Stance: Customer objects to the Licensing Application

Reasons for comment:

Comments: 7:40 PM on 24 Sep 2019 The restaurant is in a residential area and extended 1am opening 7 nights a week will disturb residents. Also, as I understand, the venue is planning to host weddings . The car park of the restaurant is not big enough for this purpose. Weddings at the nearby Aagrah restaurant often start with loud and noisy cars speeding (we already have a police camera van space outside the LA LAs restaurant in the middle of the road) because of speeding motorists and the death of a local resident as a result. Also the Aagrah weddings still often end with loud fireworks early in the morning disturbing hundreds of local residents - local councillors and police can confirm ongoing residents complaints.
