APPLICATION FOR A PREMISES LICENCE – LICENSING ACT 2003:
POLICE – LETTER OF REPRESENTATION – ‘QUALIFIED’ OBJECTION:

West Yorkshire Police are of the opinion that the application contains insufficient information about how the applicant intends to meet the licensing objectives.

We therefore confirm that we are submitting a formal representation against the application on the grounds of:-

1. the prevention of crime & disorder
2. public safety

However, we are of the opinion that the licensing objectives could be met should the applicant be prepared to incorporate certain identified measures within their operating schedule as additional conditions.

Please find enclosed a document which at **Part 1** contains the suggested measures which this authority considers are proportionate and appropriate to the nature of the application.

Should the applicant be in agreement with the suggested measures then they should signify this by completing and signing **Part 2** of the enclosed form and return the complete document to this office as soon as possible.

Upon receipt of their consent at **Part 2**, it will be taken that the applicant signify their wishes for the licensing authority to amend their operating schedule to incorporate the proposed measures as conditions.

Alternatively should the applicant disagree with the proposed measures, then they should complete **Part 3** and again return the complete document to this office as soon as possible.

PART 1 - to be completed by the Responsible Authority:

West Yorkshire Police propose the following control measures / conditions under the Licensing Act 2003 (in addition to those that the applicant may have already offered), for the premises:-

501 Bradford Road, Pudsey, Leeds, LS28 8EE

Having considered the application under the Licensing Act 2003 for the above premises, West Yorkshire Police considers that the following measures are relevant, proportionate and necessary in order to promote the following licensing objectives:-

- the prevention of crime & disorder
- public safety

A suitable closed circuit Television (CCTV) system will be in operation at the premises at all times when it is being used for the provision of licensable activities and/or when members of the public are permitted to be on the premises. The CCTV system will record images to cover all areas of the premises to which the public have access (save for toilets), including any external areas of the premises such as car parks and beer gardens. The CCTV system will be capable of retaining images for a minimum of 31 days, will be of good quality and will contain the correct time and date stamp information. The CCTV system and images will be kept in a secure environment to which members of the public will not be permitted access. At least one member of staff will be on duty at the premises who is capable of operating the system and downloading images recorded by it. These images will be downloaded and provided, on request, to an officer of a responsible authority.

The premises licence holder and/or designated premises supervisor will ensure that an Incident Report Register is maintained on the premises to record incidents such as anti social behaviour, admissions refusals and ejections from the premises. The Incident Report Register will contain consecutively numbered pages, the date time and location of the incident, details of the nature of the incident, the names and registration numbers of any door staff involved or to whom the incident was reported, the names and personal licence numbers (if any) of any other staff involved or to whom the incident was reported, the names and numbers of any police officers attending, the police incident and/or

crime number, names and addresses of any witnesses and confirmation of whether there is CCTV footage of the incident. The Incident Report Register will be retained for a period of twelve months and produced for inspection immediately on the request of an authorised officer.

The age verification policy adopted by the premises, in respect of the sale or supply of alcohol will be Challenge 25, which means that those seeking to purchase alcohol at the premises who appear to be under the age of 25 will be required to provide acceptable evidence (as approved by West Yorkshire Police) that they are 18 years of age (or older) before any alcohol is sold or supplied to them.

Patrons are not permitted to remove drinks, open bottles or glasses from the premises.

The premises shall be and remain predominantly food led.

An agreed number of minimum covers will be maintained at all times the premises are operating. The minimum number of covers will be 120.

The sale/supply of alcohol shall only be made to accompany the sale of food. This does not preclude the sale/supply of alcohol to a person waiting to be seated in the restaurant or at the conclusion of the meal.

West Yorkshire Police are satisfied that the proposed measures are not adequately dealt with by other legislation.

By signing the declaration enclosed overleaf at **Part 2**, the applicant agrees to incorporate the proposed measures as conditions within the Operating Schedule for the said premises.

Upon the satisfactory completion of the declaration, West Yorkshire Police will provide notice to the Licensing Authority that our representation is withdrawn in accordance with schedule 10(a) of the Licensing Act 2003 (Hearings) Regulations 2005.
