Dear Matthew

Please find attached a final updated list of films, dates and venues

As I said previously we are not able to provide links to all of the uncertified films as we have not yet purchased copies of all of the films and some will come as a Blu-Ray rather than as a downloadable link.

Here is the link for THE WALL: [REDACTED]

and for Beyond the Frontlines: Tales of Resistance and Resilience from Palestine

I understand that for those films where I cannot provide you with a copy the film will be certified 18 rating. I can confirm each film does not contain any content which would more likely than not, either render the film liable to be classified as R18 if considered in accordance with the BBFC Classification Guidelines, or to be refused any classification at all under those guidelines.

However, we would suggest a classification of 15 for all of these films as they are not aimed at a young audience although having read the [bbfc advice](#) they would probably all easily fit a 12 or a 12A rating.

I would be grateful if you can let me know if I need to attend the meeting of the licensing sub-cttee.

kind regards
