1. Purpose of this report

- 1.1 The purpose of this report is to introduce two presentations in relation to the aviation industry and its impact on climate. The first presentation will be delivered by the Chief Executive of Leeds Bradford Airport, and the second, by a group of University of Leeds PhD Researchers.

2. Main issues

- 2.1 Representatives will be in attendance at the meeting to provide presentations and respond to questions from Members.

3. Recommendations

- 3.1 The Climate Emergency Advisory Committee is asked to note the presentations.

4. Background documents¹

- 4.1 None.

¹ The background documents listed in this section are available to download from the council's website, unless they contain confidential or exempt information. The list of background documents does not include published works.
