impact on them

Comment Reasons

Comment 9 33 AM on 15 Jul 2019 Terminus has become a community hub of Meanwood since it's opening in November These extended hours and licence requests serve not to bring a bad crowd or disturb a community for money but to allow the encompassing of more events that bring people together The crowd who visit this pub are not there to get rowdy and disturb the peace but to meet, socialise and enjoy quality ale As a local I fully support any extension that allows a community orientated pub to continue to bring people together and support each other
